STATEMENT OF OBJECTS AND REASONS

Punishment in sections 161 to 168, 171 and sections 217, 218, 219, 403, 404, 417, 418, 419, 420, 465 and 466 of Pakistan Penal Code are enhanced because punishments already provided are nominal against most of the offences and due to this corruption has day by day increased and Public office holders and public servants have failed to accord the intent of legislature so it is necessary that punishments be enhanced and fine increased in some of them.

Offences where amendments are proposed are such as taking gratification other than legal remuneration in respect of an official act and or taking gratification in order by corrupt or illegal means to influence public servants or taking gratification, for exercise of personal influence with public servants and obtaining valuable thing, without consideration from person concerned in proceeding or business transacted by such public servant, disobeying law, with intent to cause injury to any person, framing an incorrect document with intent to cause injury, unlawfully engaging in trade and others.
