STATEMENT OF OBJECTS AND REASONS

The Federal Government Employees Housing Foundation (FGEH) is mandated to arrange affordable residential accommodation to the employees of the Federal Government and other specified groups on the basis of no profit no loss. Its jurisdiction extends to whole of Pakistan. The Foundation is not a regulatory body and it has to go through lengthy process of seeking permissions and NOCs from different authorities for launching its projects. The maintenance of existing schemes is not possible until the Foundation is given the status of an Authority. The Bill is, therefore, aimed to address this issue.
