Any payments related to the tenancy agreement shall be made through cross cheques or with an official receipt/acknowledgement. The rents of residential and non-residential buildings shall be annually increase by ten percent automatically unless the parties decide to the contrary in writing. For dispute resolution between the landlord

and tenant there shall be a Mediation Council to be presided by the President Islamabad Chamber of Commerce or his nominee as its Convenor. A representative of the tenant and the landlord will both constitute as members of the council. The Controller, before proceeding with a case shall refer it to the Mediation Council. In case of no settlement, the Controller shall proceed with the case. In case of a settlement, the order passed by the Controller in accordance with the decision of the Medication Council shall be considered final.
