Press Release

Meeting of the Special Committee on Allotment of Cabins by Capital Development Authority (CDA)

The Special Committee on Allotment of Cabins by CDA in Islamabad met today, the 24th November, 2015 in Parliament House, Islamabad under the chairmanship of **Dr. Ibadullah, MNA** to discuss the issue of allotment/conciliation of Cabins by CDA, in Islamabad.

The Committee expressed grave concern that 485 Cabins were demolished in Islamabad without any justification which caused huge resentment among the legal Cabin Allotees as it was the only bread & butter for their families.

The Committee inquired that as to why the rent amount was received in 2014 despite the fact that the allotments of Cabins were cancelled in 2013. Moreover, CDA had also demolished most of the Kiosk which were able to get stay orders from the courts. The Committee decided to invite Cabin Association, as well, in the next meeting to know their grievances so that matter could be resolved amicably.

The Special Committee expressed strong displeasure over the incomplete presentation given by the CDA authorities as they were unable to convince the Committee by their answers. Therefore, the Committee directed the CDA authorities to come up with complete information in the next meeting and adjourned the meeting till Thursday.

The following MNAs i.e Mian Abdul Mannan, Ms. Farhana Qamar, Dr. Mahreen Razzaq Bhutto, Dr. Imran Khattak, and Mr. Abdul Qahar Khan Wadan attended the meeting.
