

## RESOLUTION

06-02-17

This House:

Reiterates its unwavering support for the Kashmiri people's right of self determination in accordance with United Nations' Security Council resolutions and the United Nations' Charter, including the provision of political, diplomatic and moral support to the people of Indian Occupied Kashmir in the just struggle for self-determination.

2. Salutes the courage, valor and commitment of successive generations of Kashmiri people for their ongoing struggle for self determination as promised to them by the international community in United Nations' Security Council resolutions.

3. Rejects the Indian Government's ridiculous claims that Kashmir is an integral part of India when India itself took the Kashmir dispute to the United Nations' Security Council thereby accepting it as an international dispute between two sovereign United Nations' members.

This house condemns:

4. The state terrorism perpetrated by Indian occupation forces against the unarmed Kashmiri civilians in Indian Occupied Kashmir, including women and children, which has led to martyrdom of thousands of innocent Kashmiris;

5. The use of pellet guns to deliberately blind unarmed Kashmiris, including women and children in clear violation of the international treaties against the use of inhumane weapons of war including the Geneva Convention of 1949, their Additional Protocols I & II and International Humanitarian Law;

6. The continued use of draconian laws against the Kashmiris and recurring curfew in Indian Occupied Kashmir which have aggravated the miseries of the local population and which are in clear violation of all international human rights conventions;

Contd...P/2

7. This House deplores the continuing silence of the section of the international community, including human rights' advocates, on the ongoing violence perpetrated by the Indian occupations forces in Indian Occupied Kashmir against unarmed civilians, including women and children and calls on:

- i. The United Nations' Security Council to take concrete steps for the implementation of its resolutions for the right of self-determination for the Kashmiri people as done so in other parts of the world;
- ii. The international community takes note of the gross human rights violations in Indian Occupied Kashmir at the hands of the Indian security forces and urges India to respect the human rights of the people of Indian occupied Jammu and Kashmir, including the right to self determination.
- iii. The United Nations' Security Council to call upon Indian to let the United Nations' Military Observers India Pakistan fulfill its mandated takes as per the United Nations' Security Council resolutions in Indian Occupied Kashmir.
