STATEMENT OF ~~OBJECTS~~ AND REASONS

PRIVATE MEMBER BILL FOR ESTABLISHMENT OF AN INSTITUTE
OF HIGHER EDUCATION

Education plays a leading role in improving the economic condition of the country and is a vital investment for human and economic development. Quality education with access and equity can produce human capital which is essential for improving productivity, economic growth and establishing knowledge-based society.

2. it is not the responsibility of Government alone to establish quality educational institutions because of its commitment in other sectors, as such private sector must invest in establishment of quality educational institutions especially in remote/far flung areas of the country as well as where no higher education institution has established. Cognizant of this fact, the **FARABI TRUST FOR HUMAN DEVELOPMENT** has established a quality higher education in Tehsil Kharian, District Gujrat through establishment of an Institute namely "**ASKARI INSTITUTE OF HIGHER EDUCATION**". Presently there is only one public sector university in whole District Gujrat i.e. University of Gujrat, but in Tehsil Kharian, there is not a single higher education institution exists till date, therefore the aspiring students have to go toward major hubs like Lahore, Islamabad or Faisalabad for pursuing degrees and quenching their thirst of knowledge. These aspiring students not only have to leave their homes to travel far away for study but also have to bear huge expenses of living in addition to tuition fees etc. As such there is a dire need of establishing higher educational institutions and universities in the region especially in Tehsil Kharian.

3. The institute has already been granted NOC by Higher Education Commission, Islamabad. The institute would be totally funded by the Private sector and there would be no financial cost to the Government.

4. The Bill titled "**ASKARI INSTITUTE OF HIGHER EDUCATION**" is placed before the Parliament for necessary approval and enactment.
