- (c) *the steps presently taken by the Government to eradicate this issue?*

Minister for Overseas Pakistanis and Human Resource Development: (a) (i) According to Article 38(c) of the Constitution, the State shall provide social security by compulsory social insurance, or other means for all persons employed in the service of Pakistan or otherwise.

It extends Old-Age Benefits to insured persons or their survivors. However, for Old Age Pension Section-22 of EOB Act, 1976 provides as under;

22(1) An insured person shall be entitled to a monthly old age pension at the rate specified in the Schedule.

Provided that:

- (a) he is over sixty years of age, or fifty five years in the case of a women; and
(b) contributions in respect of him were paid for not less than fifteen years.

Provided further that the age specified in clause (a) will be reduced by five years in the case of an insured person employed in the occupation of mining for at least ten years immediately preceding retirement.

(b) After the 18th constitutional amendment, the following issues have been experienced in collection:

1. A number of employers have stopped payment of contribution due to legal position of EOBI after devolution.
2. Minimum Wages are announced by the Provinces instead of Federal Government and because of this contribution is being collected at the rate of Rs. 480/- per Insured Person/month on the basis of last minimum wages announced by the Federal Government *i.e.*, Rs. 8,000/- p.m. The collection should be Rs.900/- per Insured Person/month on the basis of current minimum wages, which is an administrative hurdle due to 18th constitutional amendments.

(c) At present the matter of devolution of EOBI is under consideration in the Council of Common Interests.

26. Disallowed on reconsideration.
