NATIONAL ASSEMBLY SECRETARIAT

"QUESTIONS FOR ORAL ANSWERS AND THEIR REPLIES"

to be asked at a sitting of the National Assembly to be held on

Friday, the 21st August, 2026

@39. * Syed Shah Ahad Ali Shah:
(Deferred on 19-08-2026)
Will the Minister for Energy(Power Division) be pleased to state:

a) the total amount of Federal development funds allocated and the total amount utilized in NA-33 (Nowshera) during the last four years; and

b) the project-wise and department-wise details of the said funds allocated and utilized, particularly in respect of the Peshawar Electric Supply Company (PESCO) and the Sui Northern Gas Pipelines Limited (SNGPL)?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):
(a) No Federal Government funds were allocated to, and utilized in, NA-33 (Nowshera) during the last four years.

(b) Nil.

43. * Ms. Asiya Naz Tanoli:
(Deferred during 27th Session)
Will the Minister for Science and Technology be pleased to state; whether there is any proposal to establish a Pakistan Cosmetic Regulatory Authority to monitor and issue licenses for cosmetic products?

Minister for Science and Technology (Mr. Khalid Hussain Magsi): Yes, a new Authority namely, "Pakistan General Cosmetics Regulatory Authority" is proposed to be established by repealing the General cosmetics Act, 2023.

@@84. * Mr. Sher Afzal Khan:
Will the Minister for Energy (Petroleum Division) be pleased to state, with reference to un-starred Question No 1 replied on 11/5/26:

a) the details of the bidding of Oil & Gas Development Company Limited(OGDCL) works/ contracts awarded, the names and rates quoted by the firms participated in the bids; and

b) the rates of the contract awarded for firms of serials numbers 1-5, 9, 18-21, 56, 64-65, 68, 70, 72. 77, 84, 87 and 95?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) & (b) The details of the bidding of Oil & Gas Development Company Limited (OGDCL) works/contracts awarded, the names and rates quoted by the firms participated in the bids and rates of the contract awarded for firms of desired serial numbers is attached at **Annex-A.**

Click here for Annexure
(Annexure has been placed in the National Assembly Library.)

@Transferred from Planning & Development Special Initiative
@@Transferred from Power Division

85. * Ms. Ghazala Anjum:
Will the Minister for Communications be pleased to state the details of the amount sanctioned for repairing of Gharam Chasma road in District Chitral?

Minister for Communications (Mr. Abdul Aleem Khan): Chitral ~ Garam Chashma ~ Dorah Pass Road (N-145)

The route N-145 starts from km 0+000 Chitral City leading to Garam Chashma & terminates at Dora Pass km 82+500 has also been maintained by NHA. N-145 route leading from Chitral to Dora Pass has been federalized few years back (previously owned by C&W Deptt.) is extremely narrow road, mostly earthen track and extensively prone to landslides during every single rain.

The road section (N-145) will be maintained through 8x routine maintenance contracts from km 0+00 to 82+00 amounting to **Rs. 44.145 million** approximately.

Work for Improvement of existing road section from km 15+00 to 45+00 contract amounting to **Rs. 219 million** is in progress.

86. * Mr. Fateh Ullah Khan:
Will the Minister for Energy (Power Division) be pleased to state whether there is any plan to reduce unannounced load shedding in Dera Ismail Khan, particularly during the summer season when electricity demand increases significantly?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari): It is submitted that there is no unannounced load management in the area of Dera Ismail Khan and only scheduled load management is being carried out by PESCO throughout the Province (PESCO Jurisdiction), including D.I.Khan District according to the Aggregate Technical and Commercial (AT&C) loss of the as per the policy in vogue.

Furthermore, PESCO is continuously strengthening its distribution network through investment allowed by NEPRA in order to reduce the unannounced load shedding due to fault situation. However, in case of any fault or system constraints on the 11-kV Feeder(s), relief is being granted through scheduled load management as per the SoP of PESCO.

87. * Mr. Mohammad Saad Ullah:
Will the Minister for Energy (Petroleum Division) be pleased to state whether the Government is working on LNG supply or new Gas Schemes connections and to reduce gas load-shedding in the industrial cities, including the Faisalabad?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): Government is taking following measures in respect of new gas connections and load-shdedding through public sector gas utility companies i.e., SNGPL and SSGCL: -

- Incumbent Government in September 2025 approved relaxation of moratorium for provision of new domestic connections on RLNG. Accordingly, the new domestic connection applications are being processed. However, due to recent non-supply of RLNG due to force majeure declared by supplier, the processing of new RLNG domestic connections has been put on-hold temporarily. The process will be resumed upon normalization of RLNG supplies.
- The existing ban on the expansion of the network shall continue to remain in force until further orders.
- Gas supply to various sectors is being made from available local indigenous sources whereas procurement of LNG cargoes is ensured based on demand of power sector.
- Daily meetings to review demand-supply position are held by NCMC with participation of the relevant stakeholders.
- SNGPL is not carrying out load shedding in industrial sector including Faisalabad. Ample gas supply is available 24/7 for industrial sector.

88. * Ms. Natasha Daultana:
Will the Minister for Energy (Petroleum Division) be pleased to state:

a) Whether it is a fact that possession letters have been issued to allottees of Sector I-12, Islamabad, whereas no natural Gas distribution infrastructure has yet been developed in the aforesaid sector; if so, the reasons thereof;
b) whether there is any approved plan for provision of a natural gas supply network in Sector I-12; if so, the details thereof;
c) the present status of gas infrastructure development in the sector, including funds allocated, executing agency and physical progress achieved so far; and
d) the expected timeframe for completion of the gas distribution network and provision of gas connections to residents of Sector I-12, Islamabad?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) The matter of possession letters pertains to CDA / Ministry of Interior. It is a fact that gas network does not exist in Sector I-12, Islamabad.

(b) Capital Development Authority (CDA) in 2023 had requested to gasify Sector I-12, Islamabad. SNGPL designed RLNG external and internal network to be laid in Sector I-12 against 100% cost recovery. The cost offer letter was issued to CDA for deposit of 454.99 million in 2024, based on unit construction cost for fiscal year 2024-25, which has not been deposited by CDA till date.

(c) As per para. (b) above.

(d) SNGPL will arrange procurement of material and lay the gas network after receipt of 100% cost of network from CDA, based on applicable unit construction cost for the fiscal year. Upon receipt of request from CDA to revalidate the offer letter, revised cost of network based on current applicable unit cost, shall be provided. Thereafter, gas network and connections will be provided as per prevailing policy.

89. * Mr. Ali Muhammad:
Will the Minister for Science and Technology be please to state:

a) the number of Pakistani standards currently notified by the Pakistan Standards and Quality Control Authority (PSQCA), indicating how many are harmonized with international standards issued by International Organization for Standardization (ISO), International Electrotechnical Commission (IEC), Codex Alimentarius and other recognized bodies;
b) whether the Government has assessed the impact of non-harmonized standards, inadequate testing facilities and weak conformity assessment systems on Pakistan's exports, industrial competitiveness and consumer protection;
c) year-wise details the number of inspections conducted, factories penalized, products recalled and enforcement actions taken by PSQCA during the last five years;
d) whether the products tested domestically often require re-testing at overseas level and that regulatory enforcement remains weak; and
e) what reforms are being implemented to strengthen Pakistan's national quality infrastructure to achieve the international recognition of testing and certification services and reduce the need for re-testing of Pakistani products abroad?

Minister for Science and Technology (Mr. Khalid Hussain Magsi): (a) Pakistan Standards and Quality Control Authority (PSQCA) has established 6,094 Pakistan Standards alongwith adopted/harmonized international standards comprising below;

The total adopted standards from these listed international categories are 16,059. PSQCA undertakes standards development and adoption through 11 technical divisions and 177 Technical Committees, using consultation and consensus with stakeholders including consumers, manufacturers, government / regulatory bodies, technologists, scientists, testing laboratories and academia. For Food and Agriculture. (**Annexure-A**)

(b) The Government is cognizant that non-harmonized standards, inadequate testing capacity and weak conformity assessment systems can adversely affect exports, industrial competitiveness and consumer protection. Such gaps may lead to technical barriers to trade, re-testing abroad, delays in consignment clearance, additional compliance cost, reduced buyer confidence and increased risk of substandard / non-conforming products in the domestic market. PSQCA addresses these risks through development / adoption of standards, compulsory certification of notified products, conformity assessment schemes, QCC testing services, import/export inspections and participation in WTO-TBT related standardization matters.

(c) PSQCA regularly conducts market surveillance, factory inspections and enforcement activities under the PSQCA Act, 1996 and relevant Rules. Enforcement actions include inspections, seizure of nonconforming products, and suspension / cancellation of licences and initiation of legal proceedings where violations are established. Year-wise details of inspections, penalties, recalls and enforcement actions for the last five years are attached as **Annexure – B**.

(d) i. As a general principle, products tested by laboratories accredited to ISO/IEC 17025 are generally accepted worldwide, subject to the regulatory enforcement and applicable regulatory and conformity assessment requirements of the importing country.

ii. Every country has its own regulatory requirements and conformity assessment procedures governing the acceptance of imported products, and compliance with these requirements is mandatory for market access.

iii. With regard to regulatory enforcement, it is submitted that the regulations framed under Section 14 of the PSQCA Act, 1996 are equally applicable to both locally manufactured and imported products, and compliance with these regulations is strictly enforced through the PSQCA Conformity Assessment (CA) Rules.

(e) i. Pakistan's National Quality Infrastructure (NQI) operates under the Ministry of Science and Technology (MoST) and comprises the following four organizations:

- **Pakistan Standards and Quality Control Authority (PSQCA)** - Responsible for standardization and conformity assessment of locally manufactured and imported products.
- **Pakistan National Accreditation Council (PNAC)** - Responsible for the accreditation of testing and calibration laboratories in accordance with ISO/IEC 17025.
- **Pakistan Council of Scientific and Industrial Research (PCSIR)** - Responsible for research, development, testing, and analytical services for products and materials.
- **National Metrology Institute of Pakistan** (NMIP) - Responsible for calibration services and serving as the national custodian of national measurement standards and metrology in Pakistan.

ii. To enhance international recognition of Pakistan's quality infrastructure, strengthen testing and certification services, and minimize the need for re-testing, MoST has strengthened these organizations. In this regard, Pakistan National Accreditation Council (PNAC) has accredited both public and private testing laboratories, including the Pakistan Council of Scientific and Industrial Research (PCSIR), against ISO/IEC 17025, thereby facilitating international recognition and wider acceptance of their test reports.

iii. PSQCA is continuously developing and harmonizing Pakistan Standards with internationally recognized standards issued by organizations such as ISO, IEC, and OIMN, with the objective of promoting international acceptance and facilitating trade.

(Annexures have been placed in the National Assembly Library.)

90. * Dr. Shazia Sobia Aslam Soomro:

Will the Minister for Energy (Power Division) be pleased to state:

a) whether the Government maintains data regarding the total circular debt outstanding against each Distribution Company (DISCO) as on the latest available date;

b) the DISCO-wise position of circular debt along with a comparison with the corresponding figures of the previous Financial Year; and

c) the measures already adopted or proposed to reduce circular debt in the Distribution Companies?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) As Circular Debt Stock is a consolidated sector-level liability, the amount of circular debt as of June, 2026 is Rs. 1,675 billion.

(b) As explained above, circular debt is a consolidated sector level liability.

(c) In order to reduce accumulation of circular debt, following specific measures have been adopted:

- Implementation of the Circular Debt Management Plan (CDMP) to contain the accumulation of such receivables.
- Refinancing of high-cost debt with lower-cost financing under the Circular Debt Settlement Plan through a six-year financing arrangement to reduce financing costs and the stock of receivables from DISCOs.
- Strengthened monitoring of DISCO performance through strict loss, recovery, and efficiency targets with enhanced accountability.
- Timely release of Government subsidies to DISCOs.

91. * Ms. Samina Khalid Ghurki:

Will the Minister for Energy (Petroleum Division) be pleased to state:

a) how many Labors are expired and injured due to land sliding and other mishaps during the mining of exploring of different Oil, Gases, Coals and other precious stones during last three (03) years in all over the country;

b) the Province-wise details of above alongwith with the name of each company in which they were working for said period; and

c) details of financial package/help being granted to the said labours by the Government or the companies?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) The year-wise accidents and deaths in coal and other precious stone mines during the last three years as reported by the Provincial Mines and Mineral Departments is as under:

i. Punjab

Year	Total No. of Fatal Accidents	Total No. of Serious Accidents	Total No. of Fatalities	Total No. of Injuries
2023	21	6	22	7
2024	20	3	26	6
2025	14	5	15	7

ii. Khyber Pakhtunkhwa (KP):

Year	Total No. of Injuries	Total No. of Fatalities
2023-26	65	160

iii. Khyber Pakhtunkhwa (KP):

Year	Total No. of Injuries	Total No. of Fatalities
2023	**1**	**73**
2024	**0**	**64**
2025	**0**	**77**

iv. No accident reported in Gilgit Baltistan.

The response from Government of Sindh and AJK is not received.

(b) The details regarding the companies provided by the provinces are at **Annex-A** (Punjab), **Annex-B (**Khyber Pakhtunkhwa) and **Annex-C (**Balochistan).

(c) The financial package being provided to each affectee by the Inspectorate of Mines, Government of Punjab, or the concerned company is as follows:

- Death Compensation @Rs.500,000/-is paid by the employer.
- Deaths grant @ Rs. 800,000/- is paid by the Punjab Workers Welfare Fund/ Government.
- Funeral & Transportation charges of dead body @ Rs. 100,000/- is paid by the Government.

The Department of Mines Labour and Welfare, Government of Khyber Pakhtunkhwa, provides death compensation/grants ranging from **PKR 1,200,000 to PKR 1,500,000** to each affected family, while financial assistance for injuries ranges from **PKR 240,000 to PKR 800,000.**

The death and injuries grant/compensation provided by the Department of Inspectorate of Mine, Government of Balochistan, to the each affectee is as under:

Year	Amount distributed to mines workers
2023	18,050,000/-
2024	9,760,000/-
2025	2,700,000/-

(Annexures have been placed in the National Assembly Library.)

92. * Dr. Shazia Sobia Aslam Soomro:

Will the Minister for Energy (Petroleum Division) be pleased to state:

a) whether the Government has taken notice of the recurring LPG-related accidents across the country, including recent fatal incidents in Islamabad, Multan, Lahore, and Mardan;

b) what is the role of the Oil and Gas Regulatory Authority (OGRA) in regulating LPG safety standards;

c) the actions taken against violators during the last three years; and

d) whether the Government intends to introduce stricter regulations or amendments in the existing relevant laws to prevent LPG-related accidents and protect public safety?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) Yes. Oil and Gas Regulatory Authority (OGRA), takes serious notice of LPG-related accidents and adopts both preventive and enforcement measures to enhance public safety. OGRA regularly issues directives to LPG marketing companies and other licensees to ensure strict compliance with the prescribed safety standards, licence conditions, and applicable regulatory requirements that is also counter verified through 3rd party inspections as well as through inspections conducted by OGRA officers from time to time.

Despite the same, if any LPG-related incident is reported, OGRA initiates strict action under the applicable Rules against the licensees. For instance, in Multan LPG bowzer related

accident, the involved licensees were penalized by OGRA and compensation was also granted to all the victims of the accident. the matter is thoroughly investigated. Notwithstanding the same, Islamabad, Lahore and Mardan accidents were not associated to LPG.

(b) OGRA regulates and enforces LPG safety standards through a comprehensive licensing, inspection, and compliance framework in accordance with the applicable laws, rules, and licence conditions. Regular inspections are carried out at licensed LPG facilities, including LPG terminals, storage and filling plants, auto refueling stations, and authorized distributors, to ensure compliance with prescribed safety requirements.

(c) During last three years, number of illegal LPG equipment manufacturers have been sealed by OGRA with the help of provincial governments. Similarly, registration of one LPG equipment manufacturer has also been cancelled on account of misconduct and non-compliance with prescribed standards. In addition, multiple LPG storage and filling plants, auto refueling stations and equipment manufacturers have also been penalized by OGRA under the applicable Rules. ***(Details are annexed as Annex-I)***

(d) Yes. Existing provisions in PPC (section 285 & 286) do not adequately address the gravity of violations and its associated repercussions. To enhance deterrence and to maintain writ of the regulator, OGRA has proposed amendments in PPC ***(Details are annexed as Annex-II)*** and requested the Federal Government to make oil and gas business by unscrupulous persons a non bailable offence. Subsequently, punishments have also been enhanced so that illegitimate persons do not indulge in this business. The said amendment bill is presently under process at Ministry of Interior that needs expedition for approval.

(Annexures have been placed in the National Assembly Library.)

93. * Ms. Ghazala Anjum:

Will the Minister for Communications be pleased to state:

a) whether the Chitrali Shandir road has been approved for construction;

b) year of sanction, total amount sanctioned and released so far, percentage of work completed of said road; and

c) what are the reasons for delayed work and expected date of completion?

Minister for Communications (Mr. Abdul Aleem Khan): (a) Yes. The Improvement & Widening of Chitral–Booni–Mastuj–Shandur Road (N-140) having a total length of **153 km** has been approved for construction under the Public Sector Development Programme (PSDP).

The project is divided into four contract packages and is under implementation by the National Highway Authority (NHA).

(b) The project was approved in **2020** after transfer of the road from the Government of Khyber Pakhtunkhwa to NHA. The **Revised PC-I cost is Rs. 17.783 Billion.** Against the approved cost, funds to the tone **8.2 Billion** have been released till date. The PSDP allocation for FY 2025-26 was **Rs. 1.500 Billion**. The overall physical progress of the project is approximately **37.7%**.

- Package-wise progress is as follows:
- Package-I (Chitral–Prait): **45.35%**
- Package-II (Prait–Booni): **34.40%**
- Package-III (Booni–Shaidas): **38.16%**
- Package-IV (Shaidas–Shandur): **29.78%**

(c) The project has experienced delays primarily due to extraordinary floods during 2022, difficult mountainous terrain, funding constraints, and delays in obtaining approvals relating to Mines & Minerals and other statutory clearances. However, the contractual issues with the

contractors have been amicably resolved, Extension of Time (EOT) has been approved by the competent authority, contractors have been fully remobilized, and construction activities are in progress. Subject to timely availability of PSDP funds and resolution of the remaining land acquisition issues, the project is targeted for completion by **December, 2026**.

94. * Mr. Sohail Sultan:

Will the Minister for Energy (Power Division) be pleased to state:

a) time by which Kala Kalai (Grid Station) Swat would be completed; and

b) the reasons for delayed construction of Kala Kalai (Grid Station) in Swat?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) It is intimated that the civil works for the Control House Building and Switchyard of the said Grid Station have been completed, and installation of electrical equipment is in progress.

The project is expected to be completed by September 2026, subject to clearance of Right of Way (RoW) on the feeding source. With regards to the associated transmission line, foundations for 51 out of 55 towers have been completed (93%), while erection of 40 towers has been completed so far. The remaining works are in progress and are being pursued on priority for early completion.

(b) The construction of Kala Kalai Grid Station in Swat has been delayed primarily due to Right of Way (RoW) issues at transmission line tower locations 38, 39, 51 and 52 arising from disputes with local landowners. These constraints have impeded access to the site and execution of the remaining works.

However, the local administration has been engaged, and efforts are underway to resolve the issues amicably to enable completion of the project at the earliest.

95. * Mr. Sanjay Perwani:

Will the Minister for Energy (Power Division) be pleased to state:

a) the total transmission and distribution losses recorded by each DISCO during the last years; and

b) the steps being taken by the Government to reduce the said losses?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

DISCOs	FY 2023-24		FY 2024-25		FY 2025-26	
	%	Bln. Rs	%	Bln. Rs	%	Bln. Rs
IESCO	8.9%	6	8.6%	5	7.9%	2
LESCO	15.9%	48	13.7%	35	12.2%	26
GEPCO	11.5%	9	10.6%	5	10.0%	6
FESCO	9.9%	5	9.0%	3	8.0%	1
MEPCO	15.3%	23	13.8%	14	12.4%	6
PESCO	38.1%	97	37.1%	87	40.7%	85
HESCO	27.6%	23	27.9%	27	25.7%	20
QESCO	29.8%	37	38.4%	52	60.2%	82
SEPCO	34.9%	29	39.2%	36	38.5%	34
TESCO	8.6%	-0.2	8.3%	-0.5	8.1%	-0.5
HAZECO	N/A				15.9%	0
Total	18.3%	276	17.6%	265	17.2%	262

Note: 1. HAZECO was unbundled from PESCO in FY 2025-26.

2. TESCO's actual distribution losses remained below the limits allowed by NEPRA during the relevant years. As a result, the company achieved savings.

(b) The following measures are being taken in DISCOs to reduce losses:

- Construction of new grids and up-gradation of existing grid stations.
- Area planning/ bifurcation of existing overloaded 11 kV feeders.
- Augmentation/addition of power/distribution transformers. Installation of Aerial

Bundled Cable to control theft.

- Replacement of undersized conductors.
- Installation and replacement of defective capacitors.
- Replacement of old/sluggish and defective meters.
- Installation of Automated Meter Reading(AMR)/Advanced Metering Infrastructure (AMI) meters.
- Anti-theft campaign to reduce administrative losses

96. * Dr. Mahreen Razzaq Bhutto:

Will the Minister for Energy (Power Division) be pleased to state:

a) how much capacity payment is being paid annually to Independent Power Producers (IPPs) during the last five years; and

b) details of savings have been made through renegotiated agreements?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) Capacity payments made to Power Producers during last five years are attached (**Annex-I).**

(b) Pursuant to the efforts of Task Force, Power Purchase Agreements with 06 IPPs were terminated whereas revisions were made in agreements for tariff reduction with other Power Producers which resulted in overall savings of Rs. 4.3 trillion spread over the remaining life of plants.

Annex-I

Capacity Payment to Power Producers during last five years

Financial Year	Payment Made (Rs in Million)
FY 2020-21	613,923.56
FY 2021-22	775,892.58
FY 2022-23	1,306,858.57
FY 2023-24	1,901,944.11
FY 2024-25	1,807,398.41

97. * Ms. Samina Khalid Ghurki:

Will the Minister for Foreign Affairs be pleased to state:

a) the present status of bilateral relations with Maldives, Nigeria, Egypt and Iran; and

b) the steps being taken by the Government to ensure the enhancement of diplomatic relations to these countries?

Minister for Foreign Affairs (Senator Mohammad Ishaq Dar): (a) & (b)

Maldives

i. The list of Major International agreements Treaties and Conventions to which Pakistan is a party and that fall primarily under the responsibility of the Ministry including bilateral, regional and multilateral instruments on peace, security, trade relations, human rights refugees and global governance.

ii. For each such treaty or agreement, the date of signature and date of ratification, and the key obligations or commitments are mentioned in the **ENCLOSURE-A.**

Nigeria

Pakistan and Nigeria established diplomatic relations on 22 March, 1961 and enjoy cordial and friendly bilateral relations. The two countries maintain regular engagement and cooperate in bilateral as well as multilateral forums. While defence cooperation remains a strong pillar of the relationship, efforts are underway to further strengthen political, economic and trade relations. The Second Pakistan Africa Trade Development Conference was held on 23rd November 2021 in Lagos, Nigeria. Approximately 400 delegates attended the Conference. Single Country Exhibition was also held on 24th and 25th November 2021 in which around 210 Pakistani exhibitors from 101 companies participated.

The existing institutional framework includes the Pakistan-Nigeria Joint Ministerial Commission, whose second session was held in Abuja in 2014. The third session is proposed to be held on mutually convenient dates. An MoU on bilateral Political Consultations is also under consideration with the Nigerian side.

Under Pakistan's **Engage Africa** initiative, bilateral trade and commercial cooperation have gained momentum. The Second Pakistan-Africa Trade Development Conference and Single Country Exhibition held in Lagos in November 2021 provided a significant boost to business-to-business engagement. Pakistan has also shared the draft Bilateral Trade Agreement with Nigeria, and the final response from the Nigerian side is awaited.

Defence cooperation between the two countries is robust and continues to expand. Nigeria has procured JF-17 Thunder fighter aircraft and Super Mushak trainer aircraft from Pakistan. More than 5,000 Nigerian defence personnel have received training in Pakistan, including approximately 400 personnel in counter-terrorism training. High-level defence exchanges have also taken place regularly.

Pakistan also extends educational cooperation by offering scholarships and technical training opportunities to Nigerian students under the Pakistan Technical Assistance Programme (PTAP).

Overall, Pakistan attaches great importance to its relations with Nigeria and remains committed to further strengthening bilateral cooperation in the political, economic, defence, educational and people-to-people spheres for the mutual benefit of both countries.

Egypt

Present Status of Bilateral Relations with Egypt

Pakistan and Egypt enjoy longstanding, cordial, and brotherly relations founded on shared faith, historical ties, and common positions on regional and international issues. Diplomatic relations, established in 1948, have gained renewed momentum in recent years through regular high-level engagements and enhanced cooperation across multiple sectors.

Political relations remain strong, with frequent interactions between the leadership. The Prime Minister of Pakistan visited Egypt in October, 2025 and December, 2024 to participate in 'Sharm-El Sheikh Peace Summit' and D-8 Summit, respectively, while the Egyptian Foreign Minister visited Pakistan twice in November, 2025 and March, 2026. Similarly, the Deputy Prime Minister/Foreign Minister of Pakistan visited Egypt in June, 2026, reflecting the commitment of both sides to deepen bilateral cooperation.

Foreign Ministers of two countries remain in regular contact to discuss matters of mutual interest including situation in the region.

Ministerial-level exchanges also continue to reinforce bilateral engagement between the two countries. Sardar Muhammad Yousaf, Minister for Religious Affairs, visited Egypt in January, 2026 for the 36th International Conference of the Supreme Council of Islamic Affairs. Earlier, Chaudhry Salik Hussain, Minister for Overseas Pakistanis and Human Resource Development, visited Egypt in November, 2025 to attend the opening ceremony of the Grand Egyptian Museum.

Defence cooperation continue to deepen through sustained high-level exchanges and institutional engagements. Field Marshal Syed Asim Munir visited Egypt in October, 2025 for meetings with the Egyptian leadership and senior military officials. The 15th session of the Pakistan-Egypt Military Cooperation Committee was also held in Egypt in January, 2026, underscoring the growing momentum in bilateral defence collaboration.

Economic cooperation is improving, although it remains below its potential. Bilateral trade stood at US$211.9 million in FY 2024–25, with both governments working to enhance trade, investment, and business-to-business linkages.

Cooperation has also strengthened in the fields of health, education, and culture. Egypt has extended valuable assistance to Pakistan's Hepatitis C elimination programme by providing medicines and technical support, while educational cooperation continues through Al-Azhar University and other academic initiatives.

Both countries maintain close coordination at regional and international forums, including the United Nations (UN), Organization of Islamic Cooperation (OIC), D-8, G-77 and the recently established R-4 Mechanism.

Overall, Pakistan-Egypt relations are on a positive trajectory, characterized by growing political trust, expanding defence collaboration, increasing economic engagement, and close coordination on regional and global issues.

Steps Taken by the Government to Enhance Diplomatic Relations with Egypt

The Government of Pakistan has undertaken several measures to further strengthen diplomatic relations with Egypt through sustained political engagement, institutional cooperation, and sectoral collaboration.

Regular high-level exchanges and interactions have remained a key feature of bilateral diplomacy and this has provided renewed impetus to cooperation across a wide range of bilateral, regional, and international issues.

The institutional dialogue between the two countries continues through the Annual Bilateral Consultations (ABC), with the 10th Round of ABC held on 21st July, 2026, providing another important platform to review bilateral cooperation and identify new avenues for collaboration.

The two governments have also agreed on a comprehensive roadmap to expand economic relations, focusing on facilitating business visas, activating the Joint Business Council, convening the 4th Joint Ministerial Commission (JMC), and promoting trade and investment.

Defence cooperation has been enhanced through regular meetings of the Military Cooperation Committee, defence and security staff talks, joint military exercises, defence exhibitions, and collaboration in defence production and training.

The Government has also promoted cooperation in health by partnering with Egypt on Pakistan's Hepatitis C elimination programme, including the receipt of medicines, technical assistance, and training opportunities.

Educational and cultural cooperation is being strengthened through collaboration with Al-Azhar University, efforts to re-establish Pakistan Chairs in Egyptian universities, and proposals for greater academic and cultural exchanges.

Pakistan is also pursuing greater connectivity and investment cooperation, including discussions on collaboration between Gwadar Port and the Suez Canal Economic Zone.

These initiatives demonstrate the Government's commitment to further strengthening the Pakistan-Egypt partnership and expanding cooperation across political, economic, defence, educational, health, and multilateral domains.

Iran

The present bilateral relations with Iran.

Answer: Pakistan and Iran are neighboring countries bound by longstanding political relations rooted in deep historical, religious, and cultural affinities, sharing a 909-kilometer common border. Iran was the first country to recognize Pakistan after its independence in 1947, and since then, both nations have maintained regular diplomatic engagement.

While there have been difficult phases in the relationship, particularly in January, 2024 when Iran conducted missile strikes in Balochistan and Pakistan responded through precision strikes, the relationship has remarkably improved in the last two years, with Pakistan’s strong diplomatic and political support for Iran both in the 12-day war in June, 2025 and Iran’s recent conflict with the U.S.-Israel. Iran also gave strong support to Pakistan during its May, 2025 conflict with India. As of today, Pakistan-Iran bilateral relations are at a historic strength with recent mediation efforts of Pakistan and a strong personal rapport between the leaders on both sides.

Over the decades, political ties have been strengthened through high-level visits, cooperation at multilateral and regional forums, and mutual support on key international issues. Both countries have consistently reaffirmed their commitment to deepening bilateral relations through sustained dialogue, border security coordination, and collaboration on shared regional interests.

The relationship is sustained by frequent leadership-level interactions and robust institutional frameworks. Most notably, the visit of Iranian President Dr. Masoud Pezeshkian on 23rd June, 2026 to express appreciation for Pakistan's mediation efforts, which culminated in the signing of the Islamabad MoU, marks a watershed moment in bilateral relations. The visit has injected fresh impetus into cooperation across the entire spectrum of ties. This followed his earlier visit to Pakistan in August, 2025.

In turn, the Prime Minister of Pakistan, accompanied by a delegation, visited Iran on 3 July, 2026 to attend the funeral ceremony of the late Supreme Leader, Ayatollah Seyyed Ali Khamenei. Earlier, on 26th May, 2025, the Prime Minister, visited Iran to thank its leadership for their support during the war against India. Building on President Pezeshkian's June, 2026 visit, there is renewed momentum in bilateral exchanges, evidenced by a series of ministerial visits—including visit of Interior Minister of Iran, Minister of Science, Research and Technology, and currently, the Minister of Trade, Industries and Mining is also visiting Pakistan for the 10th Joint Trade Committee meeting.

Bilateral trade and strong people-to-people contacts form a vital component of this relationship. While international sanctions have prevented trade from reaching its true potential, renewed efforts are underway to enhance trade volume towards the bilateral target of USD 10 billion per annum, with a particular focus on agricultural products.

Furthermore, in order to increase cooperation with Iran across various domains, the Prime Minister has constituted two high-level working groups (WG); one in Trade, Banking and Finance and the other in Port, Shipping and Allied Issues. All the departments are on board in resolving cooperation with Iran across the entire spectrum of bilateral relations. Consultations are underway to hold bilateral meetings of these working groups with the aim of enhancing trade and economic relations.

Parliamentary cooperation serves as another key pillar, with regular engagement maintained over the years. A Pakistan-Iran Parliamentary Friendship Group exists in both the National Assembly and the Senate of Pakistan, with a corresponding group in Iran's Islamic Consultative Assembly.

On the security front, Pakistan and Iran cooperate closely on border security, counter-terrorism, and intelligence sharing, conducting coordinated operations to combat cross-border terrorism, militancy, smuggling, and other transnational threats along their shared frontier. This operational partnership is complemented by professional military exchanges, with officers from both countries regularly attending courses at each other's staff colleges.

In conclusion, the Pakistan-Iran relationship has entered a new and promising phase, characterized by deepening political trust, expanding economic engagement, robust parliamentary linkages, and strong security cooperation. Building on the historic bonds of geography and culture, both nations are now translating their shared vision into concrete outcomes, paving the way for a more prosperous and secure common future.

Pakistan and Iran share a deep-rooted relationship anchored in historical, religious, and cultural affinities. In recent years, the Government of Pakistan has taken a series of proactive and concrete steps to elevate this partnership, particularly by extending steadfast diplomatic support to Iran and offering its good offices for high-stake mediation between Iran and Pakistan.

During the **Iran-Israel conflict in June, 2025**, Pakistan extended strong diplomatic and political support to Iran. Pakistan strongly condemned the unjustified Israeli aggression and reaffirmed full support for Iran's sovereignty and right to self-defense under Article 51 of UN Charter. This stance was articulated across multiple international forums: Pakistan condemned the attacks on facilities under IAEA safeguards at three UNSC emergency meetings and a UN resolution, backed Iran at the IAEA, and at the 51st OIC Council of Foreign Ministers. Furthermore, Pakistan played a key role in the issuance of a joint statement by 21 Arab and African countries, amplifying the call for accountability and restraint.

Click here for Annexure
(Annexures have been placed in the National Assembly Library.)

Pakistan maintained this trajectory of unwavering solidarity when **protests erupted in Iran from late December, 2025 to mid-January 2026;** Pakistan followed the evolving situation with deep concern and assured the Iranian leadership of its complete solidarity with the Government and people of Iran. At the emergency meeting of the UNSC, Pakistan's PR conveyed our serious concerns over the evolving situation and underscored that all disputes must be resolved through peaceful means and in accordance with international law. Pakistan in its engagements with other states particularly the regional countries, emphasized de-escalation and resolution of issues through dialogue and diplomacy.

Pakistan also demonstrated consistent diplomatic, political, and moral support to Iran during the escalating **Iran–Israel–U.S. conflict in 2026**. Following the joint U.S.–Israel military strikes on 28th February 2026, Pakistan's Foreign Office issued a statement the same day expressing deep concern over the breakdown of Iran–U.S. negotiations. At the UN Security Council emergency meeting held on 28th February, 2026 under the agenda "The Situation in the Middle East," Pakistan's Permanent Representative reiterated this position and condemned the aggression against Iran as well as attacks impacting Gulf countries.

Pakistan's diplomatic outreach intensified through active phone diplomacy and consultative meetings with key partners including China, Saudi Arabia, Türkiye, and Qatar. The DPM/FM maintained regular engagement through the Regional Four (R-4) format with the Foreign Ministers of Saudi Arabia, Türkiye, and Egypt. In line with these efforts, Islamabad hosted a meeting of Foreign Ministers of the R-4 on 29-30 March 2026, promoting coordinated regional diplomacy to halt the conflict.

During the DPM/FM's visit to China, on 31st March 2026, Pakistan and China jointly launched the "Five-Point Initiative for Restoring Peace and Stability in the Gulf and Middle East Region," calling for an immediate cessation of hostilities, resumption of dialogue, and protection of civilian lives and shipping lanes.

Pakistan's diplomatic efforts have been underpinned by a principled approach at multilateral bodies. On 7th April, 2026, Pakistan abstained on a UNSC resolution demanding that Iran cease attacks on commercial ships and restore full freedom of navigation. The Resolution was vetoed by permanent members China and Russia. Over the years, Pakistan has consistently opposed the imposition of UN Human Rights Council monitoring mandates without Iran's consent, maintaining that human rights must not be used as a pretext to intervene in Iran's internal affairs. Pakistan has also repeatedly highlighted the adverse humanitarian and human rights impacts of unilateral coercive measures on Iran.

Islamabad Talks

On top of the deep Pakistan-Iran engagement and political support for Iran, Pakistan played the pivotal role of a sincere and honest mediator between Iran and the U.S during the ongoing conflict. On 11-12th April, 2026, Pakistan hosted the Iranian and U.S. delegations led by Speaker Dr. Mohammad Bagher Ghalibaf, and Vice President J.D. Vance, respectively, for the Islamabad Talks, enabling the first direct high-level contact between Iran and the U.S. in 47 years.

This breakthrough initiated a sustained process, marked by back to back visits including that of Foreign Minister Seyed Abbas Araghchi to Islamabad and those of Interior Minister Mohsin Naqvi and COAS and CDF Field Marshal Syed Asim Munir to Iran. These intensive efforts culminated in the "Islamabad Memorandum of Understanding" between Iran and the U.S. on 18th June, 2026. Prime Minister Shehbaz Sharif, signed the MoU as a mediator. Pakistan then hosed the High-Level Talks in Burgenstock, Switzerland, on 21st June, 2026, alongside Qatar.

Pakistan continues to engage both parties for a durable peace and long-term settlement of all outstanding issues through dialogue and diplomacy. Through Pakistan's ongoing diplomatic efforts, it has not only reaffirmed its unwavering solidarity with Iran but has also established itself as a critical architect of peace and stability in the region. This renewed chapter in Pakistan-Iran relations now rests on a foundation of trust, elevated political engagement, and a shared commitment to for a peaceful, stable and prosperous region.

98. Disallowed on reconsiderations

99. * Syeda Shehla Raza:

Will the Minister for Communications be pleased to state:

a) the details of toll tax revenue collected by the National Highway Authority during the last two years; and

b) whether there is a mechanism to ensure transparency and accountability in said toll tax revenue collection?

Minister for Communications (Mr. Abdul Aleem Khan): (a) Toll revenue collected by NHA during FY 2024-2025 & FY 2025-2026 is as under:

S#	Financial Year	Toll Revenue Rs. In billion
1	FY 2024-2025	64.430
2	FY 2025-2026	85.550

(b) Following mechanism is adopted to ensure transparency in the toll revenue collection process:

- As third party validator, NTRC Conducts traffic count as the basis for determining the reserve price of each toll plaza for procurement through e-bidding/open auction.
- The auction is duly advertised through newspapers and the NHA website to ensure wide participation and transparency.
- Interested participants submit bids through an open auction, the highest bidder is declared successful, and an O&M Contract is executed for the relevant financial year.
- For maximum revenue generation, the toll plazas are offered through e-bidding or open auction in accordance with the applicable provisions of PPRA Rules.
- The Operator, as per contract awarded on a Net Guaranteed Revenue basis, is required to furnish toll revenue security equivalent to one month's Net Guaranteed Revenue instalment and deposit the first monthly instalment in advance.
- In case of overcharging by the operator, a penalty of Rs. 500,000/- per occurrence is imposed under the provisions of contract agreement.

Toll rates are prominently displayed at each toll plaza site, the operator is required to issue toll tax slips to the commuters, for each specific category of vehicles.

100. * Mr. Dawar Khan Kundi:

Will the Minister for Energy (Power Division) be pleased to state whether any subsidy or special relief package is under consideration of the Federal Government to provide the relief to the public in the prices of electricity products ?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari): A 3-year incremental electricity consumption relief package is already in place for industry and agriculture consumers since Dec-2025, under which eligible incremental electricity consumption will be billed at concessional rate of PKR. 22.98/unit.

101. * Mr. Sajid Khan:

Will the Minister for Energy (Power Division) be pleased to state:

a) whether it is a fact that the Khwazai-Banzani Grid Station in District Mohmand, has been completed but the required funds for the installation of its feeder lines have not yet been released;

b) if so; the total funds required for the feeder line;

c) the reasons for the non-release of the said funds; and

d) the time by which Government will release the funds to make this grid station fully operational, along with the expected date of its completion?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) Yes, it is a fact that the scheme "Construction of 132 kV Grid Station Khwazai – Banzani, Mohmand District" has been completed and energized on 02.02.2023 under Annual Development Plan # 646 (2018-19), amounting to Rs. 845.184 million, financed by the KP Government. From these funds only Rs. 34.121 million are approved (in the PC-I) for the 11 kV feeder line and only 01 feeder has been completed so far. The remaining feeders could not be completed due to shortage of funds.

(b) Approximately Rs. 250.00 million is required for completion of the remaining works.

(c) As the scheme is financed by the KP Government, the remaining works will be completed once the required funds are approved and released.

(d) The completion of all feeders of said grid station is subject to release of the required funds.

102. * Ms. Tahira Aurangzeb:

Will the Minister for Energy (Power Division) be pleased to state:

a) Whether it is a fact that possession letters have already been issued to allottees of Sector I-12, Islamabad, whereas no electricity distribution infrastructure has yet been provided in the afore said sector; if so, the reasons thereof;

b) whether there is any approved plan for provision of an underground electricity distribution network in Sector I-12; if so, the details thereof;

c) the current status of electricity infrastructure development in the sector, including allocation of funds, executing agency, and physical progress made so far; and

d) the expected timeline for completion of the electricity infrastructure and provision of electricity connections to residents of Sector I-12?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) IESCO approved the external electrification scheme for CDA Sector I-12 vide Letter No. 10383-89 dated 27.06.2025. The approved ultimate system load is 59.582 MW, to be supplied through 25 No. 11 kV feeders emanating from the 132 kV I-11 Grid Station.

Subsequently, IESCO issued Demand Notice No. 10390-97 dated 27.06.2025 **(Annex-A)** for the deposit of capital cost amounting to Rs. 1,857 million, design vetting fee of Rs. 25.5 million, and railway crossing charges of Rs. 800 million.

However, the required amount has not been deposited by the Capital Development Authority (CDA).

(b) The external electrification of Sector I-12 has been approved through an overhead electrical distribution system, as requested by the Capital Development Authority (CDA), based on the electrification design submitted by its consultant. Likewise, internal electrification can be

approved by IESCO once CDA submits electrification design and fulfills all other codal formalities.

(c) The electricity infrastructure development works will be undertaken by IESCO upon receipt of payment against the demand notice from the Capital Development Authority (CDA).

(d) Upon payment of the demand notice by the Capital Development Authority (CDA), the external electrification works can be completed within six (06) months, subject to the availability of the required right-of-way and the issuance of the requisite No Objection Certificate (NOC) by Pakistan Railways.

(Annexure has been placed in the National Assembly Library.)

103. * Ms. Shahida Begum:

Will the Minister for Foreign Affairs be pleased to state:

a) the details of all Pakistani embassies, high commissions, permanent missions, consulates-general and consulates operating worldwide, indicating their locations and jurisdictions;

b) the names, grades and dates of posting of ambassadors, high commissioners, permanent representatives and heads of mission currently serving at each mission;

c) the diplomatic missions where the posts of ambassador, high commissioner, permanent representative or head of mission arc presently vacant, together with the duration and reasons for such vacancies; and

d) the criteria and procedure adopted for appointment of heads of mission and the steps being taken by the Government to fill vacant positions and strengthen Pakistan's diplomatic representation abroad?

Minister for Foreign Affairs (Senator Mohammad Ishaq Dar): (a) The details of all Pakistani Embassies, High Commissions, permanent missions, Consulates General and Consulates operating worldwide, indicating their locations and jurisdictions; The details are at **Annex-A.**

(b) The names, grades and dates of posting of Ambassadors, High Commissioners, Permanent Representatives or Head of Missions currently serving at each mission. The details are at **Annex-B.**

(c) The diplomatic missions where the posts of Ambassadors, High Commissioners, permanent Representatives or Head of Missions are presently vacant, together with the duration and reasons for such vacancies **Annex-C.**

(d) The criteria and procedure adopted for appointment of Heads of Missions and the steps being taken by the Government to fill vacant positions and strengthen Pakistan’s diplomatic representation abroad?

The Ambassadors/High Commissioners, including non-career, are posted to different Missions with the approval of the Prime Minister. The Ambassadors/High Commissioners-designate proceed to their station of posting only after Agreement from the host government is received.

Click here for Annexure
(Annexures have been placed in the National Assembly Library.)

104. * Ms. Natasha Daultana:

Will the Minister for Energy (Power Division) be pleased to state:

a) the total number of officers and officials presently serving in Gujar Khan under Islamabad Electric Supply Company (IESCO), including the staff posted in Subdivision Gulyana, along with their names, designations, BPS, dates of posting, and total duration of their service's at the present place of posting;

b) whether any policy/rules exist regarding transfer and posting tenure of IESCO officers and officials;

c) the prescribed minimum and maximum tenure for officers/officials to remain posted at the same station, subdivision, or office under the existing policy;

d) the number of officers/officials presently serving in Gujar Khan and Subdivision Gulyana who have remained posted at the same place for more than: 03 years, 05 years and 10 years;

e) whether any exemptions or special permissions have been granted to officers/officials for extended postings in Gujar Khan or Subdivision Gulyana; if so, the details thereof; and

f) whether the Government intends to ensure transparent and merit-based implementation of transfer/posting policies in IESCO, particularly in Gujar Khan and Subdivision Gulyana; if so, the details thereof?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) (i) Following No. of employees are working in Gujar Khan Division against 456 Sanctioned Strength: -

- Officers : 04
- Officials : 244
- Total : 248

(ii) Against 85 sanctioned positions, only 53 employees are currently working in Gulyana Sub Division, resulting in 32 vacant posts. The detailed particulars of the staff presently posted in Gulyana Sub Division, including their names, designations, BPS, dates of posting, and length of service, are attached at **Annex-A .**

(b) As per the IESCO transfer Policy, transfers and postings are affected primarily to meet the operational requirements of the Company in its field formations and offices. Such transfers/postings are made with the consent of, or upon the request of, the concerned Head of Formation, keeping in view the functional needs and administrative exigencies.

(c) As per the IESCO Transfer Policy, the preferable minimum tenure of an employee at a station is two (02) years, except in cases involving promotion or administrative exigencies. The policy does not prescribe any maximum tenure for posting at a particular station.

It is further submitted that IESCO is currently facing an overall manpower shortage of approximately 47% across almost all cadres and formations. Under these circumstances, every effort is made to maintain the minimum required manpower at each station to ensure uninterrupted operations. Furthermore, employees having knowledge of local conditions, operational issues, and the historical background of the area are, where appropriate, retained to ensure continuity, operational efficiency, and effective service delivery.

(d) Abstract of Officers /officials presently serving beyond prescribed tenure is as under:

- More than 03 Years = 11
- More than 05 Years = 13
- More than 10 Years = 12

(e) No blanket exemptions from the IESCO Transfer Policy have been granted to any employee. Postings and transfers are made strictly in accordance with the operational requirements of the Company, administrative considerations, and the availability of vacancies, with the consent of, or upon the request of, the concerned Head of Formation.

(f) IESCO ensures that all postings and transfers are carried out in a transparent manner, strictly on merit, and in accordance with the operational requirements of the Company, administrative considerations, and the availability of vacancies.

However, in view of the acute manpower shortage, staff awareness of local issues and technical knowledge is also considered to maintain operational efficiency.

Click here for Annexure

(Annexure has been placed in the National Assembly Library.)

105. * Mr. Muhammad Bashir Khan:

Will the Minister for Energy (Power Division) be pleased to state:

a) whether it is a fact that an amount of Rs. 3,400 billion has been paid to the Independent Power Producers (IPPs) up to the present data;

b) if so, quantum of megawatts (MW) of electricity that has been provided by IPPs to the National Grid System so far;

c) whether it is fact that the agreements with the IPPs will remain operational/effective till ten years; and

d) whether it is a fact that the country is facing a severe shortage of electricity and the solar/renewable energy initiatives are being discouraged, if so, the reasons thereof?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) No. During FY 2025-26 (Jul-25 to May-26), an amount of Rs. **2,939 billion** was booked against power procurement from generators. The billing for June, 2026 is under process and yet has not been finalized.

(b) During FY 2025-26 (Jul-25 to May-26), 115,206 GWh were provided to the Grid by the power producers.

(c) No.

(d) No. The country is neither facing a shortage of electricity, nor discouraging solar/renewable energy initiative. The future power procurement is to be made through integrated planning approach whereby renewable energy projects would be catered for as per the Integrated System Plan.

106. * Mr. Sher Afzal Khan:

Will the Minister for Energy (Power Division) be pleased to state:

a) the details of the number of IPPs, their actual productions, it's value/ cost, payments by the Government of it's actual productions or more/ on their capacity; and

b) the reasons for more payments than the actual productions during the last five (05) years, year-wise?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) The details of power producers are attached at **Annex-C2**. Actual production and power procurement for FY 2025-26 (Jul-25 to May-26) amounting to **Rs. 2,935.762** billion is attached at **Annex-C1.** The billing for June, 2026 is in process and yet has not been finalized.

(b) Power Producers are paid for Energy and Capacity payments as per tariff determined by NEPRA and in compliance to terms and conditions of their respective Power Purchase Agreements (PPAs). Therefore, there is no excess payment to the power generator in addition to tariff determined by NEPRA or payments allowed under their respective PPAs.

Click here for Annexure
(Annexures have been placed in the National Assembly Library.)

107. * Mr. Muhammad Aslam Ghumman:

Will the Minister for Communications be pleased to state:

a) whether it is a fact that the Sialkot-Kharian Motorway project was scheduled for completion in 2023, and if so;

b) what are the reasons for the continued delay and why the allocated funds for the project were withheld or suspended;

c) whether the Government has taken notice of the concerns regarding changes being made to the project's alignment, allegedly to serve personal interests, resulting in a zigzag route design that may increase the risk of traffic accidents;

d) whether it is also a fact that the revised alignment may pose serious risks to the Sambrial Sialkot Airport; and

e) whether these alterations were made after due consultation with the relevant technical authorities and in the larger public interest and if so, the details thereof?

Minister for Communications (Mr. Abdul Aleem Khan): (a) Sialkot (Sambrial) - Kharian Motorway was not scheduled for completion in 2023, infact; it was originally planned for completion within 02 years i.e: 2024.

(b) The project was delayed because of following factors:-

i) Realignment due to hydraulic model study of proposed Motorway bridge over Chenab River.
ii) Hyperinflation in the Country.
iii) Conversion of Motorway from 4 to 6 lanes.

Above factors resulted into re-negotiation of PPP Agreement and delay in the execution of the Project. Accordingly, construction activities were halted and allocated funds for the project were withheld.

(c) No alteration has been made to serve any personal interest. All alignment options have been developed strictly in accordance with international Engineering standards and were evaluated on the basis of technical, economic, environmental, and social considerations. The alignment satisfies AASHTO Standards and doesn't pose any safety risk.

(d) The proposed alignment has been examined carefully by concessionaire M/s SKIM (PVT) and design consultant to ensure that it maintains a safe distance from the airport and does not adversely affect its operations or safety.

(e) As reported by the Concessionaire M/s SKIM (Pvt) Ltd, multiple alignment options were prepared by design consultant M/s Zeeruk (Pvt) Ltd and were evaluated by the Independent Engineer appointed for the project, and the final alignment was approved by CDWP in its meeting held on 05-05-2023. The alignment selection process was based on detailed engineering studies, including geometric design, hydrological and geotechnical investigations, and environmental assessments, with the objective of serving the larger public interest.

108. * Dr. Sharmila Faruqui:

Will the Minister for Communications be pleased to state:

a) why the Lahore-Bahawalnagar Motorway project cost has ballooned by over 75 percent from Rs. 264 billion to Rs. 465 billion during the last two years;

b) whether the Planning Ministry has observed that this road project could "Jeopardise the viability, need and up-gradation" of the CPEC Mainline-I (ML-I) project; and

c) whether the National Fiscal Pact explicitly bars federal financing of provincial projects, yet the Central Development Working Party (CDWP) has granted only in-principle approval for the 18.5-kilometre Lahore Ring Road section of the Lahore-Bahawalnagar Motorway, whether the direction have been issued to conduct comprehensive feasibility studies for the remaining 276.5 kilometers and explore alternative financing options?

Minister for Communications (Mr. Abdul Aleem Khan):

(a)
- The original PC-I, prepared on the basis of the preliminary Design, was approved by ECNEC on 19-07-2023 at an estimated cost of Rs. 263,795.86 million, based on CSR 2022.
- Subsequently, following the completion of the Detailed Design and revision of cost estimates in accordance with CSR 2025, a revised PC-I amounting to Rs. 406,914.192 million has been submitted for approval by CDWP/ECNEC.

(b) Pertains to Ministry of Planning Development & Special Initiatives.

(c)
- The response regarding National Fiscal Pact explicitly barring federal financing of provincial projects pertains to Ministry of Planning, Development & Special Initiatives
- The project was discussed in a meeting on 05-03-2026 wherein Honorable Prime Minister had directed as under:

1. i. Package-1, phase 1a (18.5 km) to be executed by NHA with GoP financing;
   ii. Public-Private Partnership (PPP) mode of financing for viable sections;
   iii. NHA to arrange its share out of its revenue as Viability Gap Funding (VGF) for sections considered viable on PPP mode;
   iv. For sections found non-viable on PPP mode, NHA would explore alternate financing options including financing from International Financing Institutions (IFIs) and execution on GoP funding subject to availability of funding;
2. The originally approved alignment, as per the original PC-I should be retained, since the estimated cost of this alignment is lower than that of the proposed new alignment.
   - Accordingly, the Revised PC-I, based on the original alignment, with an estimated cost of Rs. 406,914.192 million (CSR-2025), was submitted for approval by CDWP/ECNEC.
   - CDWP in its meeting dated 24.06.2026 has recommended the revised PC-1 for approval of ECNEC.
   - Moreover, the commercial feasibility study to assess the viability of the sections under the PPP mode is currently underway and is expected to be completed by 30 August 2026.

Meanwhile, in light of PM's directive and ECNEC's direction, NHA has requested EAD to approach International Financial Institutions (IFIs) for financing of remaining sections of Lahore-Sahiwal-Bahawalnagar Motorway. Response is awaited.

109. * Sardar Muhammad Yaqoob Khan Nasir:
Will the Minister for Energy (Petroleum Division) be pleased to state the practical steps taken by the Government to eliminate the pressure drop and unannounced/un-scheduled load shedding of Gas in Balochistan?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): As per SSGCL's report, the gas pressure across the distribution network in Balochistan is generally being maintained within the prescribed operational standards. However, localized pressure fluctuations may be experienced in a limited number of muhallas and small pockets during peak demand periods owing to supply-demand constraints. SSGCL does not implement any policy of gas load shedding. In order to ensure equitable distribution of the available gas across its distribution network during periods of supply-demand imbalance, the Company undertakes load management, where operationally required.

110. * Mr. Ali Muhammad:
Will the Minister for Science and Technology be pleased to state:

a) the current status of federal scientific laboratories, testing facilities and research centres operating under the Ministry and its attached organizations, including PCSIR, PNAC, PSQCA and other institutions;
b) whether any inventory and audit have been conducted regarding scientific equipment, laboratory assets and research infrastructure, particularly in institutions that have been restructured, merged or closed;
c) the steps taken to modernize testing laboratories, obtain international accreditation and enhance national capabilities in industrial testing, certification and applied research;
d) what measures are being implemented to ensure that Pakistan possesses adequate scientific and testing infrastructure to support exports, innovation, industrial development and regulatory oversight; and
e) the steps taken regarding allegedly missing laboratory equipment, underutilized facilities and dependence on private laboratories for testing services?

Minister for Science and Technology (Mr. Khalid Hussain Magsi): (a) <u>PCSIR</u>

Pakistan Council of Scientific and Industrial Research (PCSIR) is the premier public sector research and development (R&D) organization functioning under the administrative control of the Ministry of Science and Technology (MoST). It is mandated to undertake, promote and guide scientific and technological research related to the establishment and development of Pakistani industries, and to disseminate the outcomes of such research for the socio-economic development of the country.

PCSIR has a nationwide network of 17 laboratories and research units, including six training institutes, located across the country **(Annexure-I)**. Its laboratories are equipped with state-of-the-art scientific instrumentation and supported by highly qualified and skilled technical manpower. A number of PCSIR laboratories are accredited to ISO/IEC 17025, enabling them to provide reliable and internationally recognized testing and calibration services.

PCSIR is actively supporting the industrial sector by providing cost-effective technological solutions, testing, calibration, analytical, consultancy and technical services to enhance industrial productivity and competitiveness. Its broad-based activities encompass technology development, human resource development, quality control and quality assurance services, consultancy and troubleshooting, industrial collaboration, and fulfillment of Pakistan's obligations under international trade and quality frameworks. PCSIR laboratories provide testing services to a wide range of industries, including exporters, thereby contributing significantly to quality assurance and compliance with national and international standards.

PSQCA

QCC/PSQCA is providing conformity assessment testing services of mandatory items under the scheme of PSQCA. The detail of testing facilities is given below.

Chemical Labs.:

Mineral Water, Feed & Fertilizers, Vegetable Oils, Ghee, Butter, Combustion Engine oil, Dairy Products, Biscuits, Grains & Cereals, Paints, Toilet Soaps, Washing Soaps, Detergents, Sugar, Stationery, Cosmetic products Items etc.

Physical & Engineering Labs.:

Non-Pressure/ Pressure UPVC Pipe, HDPE, PPRC, Conduits and other Polymer Materials, Paper, Home Gas appliances, Structural Steel, Aluminum Rods and other Non-Ferrous Materials, Safety Razor Blades, Disposable Razors, Sewing Machine etc.

Building Material Labs.:

Cement, Concrete Blocks, Cylinders, Cubes and Clay Bricks, R.C.C. Pipes etc.

Textile Labs.:

Yarn, Fabrics Materials, Tarpaulin, PP Bags, Geo Textile membrane etc.

Electrical Labs.:

Electric Fans (Ceiling, Pedestal and Bracket), Electric Switches, Sockets and Plugs, Electric Cables, Electric Iron, Bulbs Lead Storage Batteries, Electric Iron, Electric Home Appliances etc.

Microbiology

All food and cosmetic items is at **Annexure-II**

(b) PCSIR PCSIR maintains a comprehensive inventory of scientific equipment, laboratory assets, and research infrastructure in accordance with the applicable Government financial rules, procurement regulations, and inventory management procedures.

Periodic physical verification, annual stock-taking, internal inspections, and statutory audits are conducted to ensure the proper utilization, maintenance, safeguarding, and accountability of laboratory assets. Observations raised during internal and external audits, as well as by other oversight authorities, are addressed through appropriate corrective and compliance measures.

PCSIR has a dedicated Finance Wing, including an Audit Division, responsible for internal financial oversight and ensuring compliance with applicable financial rules and regulations. As a statutory organization under the Federal Government, PCSIR is also subject to regular external audits conducted by the Auditor General of Pakistan.

The financial oversight framework includes:

- Internal financial audits.
- External audits conducted by the Auditor General of Pakistan.

These audits primarily examine procurement processes, asset acquisition and management, financial compliance, utilization of development and recurring funds, maintenance of inventory records, and adherence to applicable financial and governance frameworks.

PSQCA

QCC/PSQCA neither restructured nor merged/closed. However, detail of equipment is available in each lab. No audit in this regard was conducted.

(c) PCSIR The Pakistan Council of Scientific and Industrial Research (PCSIR) has undertaken a number of initiatives to modernize its laboratories, strengthen testing and calibration services, and enhance its applied research and innovation capabilities. The major initiatives include:

- Modernization and upgradation of laboratory infrastructure through PSDP and other development projects **(Annexure-III).**
- Implementation, maintenance, and expansion of internationally recognized quality management systems, including ISO/IEC 17025:2017 accreditation for testing and calibration laboratories, to enhance laboratory competence and ensure compliance with international standards. Brief regarding testing capabilities of PCSIR is attached at Annexure-IV.
- Acquisition and installation of modern analytical and scientific instruments through PSDP and other development initiatives, including a recently approved Export Development Fund (EDF)-funded project.
- Execution of ongoing PSDP projects aimed at upgrading laboratory infrastructure and capabilities in accordance with international requirements.
- Strengthening quality management systems through regular internal audits, participation in proficiency testing programmes, inter-laboratory comparisons, and continuous staff competency development.
- Strengthening collaboration with industry, academia, and public sector organizations to provide testing, calibration, consultancy, technology development, and applied research services aligned with national industrial requirements.
- Promotion of industry-oriented R&D focusing on indigenous technologies, import substitution, value addition, quality assurance, technology commercialization, and innovation to enhance industrial competitiveness and contribute to sustainable economic growth.

PSQCA

QCC Karachi laboratories have also been upgraded via purchasing of high tech equipment through the successful completion of project (Purchase of Lab Equipment/Provision of furniture and Fixture for PSQCA Laboratory Complex, Karachi/2018).

Proposed PC-1 for Strengthening of Testing Facilities at QCC (North) PSQCA Lahore and different proposals submitted time to time to PSQCA (Head Quarter) Karachi, still under consideration.

PNAC

PNAC has Mutual Recognition Arrangement (MRA) signatory status with regional and international apex bodies such as Asia Pacific Accreditation Forum (IAF) & International Laboratory Accreditation Cooperation (ILAC) by virtue of that the test reports / certificates issued by the Conformity Assessment Bodies (CABs) accredited by PNAC are accepted worldwide. Recently IAF & ILAC merger take place and newly organization namely Global ACI

(d) PCSIR The Ministry of Science and Technology is strengthening the national scientific infrastructure through continuous investment in laboratory modernization, accreditation, human resource development, and digital transformation.

In line with this objective, the Pakistan Council of Scientific and Industrial Research (PCSIR) provides internationally recognized testing, calibration, product development, consultancy, technology transfer, and technical support services to exporters, manufacturers, SMEs, and regulatory organizations. The integration of accredited laboratories with digital platforms, including the Pakistan Single Window (PSW), has further enhanced transparency, operational efficiency, and export facilitation.

PCSIR is also implementing research and development projects aimed at promoting indigenous technologies, import substitution, value addition, industrial competitiveness, and innovation-driven economic growth.

At the PCSIR Laboratories Complex, Lahore, Karachi and Peshawar continuous efforts are being made to strengthen scientific and testing infrastructure in accordance with national and international requirements to support exports, industrial development, innovation, and regulatory

oversight. These complexes possess one of the country's broadest testing capabilities, covering industrial chemicals, food and feed, pharmaceuticals, edible oils and fats, ghee, cosmetics, petrochemicals, textiles, leather, polymers, paints, paper, fertilizers, pesticides, and other industrial products. Testing analytical, and technical consultancy services are being provided to a large number of public and private sector clients across the country.

To further enhance its technical capabilities, PCSIR has undertaken several PSDP-funded projects in emerging areas, including cannabis cultivation and processing, gene editing, and industrial fermentation. The acquisition of advanced scientific equipment under these projects has significantly strengthened the analytical and research capabilities of PCSIR Laboratories.

PSQCA

QCC/PSQCA is not directly dealing with the clients.

Accreditation of QCC labs Karachi was achieved in 2006. Application for renewal has also been submitted to PNAC. Our laboratories are running according to ISO-17025 and fulfilling the major requirements like calibration, International Proficiency Testing (PT) clearance with excellent Z' Score.

Accreditation of QCC Lahore Labs was achieved in 2022, which was expired in 2025 due to financial and manpower issues.

PNAC

The test reports, inspection reports / certificates and calibration certificates issued by the Conformity Assessment Bodies (CABs) accredited by PNAC are accepted globally due to international MRA status of PNAC

(e) PCSIR PCSIR has established institutional mechanisms for inventory control, asset verification, preventive maintenance, and periodic auditing of laboratory equipment and scientific infrastructure to ensure their proper utilization, maintenance, and accountability.

There is no missing laboratory equipment at PCSIR Laboratories Complexes. The available scientific equipment are being utilized to its maximum potential. However, its operational capacity can be further enhanced through the induction of skilled technical manpower and scientists in emerging areas of science and technology.

Wherever laboratory equipment requires repair, replacement, or upgradation, the necessary action is initiated in accordance with applicable procurement procedures and subject to the availability of financial resources. PCSIR is also optimizing the utilization of existing facilities through resource sharing among its laboratories, expansion of the scope of accredited testing services, and implementation of PSDP-funded laboratory modernization projects.

PCSIR continues to strengthen its in-house testing capabilities with the objective of minimizing reliance on private laboratories. Nevertheless, in highly specialized areas where the required testing facilities are not yet available within PCSIR or other government laboratories, services may be obtained from accredited laboratories to ensure continuity of testing and compliance with national and international standards.

PSQCA

QCC/PSQCA performs testing and reporting of items for which it has the required testing equipment and facilities. However, certain items that are heavy in weight or large in size, or other technical reasons, are tested at the manufacturer's premises.

(Annexures have been placed in the National Assembly Library.)

111. * Syed Rafiullah:

Will the Minister for Science and Technology be pleased to state:

a) whether the Ministry has identified instances where regulatory functions relating to standards, conformity assessment, certification and technical regulation overlap among the Federal institutions;

b) whether such overlaps have resulted in legal disputes, delays in policy implementation, increased compliance costs or regulatory uncertainty for industry;

c) what measures are being taken by the Government to clarify and strengthen the statutory role of PSQCA as Pakistan's National Standards Body and to avoid from duplication of functions by other agencies;

d) whether the Government intends to undertake a comprehensive review of Pakistan's technical regulatory architecture to ensure consistency with international best practices and facilitate industrial growth; and

e) whether it is a fact that recent disagreements regarding vehicle standards regulation have raised questions concerning institutional mandates and regulatory overlap?

Minister for Science and Technology (Mr. Khalid Hussain Magsi): (a) PCSIR

Organizations such as PSQCA, PNAC, PCSIR, and NMIP have distinct statutory mandates; however, certain technical activities such as laboratory testing, conformity assessment, calibration, and certification may complement each other in support of national quality infrastructure. Coordination mechanisms and inter-agency consultations are in place to minimize operational overlap and ensure efficient service delivery.

PSQCA

The Pakistan Standards and Quality Control Authority (PSQCA), established under the PSQCA Act-VI of 1996, is the sole National Standard Body (NSB), at Standards Development stage being full member body of International Standard Development Organizations such as ISO, IEC, OIML, SARSO and SMIIC, according to Gazetted Pakistan Standards Rules 2008, comprising comprehensive and efficient mechanism of sector wise Technical Committees and National Standard Committee comprising stakeholders, for Standards Development. PSQCA operates under the administrative control of Ministry of Science and Technology as a designated Regulatory Authority, looking after the mandates of Conformity Assessment pertaining to Product Certification and Registration of Inspection Agencies (particularly Pre-Shipment Inspection Agencies).

It is pertinent to mention that after the 18th Constitutional Amendment in 2010, which devolved the subject of "Food" to the provinces, an initial ambiguity arose regarding the clear demarcation of roles between the Federal Pakistan Standards and Quality Control Authority (PSQCA) and the newly established Provincial Food Authorities (PFAs). This matter, concerning the standardization and regulatory jurisdiction over food, was indeed taken up by the Council of Common Interests (CCI) to resolve the dispute. While the resolution process took time due to the complexities of devolution and inter-provincial coordination, the CCI, in its 44th meeting in April 2021, issued a clear and definitive decision. This decision aimed to establish a harmonized framework for food standards across the country.

Wherein, in designated Automotive Sector of Standardization, PSQCA has developed multiple various National Standards of Two Wheelers, Three-Wheelers, Auto Vehicles, EV Vehicles Bikes & Buses etc. Also, Two Wheelers & Three-Wheelers Standards are currently technical regulations i.e. mandatory items to meet Pakistan Standards. PSQCA is also moving towards & eligible enough for designation as National Focal Point and Regulatory Body for UNECE WP-29 Vehicle Regulations. Moreover, recently on 15th April 2026, the MoST has also withdrawn its past NOC for Draft MVID Act, thus, complementing sector-related Competency & Eligibility of PSQCA. PSQCA has also adopted 14 WP-29 Vehicle Standards Regulations as Pakistan Standards.

But unfortunately, primarily, on 24th September 2025 ECC of the Federal Cabinet notified Engineering Development Board, MoIP for Standardization role of Automobiles in its

Decision on the basis of unjustified forwarded summary. Furthermore, it is also pertinent to mention that EDB, MoIP further has overreached its jurisdictional boundaries recently set & limited by ECC of the Federal Cabinet on 24th September 2025, in its Case No. ECC-172/22/2025 decision no. ii clearly stating **"**Ministry of Industries & Production will notify the standards before 30th September, 2025". However, afterwards Ministry of Commerce declared EDB's role in its SRO 1895, dated 30th September 2025 as "The commercial importation shall be subject to environmental, safety, and quality standards, testing and certification requirements, prescribed by the Engineering Development Board, Ministry of Industries and Production." Followed by MoC's SRO, EDB MoIP issued Notification No. EDB/AutoImport/WP-29/2025 dated 30th September 2025, adopting UNECE WP-29 Standards, however, thereafter EDB via self claim unjustifiably, extended its role beyond their ECC set 'standards' mandate, into para 2 under 'Conditions set on the commercial imports of used vehicles' as improper eligibility, Pre-Shipment Inspection Companies regulation, Post-Shipment inspection and broader spectrum import regulation matters. And after that on 16th December 2025, Ministry of Commerce and the Federal Government's Import Policy Order 2022 Amendment S.R.O No. 2443(1)/2025 highlighting PSQCA's role was issued clearly stating that "*The Pre-Shipment Inspection Agencies or Companies, as the case may be, duly registered with the Pakistan Standards and Quality Control Authority (PSQCA), having international accreditation of its foreign principals with International Laboratory Accreditation Cooperation (ILAC) or Global Accreditation Cooperation (GLOBAC), shall be eligible to conduct pre-shipment inspection in accordance with the provisions of the Import Policy Order 2022."* As complemented by the fact that PSQCA is Regulating and Registering the Inspection Agencies for approval to carry on the business of inspection in Pakistan, since 1982 under "The Inspection Agencies (Registration & Regulation) Ordinance 1981", "Inspection Agencies Registration and Regulation Rules 1981 (SRO 10 (j)/82)" and in exercise of power conferred under Section-8, Sub-section xxii of PSQCA Act-VI of 1996 in accordance with ISO/IEC norms, guideline standards & practices.

In view of above, it is clear breach of jurisdictional limits of mandate by EDB, MoIP as already set, defined and restricted by ECC, thus hijacking PSQCA's mandate of Registration of Inspection Agencies. Furthermore, similarly going beyond mandate limits, on 28th January 2026, MoIP in its letter to MoC vide Ref No.2(11)/2025-LED-II, requested to add new clause in Import Policy Order 2022, stating:

> *"the importer shall provide a pre-shipment certificate verifying that the used vehicle so imported meets the EDB's notified regulations and standards. The PSI Company issuing such certificate shall be internationally accredited, <u>duly registered</u> with the concerned agency of the country of origin of the vehicle and <u>the EDB of Pakistan</u>".*

On this development, MoC conducted a Consultative meeting with PSQCA, MoC, FBR, and EDB, MoIP, on 16th March 2026, after PSQCA has Registered 02 PSIAs with Automobile scope of work. According to the Minutes imposed decision no. iii of the Consultative meeting vide MoC OM No. 1(14)/2025-IMP-III, if any Inspection Agency's case will be further recommended for Registration by PSQCA for Pre-Shipment Inspections of Automobiles scope of work, the case will be referred to MoIP & EDB for NOC & clearance via developed mechanism, although in absence of any EDB Supporting legislation Act or SRO for Pre-shipment or Post-Shipment Inspections. Also, as per decision no.i of the minutes, MoIP/EDB was supposed to revise its 30th September 2025 notification, specifically 'Para 2', but it didn't happen yet.

In this regard, PSQCA also presented its views & comments on Draft MVID Act & Auto Policy 2026-2031 (especially Chapter 3.4(b) PSIA Regulation and Standardization role), claiming PSQCA's statutory role.

(b) Yes, due to these overlapping unjustified attempts leading to hijacking of already exercised PSQCA's mandates of Standardization (Automotive Sector) and Registration of Inspection Agencies (particularly PSIAs), stakeholders have faced obstructions, ambiguity

(unclear) and Government Authorities such as Ministry of Commerce (Pakistan Customs) has faced delays in Policy / SRO Implementations, because EDB, MoIP going beyond their lawful mandate jurisdictional limits.

(c) On 15th April 2026, the MoST has also withdrawn its past NOC (Go ahead to MoIP) for Draft MVID Act,thus, complementing sector-related Competency & Eligibility of PSQCA. Secondly, MoST's current management has raised PSQCA's mandate related issues on inter-ministerial forums and at Senate and relevant powerful Decision making forums / meetings, even with Deputy Prime Minister.

MoST is currently working and in corrspondence for rectification of notifications pertaining to PSQCA's mandates relevant to Automobiles sector, followed by moving of revised Summary to ECC of the Cabinet for Standardization role of PSQCA for Automobile Sector.

(d) Ministry of Science and Technology is making efforts to strengthen the National Quality infrastructure related organizations i.e PSQCA, PNAC, NMIP and PCSIR to avoid such type of overlapping of the functions / mandate.

PSQCA is formulating the standard as per the international compliance for the best interest of the consumers, manufacturers, exporters etc and ease of doing businesses.

(e) The Pakistan's Standards are progressively aligned with the international norms, according to international standard guidelines and the government is actively pursuing harmonization to enhance global potential trade competitiveness (specifically removal of technical barriers to trade), trade facilitation, consumer safety and ease of doing business. PSQCA has adopted about 33 plus EV Vehicles standards besides, 14 WP-29 Vehicle Standards Regulations after going through proper comprehensive and efficient mechanism of Automotive Sector Technical Committees and National Standard Committee comprising stakeholders, for Standards Development.

However, regarding notifying of unjustifiable mandate of Standardization role of Automobiles to EDV, MoIP by ECC of Federal Cabinet, in parallel to already functioning of PSQCA Standardization Directorate in this domain, has not only shaken confidence of stakeholders, but also the regulatory affairs Conformity Assessment Directorates of PSQCA .

112. * Mr. Fateh Ullah Khan:

Will the Minister for Energy (Power Division) be pleased to state:

a) the current schedule and duration of electricity load shedding in urban and rural areas of Dera Ismail Khan; and

b) the reasons for prolonged outages faced by consumers in the said district?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) Current load management duration of District Dera Ismail Khan is attached as **Annex-A.**

Furthermore, the load management schedule is managed by PESCO as per demand supply situation.

(b) Only schedule load management is being carried out by PESCO according to Aggregate Technical and Commercial (AT&C) loss of the 11kV Feeders as per SOP through the Province (PESCO jurisdiction), including D.I. Khan District.

In case of any fault or system constraints on 11kV feeder, relief is being granted in schedule load management as per PESCOs SOP.

(Annexure has been placed in the National Assembly Library.)

Islamabad,
the 20th August, 2026.

SAEED AHMAD MAITLA
Acting Secretary

NATIONAL ASSEMBLY SECRETARIAT

"UN-STARRED QUESTIONS AND THEIR REPLIES"

For Friday, the 21st August, 2026

19. Ms. Aliya Kamran:

Will the Minister for Energy (Power Division) be pleased to state whether electricity transformer has been provided to Mosque Ayesha Khawas Katlah, Village Lower Shahother, UC Garlat, Tehsil Balakot and District Mansehra; if so the detail thereof?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari): The requirement of additional transformer for power supply to Mosque Ayesha, Khawas Katlah, Viliage Lower Shah other was primarily due to low voltage from existing 200 KVA distribution transformers. To resolve the issue, 04 No. Low Tension (LT) Poles along with conductor/allied material were installed at site on 27.01.2025. The case was sanctioned under Annual Maintenance & Repair head dated: 12.12.2024 amounting to Rs: 585,300/-.

It is pertinent to mention that the issue of low voltage was resolved after installation of 04 No. LT Poles at site of mosque Ayesha Khawas Kattah, Village lower Shahotar Tehsil Balakot, Mansehra, resulting in significant improvement in voltage profile.

Therefore, the installation of additional transformer is not feasible as the existing transformer is already under- loaded and voltage problems of the area also stands resolved.

20. Mr. Asif Khan:

Will the Minister for Energy (Petroleum Division) be pleased to state:

a) whether it is a fact that the Government has recently increased the Petroleum Levy, if so, the reasons thereof;

b) whether the Government has assessed the impact of increased petroleum prices on the ordinary citizens, particularly salaried persons, labourers, farmers and low-income households, amid rising inflation; If so details thereof; and

c) the steps being taken by the Government to reduce the Petroleum Levy to protect common citizens from further financial hardships?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) Yes. The rate of Petroleum Levy, which had been reduced during exceptional international market volatility to cushion consumers, has been restored in phases in line with the approved budgetary target as per following details:

Effective Date	MS/Petrol PL (Rs./Litre)	HSD PL (Rs./Litre)
1 Jul, 2026	66.64	79.54
2 Jul, 2026	64.14	77.04
4 Jul, 2026	70.36	70.82
11 Jul, 2026	80.00	70.82
6 Aug, 2026	80.00	72.26
7 Aug, 2026	80.00	73.47
8 Aug, 2026	80.00	74.28
12 Aug, 2026	80.00	76.28
13 Aug, 2026	80.00	77.28
14 Aug, 2026	80.00	78.28
20 Aug, 2026	80.00	80.00

The Federal Budget 2026-27 provides a target of **Rs. 1,676 billion** in respect of Petroleum Levy receipts, based on an average levy rate of **Rs. 80/litre on MS and HSD**.

(b) No separate assessment of the impact on specific consumer groups has been undertaken by the Petroleum Division, as Petroleum Levy targets form part of the approved Federal Budget and committed under associated fiscal commitments with international financing institutions.

(c) The Petroleum Levy is a fiscal revenue measure determined within the approved budgetary framework and prevailing fiscal commitments. Any reduction is considered by the Government subject to available fiscal space, commitments with International Financial Institutions, revenue requirements and international petroleum market conditions. However, relief of declining international prices, as and when possible, is passed on to the consumers.

21. Mr. Anjum Aqeel Khan:

Will the Minister for Energy (Petroleum Division) be pleased to state:

a) the details total number of applications received alongwith their names and addresses for installation of Gas connections in Sector I-11/1/2, Islamabad during the years, 2025 and 2026 and connections provided;

b) total number of applicants, the details of cases against which securely is not so far been conducted, nor the demand notices have been issued nor the connections are provided, the reasons thereof; and

c) the total number of applicants in relation to their cases surveys have been conducted , however, demand notices are not issued; if so, the reasons thereof?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) The total number of applications for provision of RLNG domestic gas connection during the years 2025 and 2026 received from the residents of Sector I/11 sub sector 1 and 2 are 445 including both 217 on fast-track basis and 228 in normal category. 14 RLNG based domestic connections have been provided in the said sector till date. Details attached as **Annex-A.**

(b) SNGPL has issued urgent fee bills against applications received before/upto 10.01.2026. Only 43 applications qualified for issuance of urgent fee bills which were issued accordingly. Out of which only 37 applicants deposited the urgent fee. Survey of these cases was subsequently carried out and demand notices to 26 applicants for payment of security and service-line charges were issued, 4 applicants did not deposit the connection fee.

RLNG domestic connections have been provided to 14 consumers on their turn / merit. It is to highlight that the lines in Sector I-11/1 & I-11/2 were damaged during development work by CDA. The provision of gas connections was consequently stopped.

The issue has been taken up with CDA for recovery of damages. A total of 419 applications are pending. Furthermore, consequent upon disruption of RLNG form Qatar, provision of gas connections are currently under pause. As such, work on all pending applications in the said sector will be carried out after repair of damage network and normalization of LNG supplies.

(c) Survey of 37 applicants' premises was carried out but demand notices were issued to 26 applicants whereas remaining 11 Demand Notices could not be issued due to damaged network. These will be issued after repair / commission of the damaged gas network and normalization of RLNG supplies

(Annexure has been placed in the National Assembly Library)

22. Syed Rafiullah:

Will the Minister for Energy (Power Division) be pleased to state the:

a) electricity meters are not being installed in Batto Banda near Government Girls School Shanghai Basti Khail Judba, District Turgar; if so, the detail thereof; and

b) the time by which electricity meters will be installed?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) The said area is un-electrified and the inhabitants of the area have requested for issuance of Demand Notice. A Demand Notice amounting to Rs. 405,200/- **(Annex-I)** has been issued by SDO Battagram on 04.06.2026, which has not, so far, been paid by the sponsor.

(b) As and when the applicants pays the amount as per Demand Notice, the electricity meters will installed.

Click here for Annexure

(Annexure has been placed in the National Assembly Library)

23. Mr. Muhammad Moin Aamer Pirzada:

Will the Minister for Science and Technology be pleased to state:

a) the departmental-wise details of the total Medical Reimbursements by the said Employees, during the last three years; and

b) the grade-wise names, designations of the officers/officials who have submitted/received amount during the said period?

Minister for Science and Technology (Mr. Khalid Hussain Magsi): (a) The detail of the total Medical Reimbursements during the last three of departmental-wise is as follow:

Sr. No.	Name of the Department	Annexure
1.	PCSIR	Annexure-I
2.	PSF	Annexure-II
3.	PCST	Annexure-III
4.	PEC	Annexure-IV
5.	CWHR	Annexure-V
6.	NUST	Annexure-VI
7.	NUTECH	Annexure-VII
8.	COMSATS	Annexure-VIII
9.	PNAC	Annexure-IX
10.	NIO	Annexure-X
11.	NIE	Annexure-XI
12.	PCRET	Annexure-XII
13.	PHA	Annexure-XIII
14.	NMIP	Annexure-XIV
15.	IRADA	Annexure-XV
16.	PSQCA	Annexure-XVI

An amount of Rs. 37.782 million was spent on account of medical reimbursements of the serving and retired employees during the last three years. Financial year-wise break-up is given as under:

Sr. #	Financial Year	Amount (Rs. in Million)
1.	2023-24	16.388
2.	2024-25	16.382
3.	2025-26	5.012
Total		**37.782**

(b) The requisite information is attached as **Annex-I.**

Click here for Annexure

(Annexure has been placed in the National Assembly Library)

24. Ms. Huma Akhtar Chughtai:

Will the Minister for Energy (Petroleum Division) be pleased to state:

a) whether it is a fact that despite depositing the amount for demand notices by the residents of different parts of Rawalpindi, the authorities concerned have failed to install the gas meters against the applications particularly Reference Number 79858000202512181216 and Tracking IDs:14255008048 and 923884674988; and

b) if the reply to (a) above is in affirmative, the reasons of delay thereof; and

c) what steps are being taken by the SNGPL, Rawalpindi to install meter against above mentioned (a) tracking Bill IDs?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) An amount of Rs. 21,500/- has been deposited by Mr. Ejaz Khan House No. 192, Street No. 24, Hussain Block Kotha Kalan Rawalpindi under Account ID 9065125431 on 20.04.2026. SNGPL's Customer Care and Billing (CC&B) system allotted account ID against reference No. 79858000202512181216 while reported tracking IDs 14255008048 and 923884674988 are incorrect and not traceable in CC&B system of SNGPL.

(b) The ongoing conflict in the Middle East has disrupted the normal LNG supplies in the country. Since domestic connections are based on RLNG supplies, therefore, due to unavailability of RLNG, processing of the applications has been put on hold temporarily. Upon normalization of RLNG supplies, the processing of the applications will be resumed on turn/merit policy.

(c) As stated above.

25. Ms. Shahida Rehmani:

Will the Minister for Energy (Petroleum Division) be pleased to state:

a) whether it is a fact that new gas pipelines are installed in the different areas of Rawalpindi Cantt for improvement of the gas pressure in particular Street No. 02 and 2A, Tahli Mohri, Ghousia Chowk; and

b) whether it is also a fact that after installation of the new gas pipelines the gas pressure become more worst as this low gas pressure is affecting almost 70 to 100 houses and families; and

c) if the reply to (a) and (b) above is in affirmative, the reason of low gas pressure in the said streets thereof?

Minister for Energy (Petroleum Division) (Mr. Ali Pervaiz): (a) Yes, it is a fact that SNGPL has laid new gas pipelines in different area of Rawalpindi Cantt. A total of 2.6 Kms gas network has been laid on the recommendations of Corrosion Protection Department due to old/rusted/leaking pipeline.

(b) No. It is not factually correct to state that the installation of gas pipelines has resulted in a deterioration of gas pressure in the affected areas. After laying of the network, Company has not received any complaint regarding low pressure. SNGPL’s emergency team has visited the streets 02 & 2A Tahli Mohri, Ghousia Chowk at 2010 hours on 7th July, 2026 and found sufficient gas pressure available to the residents of these streets and confirm gas availability during cooking hours.

(c) As stated above.

26. Ms. Shahida Begum:

Will the Minister for Energy (Power Division) be pleased to state:

a) whether it is a fact that under IESCO Letter No. 8361-64/CCR/DRG dated 23-04-2026, addressed to the Chief Engineer (P&E), IESCO Islamabad, LV Proposal Serial No. 14 regarding "Village Bagga Sangral near Khizar House" was approved for installation of transformer along with HT/LT lines at an estimated cost of Rs. 20.68 million;

b) whether the said scheme is still awaiting for execution despite severe low- voltage and electricity-related issues being faced by the residents of the area; and

c) the time by which practical work on the said LV Proposal No. 14 will be started and completed on aforesaid scheme?

Minister for Energy (Power Division) (Sardar Awais Ahmad Khan Leghari):

(a) Yes, a low voltage (LV) proposal in respect of Village Bagga Sangral, near Kizar House, Rawalpindi, was received in the IESCO Planning & Engineering (P&E) Office.

The said LV proposal was approved vide Work Order No. 2K27-464-02-01 dated 09.07.2026 **(Annex-A)** and forwarded to the Project Director (Construction), IESCO, for execution of the work.

(b) It is submitted that the execution of said scheme was started on 12.07.2026 but held due to Right of Way (ROW), now the RoW has been resolved and the work is expected to start from 15.07.2026.

(c) The work is expected to be completed within one month (10th August, 2026) subject to the clearance of the Right of Way (ROW) and other dispute.

Islamabad,
the 20th August, 2026.

SAEED AHMAD MAITLA
Acting Secretary

قومی اسمبلی سیکرٹریٹ

''سوالات برائے زبانی جوابات''

جو بروز جمعہ ۲۱/اگست ۲۰۲۶ء کو منعقد ہونے والے قومی اسمبلی کے اجلاس میں پوچھے جائیں گے

@39۔ *سید شاہ احمد علی شاہ: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

19-08-2026 سے مؤخر شدہ ہے۔

(الف) گزشتہ چار برسوں کے دوران قومی اسمبلی کے حلقہ این اے-۳۳ (نوشہرہ) کے لیے وفاقی ترقیاتی فنڈز کی مجموعی طور پر کتنی رقم مختص کی گئی اور اس میں سے کتنی رقم خرچ کی گئی؛ نیز

(ب) مذکورہ مختص اور خرچ شدہ فنڈز، بالخصوص پشاور الیکٹرک سپلائی کمپنی (پیسکو) اور سوئی ناردرن گیس پائپ لائنز لمیٹڈ (ایس این جی پی ایل) کی منصوبہ وار اور محکمہ وار تفصیلات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

الف) گزشتہ چار سالوں کے دوران این اے-33 (نوشہرہ) کے لیے وفاقی حکومت کے کوئی فنڈز مختص اور استعمال نہیں کیے گئے۔
ب) کوئی نہیں

43۔ *محترمہ آسیہ ناز تنولی:

ستائیسویں اجلاس سے مؤخر شدہ

کیا وزیر برائے سائنس و ٹیکنالوجی بیان فرمائیں گے آیا کاسمیٹکس مصنوعات کی نگرانی اور لائسنس جاری کرنے کے لیے پاکستان کاسمیٹک ریگولیٹری اتھارٹی قائم کرنے کی کوئی تجویز زیر غور ہے؟

وزیر برائے سائنس و ٹیکنالوجی (جناب خالد حسین مگسی)

جی ہاں، جنرل کاسمیٹکس ایکٹ، ۲۰۲۳ء کو منسوخ کر کے نئی اتھارٹی، یعنی ''پاکستان جنرل کاسمیٹکس ریگولیٹری اتھارٹی'' کے قیام کی تجویز ہے۔

@@84۔ *جناب شیر افضل خان: کیا وزیر برائے توانائی (پٹرولیم ڈویژن) غیر نشاندار سوال نمبر ا جس کا جواب ۱۱ مئی، ۲۰۲۶ء کو دیا گیا، کے حوالے سے بیان فرمائیں گے:

(الف) آئل اینڈ گیس ڈویلپمنٹ کمپنی لمیٹڈ (او جی ڈی سی ایل) کے ایوارڈ کئے گئے کاموں/معاہدوں کے لیے ہونے والی بولیوں کی تفصیلات، بولی میں حصہ لینے والی فرموں کے نام اور ان کی جانب سے پیش کردہ ریٹ کیا ہیں؛ نیز

(ب) سلسلہ نمبر ا تا ۵، ۸، ۹، ۱۸ تا ۲۱، ۵۶، ۶۴ تا ۶۵، ۶۸، ۷۰، ۷۲، ۷۷، ۸۴، ۸۷ اور ۹۵ پر درج فرموں کو ایوارڈ کیے گئے معاہدوں کے ریٹ کیا ہیں؟

وزیر برائے توانائی (پٹرولیم ڈویژن) (جناب علی پرویز)

آئل اینڈ گیس ڈویلپمنٹ کمپنی لمیٹڈ (او جی ڈی سی ایل) کے جن کاموں/معاہدوں کے لیے بولیاں دی گئیں، بولیوں میں حصہ لینے والی فرموں کے نام اور ان کی جانب سے پیش کردہ نرخ، اور مطلوبہ سیریل نمبروں کی فرموں کے لیے ایوارڈ کیے گئے معاہدے کے نرخ کی تفصیلات منسلک-الف پر ہیں۔

(منسلکہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)۔

@۔ یہ سوال منصوبہ بندی، ترقی و خصوصی اقدامات ڈویژن سے منتقل ہوا ہے۔

@@۔ یہ سوال بجلی ڈویژن سے منتقل ہوا ہے۔

85۔*محترمہ غزالہ انجم: کیاوزیر برائے مواصلات بیان فرمائیں گے کہ ضلع چترال میں گرم چشمہ سڑک کی مرمت کے لیے منظور کی گئی رقم کی تفصیلات کیا ہیں؟

وزیر برائے موصلات (جناب عبدالعلیم خان)

چترال- گرم چشمہ -دورہ پاس روڈ (این-۱۴۵)

روٹ این-۱۴۵ کلو میٹر ۰+۰۰۰ چترال شہر سے شروع ہو کر گرم چشمہ کی طرف جاتا ہے اور دورہ پاس کلو میٹر ۸۲+۵۰۰ پر اختتام پذیر ہوتا ہے جس کی دیکھ بھال بھی این ایچ اے کی جانب سے کی جارہی ہے۔ چترال سے دورہ پاس جانے والا این-۱۴۵ روٹ چند سال قبل وفاقی تحویل میں لیا گیا تھا (اس سے قبل یہ محکمہ سی اینڈ ڈبلیو کی ملکیت تھا)۔ یہ انتہائی تنگ سڑک ہے، زیادہ تر کچی پگڈنڈی پر مشتمل ہے اور ہر بارش کے دوران بڑے پیمانے پر لینڈ سلائیڈنگ کا شدید خطرہ رہتا ہے۔

سڑک کے حصے (این-۱۴۵) کی کلو میٹر ۰+۰۰ سے ۸۲+۰۰ تک تقریباً ۴۴٫۱۴۵ ملین روپے کی مالیت کے ۸ معمول کی دیکھ بھال کے معاہدوں کے ذریعے دیکھ بھال کی جائے گی۔

کلو میٹر ۱۵+۰۰ سے ۴۵+۰۰ تک ۲۱۹ ملین روپے کی مالیت کے معاہدے کے تحت موجودہ سڑک کے حصے کی بہتری کے کام پر پیش رفت جاری ہے۔

86۔*جناب فتح اللہ خان: کیاوزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے آیا ڈیرہ اسماعیل خان میں غیر اعلانیہ لوڈشیڈنگ بالخصوص موسم گرما کے دوران جب بجلی کی طلب میں نمایاں اضافہ ہو جاتا ہے، میں کمی لانے کا کوئی منصوبہ زیر غور ہے؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

یہ باور کروایا جاتا ہے کہ ڈیرہ اسماعیل خان کے علاقے میں غیر اعلانیہ لوڈ مینجمنٹ نہیں کی جارہی اور پورے صوبے (پیسکو کے دائرہ اختیار) بشمول ضلع ڈیرہ اسماعیل خان میں مروجہ پالیسی کے مطابق مجموعی ٹیکنکل و کمرشل (اے ٹی اینڈ سی) نقصانات کی بنیاد پر صرف شیڈول کے مطابق لوڈ مینجمنٹ کی جا رہی ہے۔

مزید برآں، پیسکو نیپرا کی جانب سے منظور شدہ سرمایہ کاری کے ذریعے اپنے تقسیم کار نیٹ ورک کو مسلسل مضبوط بنا رہا ہے تاکہ فالٹ کی صورتحال کے باعث ہونے والی غیر اعلانیہ لوڈشیڈنگ کو کم کیا جاسکے۔ تاہم، ۱۱-کے وی فیڈر (ز) پر کسی بھی فالٹ یا سسٹم کی رکاوٹ کی صورت میں، پیسکو کے ایس او پی کے مطابق شیڈول کے تحت لوڈ مینجمنٹ کے ذریعے ریلیف فراہم کیا جارہا ہے۔

87۔*جناب محمد سعد اللہ: کیاوزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے کہ آیا حکومت صنعتی شہروں بشمول فیصل آباد میں ایل این جی کی فراہمی یا گیس کے نئے کنکشن فراہم کرنے اور گیس لوڈشیڈنگ میں کمی لانے کے لیے اقدامات کر رہی ہے؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

حکومت سرکاری شعبے کی گیس کی فراہم کرنے والی کمپنیوں یعنی ایس این جی پی ایل اور ایس ایس جی سی ایل کے ذریعے نئے گیس کنکشنز اور لوڈشیڈنگ کے حوالے سے درج ذیل اقدامات کر رہی ہے-:

- موجودہ حکومت نے ستمبر 2025ء میں آر ایل این جی پر نئے گھریلو کنکشنز کی فراہمی پر عائد پابندی میں نرمی کی منظوری دی۔ چنانچہ نئے گھریلو کنکشنز کی درخواستوں پر کارروائی کی جارہی ہے۔تاہم، سپلائر کی جانب سے اعلان کردہ ناگزیر وجوہات کے باعث حالیہ آر ایل این جی کی عدم فراہمی کی وجہ سے نئے آر ایل این جی گھریلو کنکشنز پر کارروائی عارضی طور پر روک دی گئی ہے۔آر ایل این جی کی فراہمی معمول پر آنے پر یہ عمل دوبارہ شروع کر دیا جائے گا۔
- نیٹ ورک کی توسیع پر موجودہ پابندی مزید احکامات تک بدستور نافذ العمل رہے گی۔
- مختلف شعبوں کو گیس کی فراہمی دستیاب ملکی ذرائع سے کی جارہی ہے جبکہ ایل این جی کارگوز کی خریداری بجلی کے شعبے کی طلب کی بنیاد پر یقینی بنائی جاتی ہے۔
- طلب ورسد کی صورتحال کا جائزہ لینے کے لیے متعلقہ فریقین کی شرکت سے این سی ایم سی کی جانب سے روزانہ اجلاس منعقد کیے جاتے ہیں۔
- ایس این جی پی ایل صنعتی شعبے بشمول فیصل آباد، میں لوڈ شیڈنگ نہیں کر رہی۔ صنعتی شعبے کے لیے وافر گیس کی فراہمی 24 گھنٹے، ہفتے کے 7 دن دستیاب ہے۔

88۔* محترمہ نتاشہ دولتانہ: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے:

(الف) آیا یہ امر واقعہ ہے کہ سیکٹر آئی-۱۲، علاقہ دارالحکومت اسلام آباد کے الاٹیوں کو ملکیتی مراسلہ جات جاری کیے جاچکے ہیں جبکہ مذکورہ سیکٹر میں تاحال قدرتی گیس کی فراہمی کا بنیادی ڈھانچہ قائم نہیں کیا گیا؛ اگر ایسا ہے تو اس کی وجوہات کیا ہیں؛

(ب) آیا سیکٹر آئی-۱۲ میں قدرتی گیس کی فراہمی کے نیٹ ورک کے لیے کوئی منظور شدہ منصوبہ موجود ہے؛ اگر ایسا ہے تو اس کی تفصیلات کیا ہیں؛

(ج) مذکورہ سیکٹر میں گیس کے بنیادی ڈھانچے کی تعمیر کی موجودہ صورتحال، بشمول مختص فنڈز، عمل درآمد کرنے والے ادارے اور اب تک حاصل ہونے والی عملی پیش رفت کیا ہے؛ نیز

(د) سیکٹر آئی-۱۲، علاقہ دارالحکومت اسلام آباد میں گیس کی تقسیم کے نیٹ ورک کی تکمیل اور رہائشیوں کو گیس کنکشن کی فراہمی کی متوقع مدت کیا ہے؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) قبضہ حوالگی (پزیشن لیٹرز) کا معاملہ کیپیٹل ڈیولپمنٹ اتھارٹی/وزارتِ داخلہ سے متعلق ہے۔

یہ امر واقعہ ہے کہ سیکٹر I-12، اسلام آباد میں گیس کا نیٹ ورک موجود نہیں ہے۔

(ب) کیپیٹل ڈیولپمنٹ اتھارٹی نے 2023ء میں سیکٹر I-12، اسلام آباد کو گیس کی فراہمی کی درخواست کی تھی۔ ایس این جی پی ایل نے 100 فیصد لاگت کی وصولی کی بنیاد پر سیکٹر I-12 میں آر ایل این جی (RLNG) کا بیرونی اور اندرونی نیٹ ورک بچھانے کے لیے ڈیزائن تیار کیا۔ مالی سال 25-2024ء کے لیے یونٹ تعمیراتی لاگت کی بنیاد پر 2024ء میں سی ڈی اے کو 454.99 ملین روپے جمع کرانے کے لیے "کاسٹ افر لیٹر" جاری کیا گیا تھا، جو سی ڈی اے کی طرف سے تاحال جمع نہیں کرایا گیا ہے۔

(ج) حسبِ بالا پیرا 'ب' کے مطابق۔

(د) ایس این جی پی ایل (SNGPL) سی ڈی اے سے نیٹ ورک کی 100 فیصد لاگت موصول ہونے کے بعد، مالی سال کی لاگو یونٹ تعمیراتی لاگت کی بنیاد پر، سامان/میٹیریل کا بندوبست اور گیس نیٹ ورک بچھانے کا کام کرے گی۔ سی ڈی اے کی جانب سے افر لیٹر کی توثیقِ نو کی درخواست موصول ہونے پر، موجودہ لاگو یونٹ لاگت کی بنیاد پر نیٹ ورک کی نظرِ ثانی شدہ لاگت فراہم کی جائے گی۔ بعد ازاں، مروجہ پالیسی کے مطابق گیس نیٹ ورک اور کنکشنز فراہم کر دیے جائیں گے۔

89۔*جناب علی محمد: کیا وزیر برائے سائنس و ٹیکنالوجی بیان فرمائیں گے:

(الف) پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (پی ایس کیو سی اے) نے اب تک کتنے پاکستانی معیارات کو مشتہر کیا ہے، نیز کتنے معیارات بین الاقوامی تنظیم برائے معیارات سازی (آئی ایس او)، انٹرنیشنل الیکٹرو ٹیکنیکل کمیشن (آئی ای سی)، کوڈیکس ایلیمنٹیریس اور دیگر تسلیم شدہ اداروں کی جانب سے جاری کردہ بین الاقوامی معیارات سے ہم آہنگ ہیں؛

(ب) آیا حکومت نے پاکستان کی برآمدات، صنعتی مسابقت اور صارف کے تحفظ پر غیر ہم آہنگ معیارات، جانچ کی ناکافی سہولیات اور مطابقت کی جانچ کے کمزور نظاموں کے اثرات کا جائزہ لیا ہے؛

(ج) گزشتہ پانچ سالوں کے دوران پی ایس کیو سی اے کی جانب سے کیے گئے معائنوں، جرمانہ عائد کردہ فیکٹریوں، واپس منگوائی گئی مصنوعات اور کیے گئے نفاذی اقدامات کی سال وار تفصیلات کیا ہیں؛

(د) آیا ملک کے اندر جانچ کی جانے والی مصنوعات کو اکثر بیرونِ ملک دوبارہ جانچ سے گزرنا پڑتا ہے اور یہ کہ ضابطہ جاتی نفاذ بدستور کمزور ہے؛ نیز

(ہ) جانچ اور تصدیق کی خدمات کی بین الاقوامی سطح پر پذیرائی حاصل کرنے کی بابت پاکستان کے قومی معیار کے بنیادی ڈھانچے کو مضبوط بنانے اور پاکستانی مصنوعات کی بیرونِ ملک دوبارہ جانچ کی ضرورت کو کم کرنے کے لیے کن اصلاحات پر عملدرآمد کیا جا رہا ہے؟

وزیر برائے سائنس و ٹیکنالوجی (جناب خالد حسین مگسی)

(الف) پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (پی ایس کیو سی اے) نے 6,094 پاکستانی معیارات وضع کیے ہیں، جن میں درج ذیل بین الاقوامی معیارات کے اختیار کردہ/ہم آہنگ کردہ معیارات بھی شامل ہیں:

مذکورہ بین الاقوامی زمروں سے اختیار کیے گئے معیارات کی کل تعداد 16,059 ہے۔ پی ایس کیو سی اے، متعلقہ فریقین، جن میں صارفین، صنعت کار، حکومتی/ضابطہ کار ادارے، ماہرینِ ٹیکنالوجی، سائنس دان، ٹیسٹنگ لیبارٹریاں اور شعبۂ تعلیم شامل ہیں، سے مشاورت اور اتفاقِ رائے کے ذریعے 11 تکنیکی شعبہ جات اور 177 تکنیکی کمیٹیوں کے تحت معیارات کی تیاری اور اختیار کرنے کا عمل انجام دیتی ہے۔ خوراک اور زراعت کے حوالے سے تفصیلات ضمیمہ-الف میں منسلک ہیں۔

(ب) حکومت اس امر سے آگاہ ہے کہ غیر ہم آہنگ معیارات، ناکافی جانچ کی استعداد اور مطابقت کے جائزے کے کمزور نظام برآمدات، صنعتی مسابقت اور صارفین کے تحفظ پر منفی اثرات مرتب کر سکتے ہیں۔ ایسی خامیوں کے نتیجے میں تجارت میں تکنیکی رکاوٹیں، بیرونِ ملک دوبارہ جانچ، کھیپ کی کلیئرنس میں تاخیر، تعمیل کی اضافی لاگت، خریداروں کے اعتماد میں کمی اور ملکی منڈی میں غیر معیاری/مقررہ معیارات سے مطابقت نہ رکھنے والی مصنوعات کے خطرات میں اضافہ ہو سکتا ہے۔

(ج) پی ایس کیو سی اے معیارات کی تیاری/اختیار، نوٹیفائی شدہ مصنوعات کے لیے لازمی سرٹیفیکیشن، مطابقت کے جائزے کی اسکیموں (Conformity Assessment Schemes)، QCC، ٹیسٹنگ خدمات، درآمدات و برآمدات کی جانچ اور ڈبلیو ٹی او-ٹی بی ٹی سے متعلق معیاری کاری کے میں شرکت کے ذریعے ان خطرات سے نمٹتی ہے۔

پی ایس کیو سی اے ایکٹ، 1996 اور متعلقہ قواعد کے تحت باقاعدگی سے مارکیٹ کی نگرانی، فیکٹریوں کے معائنے اور نفاذ سے متعلق کارروائیاں انجام دیتی ہے۔ نفاذ کی کارروائیوں میں معائنہ، غیر مطابقت رکھنے والی مصنوعات کی ضبطی، لائسنسوں کی معطلی/منسوخی اور

خلاف ورزی ثابت ہونے کی صورت میں قانونی کارروائی کا آغاز شامل ہے۔ گزشتہ پانچ برس کے دوران سال وار معائنوں، جرمانوں، مصنوعات کی واپسی (Recalls) اور نفاذی کارروائیوں کی تفصیلات ضمیمہ-ب پر دیکھیں ہیں۔

(د) i۔ عمومی اصول کے طور پر، آئی ایس او/آئی ای سی، 17025 سے منظور شدہ لیبارٹریوں سے جانچ شدہ مصنوعات کو عموماً دنیا بھر میں قبول کیا جاتا ہے، تاہم یہ قبولیت درآمد کرنے والے ملک میں نافذ ضابطہ جاتی تقاضوں اور قابل اطلاق ضابطہ جاتی و مطابقت کے جائزے سے متعلق ضروریات سے مشروط ہوتی ہے۔

ii۔ ہر ملک میں درآمد شدہ مصنوعات کی قبولیت کے حوالے سے اپنے ضابطہ جاتی تقاضے اور مطابقت کے جائزے کے طریقہ کار (Conformity Assessment Procedures) موجود ہوتے ہیں، اور مارکیٹ تک رسائی کے لیے ان تقاضوں کی تکمیل لازمی ہے۔

iii۔ جہاں تک ضابطہ جاتی نفاذ کا تعلق ہے، عرض ہے کہ PSQCA ایکٹ، 1996 کی دفعہ 14 کے تحت وضع کردہ قواعد و ضوابط مقامی طور پر تیار کردہ اور درآمد شدہ، دونوں طرح کی مصنوعات پر یکساں طور پر لاگو ہوتے ہیں، اور PSQCA کے مطابقت کے جائزے (CA) سے متعلق قواعد کے ذریعے ان ضوابط کی پابندی کو سختی سے یقینی بنایا جاتا ہے۔

(ہ) i۔ پاکستان کا قومی معیار و معیاریت کا بنیادی ڈھانچہ (National Quality Infrastructure-NQI) وزارتِ سائنس و ٹیکنالوجی (MOST) کے تحت کام کرتا ہے اور درج ذیل چار اداروں پر مشتمل ہے:

- پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (PSQCA): مقامی طور پر تیار کردہ اور درآمد شدہ مصنوعات کے معیارات مقرر کرنے اور ان کے مطابقتی جائزے کی ذمہ دار ہے۔
- پاکستان نیشنل ایکریڈیٹیشن کونسل (PNAC): ISO/IEC 17025 کے مطابق ٹیسٹنگ اور کیلیبریشن لیبارٹریوں کی منظوری (Accreditation) کی ذمہ دار ہے۔
- پاکستان کونسل آف سائنٹیفک اینڈ انڈسٹریل ریسرچ (PCSIR): مصنوعات اور مواد کے حوالے سے تحقیق، ترقی، جانچ اور تجزیاتی خدمات انجام دینے کی ذمہ دار ہے۔
- نیشنل میٹرولوجی انسٹی ٹیوٹ آف پاکستان (NMIP): کیلیبریشن کی خدمات فراہم کرنے اور پاکستان میں قومی پیمائشی معیارات اور میٹرولوجی (علمِ پیمائش) کے قومی نگران ادارے کے طور پر کام کرنے کا ذمہ دار ہے۔

ii۔ پاکستان کے معیار و معیاریت کے بنیادی ڈھانچے کی بین الاقوامی سطح پر پذیرائی بڑھانے، ٹیسٹنگ اور سرٹیفیکیشن کی خدمات کو مستحکم کرنے اور دوبارہ جانچ کی ضرورت کو کم سے کم کرنے کے لیے وزارتِ سائنس و ٹیکنالوجی (MOST) نے ان اداروں کو مزید مستحکم کیا ہے۔ اس سلسلے میں پاکستان نیشنل ایکریڈیٹیشن کونسل (PNAC) نے سرکاری اور نجی دونوں شعبوں کی ٹیسٹنگ لیبارٹریوں، بشمول پاکستان کونسل آف سائنٹیفک اینڈ انڈسٹریل ریسرچ (PCSIR)، کو ISO/IEC 17025 کے مطابق منظور شدہ قرار دیا ہے، جس کے نتیجے میں ان کی ٹیسٹ رپورٹس کو بین الاقوامی سطح پر تسلیم کیے جانے اور وسیع پیمانے پر قبول کیے جانے میں سہولت حاصل ہوئی ہے۔

iii۔PSQCA بین الاقوامی سطح پر تسلیم شدہ اداروں، مثلاً ISO، IEC اور OIMN کی جانب سے جاری کردہ معیارات کے ساتھ پاکستانی معیارات کو مسلسل وضع اور ہم آہنگ کر رہی ہے، جس کا مقصد پاکستانی مصنوعات کے معیارات کو بین الاقوامی سطح پر قابل قبول بنانا اور تجارت کو سہولت فراہم کرنا ہے۔

(مسلکہ جات قومی اسمبلی کی لائبریری میں رکھ دیئے گئے ہیں)

90۔*ڈاکٹر شازیہ ثوبیہ اسلم سومرو: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) آیا حکومت کے پاس آخری دستیاب تاریخ تک ہر تقسیم کار کمپنی (ڈسکو) کے ذمے واجب الادا مجموعی گردشی قرضے کا ریکارڈ موجود ہے؛

(ب) ہر ڈسکو کے گردشی قرضے کی صورتحال کیا ہے، نیز گزشتہ مالی سال کے متعلقہ اعداد و شمار کے ساتھ اس کا تقابلی جائزہ کیا ہے؛ نیز

(ج) تقسیم کار کمپنیوں میں گردشی قرضہ کم کرنے کے لیے پہلے سے کون سے اقدامات کیے گئے ہیں یا تجویز کیے گئے ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) چونکہ گردشی قرضہ اسٹاک ایک مربوط شعبہ جاتی سطح کی ذمہ داری ہے، لہٰذا جون 2026ء تک گردشی قرضے کی رقم 1,675/ارب روپے ہے۔

(ب) جیسا کہ بالا میں وضاحت کی گئی ہے، گردشی قرضہ ایک مربوط شعبہ جاتی سطح کی ذمہ داری ہے۔

(ج) گردشی قرضے میں اضافہ ہونے کو کم کرنے کے لیے درج ذیل مخصوص اقدامات اختیار کیے گئے ہیں:

- ایسی قابل وصول رقوم میں اضافہ کو کم کرنے کے لیے گردشی قرضہ انتظامی منصوبہ (سی ڈی ایم پی) پر عمل درآمد۔
- گردشی قرضہ کا تسویہ جاتی منصوبے کے تحت چھ سالہ مالیاتی انتظام کے ذریعے زیادہ لاگت والے قرضے کو کم لاگت والی مالی معاونت سے دوبارہ مالیاتی انتظام میں لانا تاکہ مالیاتی اخراجات اور ڈسکوز سے قابل وصول رقوم کے اسٹاک کو کم کیا جاسکے۔
- نقصانات، وصولی اور کارکردگی کے سخت اہداف مع بہتر احتساب کے ذریعے ڈسکوز کی کارکردگی کی نگرانی کو بہتر بنایا گیا ہے۔
- ڈسکوز کو حکومتی سبسڈیز کا بروقت اجراء۔

91۔*محترمہ ثمینہ خالد گھرکی: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے:

(الف) گزشتہ تین سالوں کے دوران ملک بھر میں تیل، گیس، کوئلے اور دیگر قیمتی پتھروں کی کان کنی اور تلاش کے دوران لینڈ سلائیڈنگ اور دیگر حادثات کے باعث کتنے مزدور جاں بحق اور زخمی ہوئے؛

(ب) مذکورہ بالا کی صوبہ وار تفصیلات، نیز ہر اس کمپنی کا نام کیا ہے جس میں وہ مذکورہ مدت کے دوران کام کر رہے تھے؛ نیز

(ج) حکومت یا کمپنیوں کی جانب سے مذکورہ مزدوروں کو دیئے جانے والے مالی پیکیج/امداد کی تفصیلات کیا ہیں؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) گزشتہ تین سالوں کے دوران صوبائی محکمہ کان کنی و معدنیات کی جانب سے رپورٹ کردہ کوئلے اور دیگر قیمتی پتھروں کی کانوں میں حادثات اور اموات کی سال وار تفصیل حسبِ ذیل ہے:

i.پنجاب

سال	مہلک حادثات کی کل تعداد	سنگین حادثات کی کل تعداد	اموات کی کل تعداد	زخمیوں کی کل تعداد
2023	21	6	22	7
2024	20	3	26	6
2025	14	5	15	7

ii. خیبر پختونخوا(کے پی):

سال	زخمیوں کی کل تعداد	اموات کی کل تعداد
2023-26	65	160

iii. خیبر پختونخوا(کے پی):

سال	زخمیوں کی کل تعداد	اموات کی کل تعداد
2023	1	73
2024	0	64
2025	0	77

iv. گلگت بلتستان میں کوئی حادثہ رپورٹ نہیں ہوا۔

حکومتِ سندھ اور آزاد جموں وکشمیر کی جانب سے جواب موصول نہیں ہوا۔

(ب) صوبوں کی جانب سے فراہم کردہ کمپنیوں سے متعلق تفصیلات منسلکہ-الف (پنجاب)، منسلکہ-ب (خیبر پختونخوا) اور منسلکہ-ج (بلوچستان)پر دی گئی ہیں۔

(ج) کانوں کے معائنہ کار، حکومتِ پنجاب، یا متعلقہ کمپنی کی جانب سے ہر متاثرہ فرد کو فراہم کیے جانے والے مالی پیکیج کی تفصیل حسبِ ذیل ہے:

- وفات کا معاوضہ -/500,000روپے آجر کی جانب سے ادا کیا جاتا ہے۔
- وفات کی بابت گرانٹ -/800,000روپے پنجاب ورکرز ویلفیئر فنڈ/حکومت کی جانب سے ادا کی جاتی ہے۔
- میت کے تدفین اور نقل وحمل کے اخراجات -/100,000روپے حکومت کی جانب سے ادا کیے جاتے ہیں۔

محکمہ کان کنی، محنت و بہبود، حکومتِ خیبر پختونخوا، ہر متاثرہ خاندان کو 1,200,000 روپے سے 1,500,000 روپے تک وفات کا معاوضہ/ گرانٹ فراہم کرتا ہے، جبکہ زخمیوں کے لیے مالی امداد 240,000 پاکستانی روپے سے 800,000 پاکستانی روپے تک ہے۔

محکمہ معائنہ کانیں، حکومتِ بلوچستان کی جانب سے وفات اور زخمیوں کے لیے دی جانے والی گرانٹ/معاوضے کی تفصیل حسبِ ذیل ہے:

سال	کان کنوں میں تقسیم کی گئی رقم
2023	18,050,000/-
2024	9,760,000/-
2025	2,700,000/-

(منسلکہ جات قومی اسمبلی کی لائبریری میں رکھ دیئے گئے ہیں)

92۔*ڈاکٹر شازیہ ثوبیہ اسلم سومرو: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے:

(الف) آیا حکومت نے ملک بھر میں ایل پی جی سے متعلق بار بار پیش آنے والے حادثات، بشمول اسلام آباد، ملتان، لاہور اور مردان میں حالیہ مہلک حادثات، کا نوٹس لیا ہے؛

(ب) ایل پی جی کے حفاظتی معیارات کو منضبط کرنے میں آئل اینڈ گیس ریگولیٹری اتھارٹی (اوگرا) کا کردار کیا ہے؛

(ج) گزشتہ تین سالوں کے دوران خلاف ورزی کے مرتکب افراد کے خلاف کیا کارروائیاں کی گئی ہیں؛ نیز

(د) آیا حکومت ایل پی جی سے متعلق حادثات کی روک تھام اور عوامی تحفظ کے لیے موجودہ متعلقہ قوانین میں مزید سخت ضوابط یا ترامیم متعارف کرانے کا ارادہ رکھتی ہے؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) جی ہاں۔ آئل اینڈ گیس ریگولیٹری اتھارٹی (اوگرا) ایل پی جی سے متعلق حادثات کا سنجیدگی سے نوٹس لیتی ہے اور عوامی تحفظ کو بہتر بنانے کے لیے انسدادی اور نفاذی دونوں اقدامات اٹھاتی ہے۔ اوگرا ایل پی جی مارکیٹنگ کمپنیوں اور دیگر لائسنس یافتگان کو باقاعدگی سے ہدایات جاری کرتی ہے تاکہ مقررہ حفاظتی معیارات، لائسنس کی شرائط اور قابل اطلاق انضباطی تقاضوں کی سختی سے تعمیل کو یقینی بنایا جاسکے، جس کی فریق ثالث کے معائنوں کے ذریعے اور وقتاً فوقتاً اوگرا کے افسران کی جانب سے کیے جانے والے معائنوں کے ذریعے بھی تصدیق کی جاتی ہے۔

اس کے باوجود، اگر ایل پی جی سے متعلق کسی واقعہ کا پتا چلتا ہے تو اوگرا قابل اطلاق قواعد کے تحت لائسنس یافتگان کے خلاف سخت کارروائی عمل میں لاتی ہے۔ مثال کے طور پر، ملتان میں ایل پی جی باؤزر سے متعلقہ حادثے میں ملوث لائسنس یافتگان کو اوگرا کی جانب سے سزا دی گئی اور حادثے کے تمام متاثرین کو معاوضہ بھی دیا گیا۔ اس معاملے کی مکمل تحقیقات کی گئیں۔ تاہم، اسلام آباد، لاہور اور مردان کے حادثات کا تعلق ایل پی جی سے نہیں تھا۔

(ب) اوگرا قابل اطلاق قوانین، قواعد اور لائسنس کی شرائط کے مطابق جامع لائسنس کے اجراء، معائنہ اور تعمیل کے فریم ورک کے ذریعے ایل پی جی کے حفاظتی معیارات کو منضبط اور نافذ کرتی ہے۔ لائسنس یافتہ ایل پی جی تنصیبات، بشمول ایل پی جی ٹرمینلز، ذخیرہ اور بھرائی کے پلانٹس، خودکار ری فیولنگ اسٹیشنوں اور مجاز ڈسٹری بیوٹرز کے باقاعدگی سے معائنے کیے جاتے ہیں تاکہ مقررہ حفاظتی تقاضوں کی تعمیل کو یقینی بنایا جاسکے۔

(ج) گزشتہ تین سالوں کے دوران اوگرا نے صوبائی حکومتوں کے تعاون سے متعدد غیر قانونی ایل پی جی آلات تیار کرنے والوں کو سربمہر کر دیا ہے۔ اسی طرح، ضابطہ اخلاق کی خلاف ورزی اور مقررہ معیارات کی عدم تعمیل کی بناء پر ایک ایل پی جی آلات تیار کنندہ کی رجسٹریشن بھی منسوخ کی گئی ہے۔ مزید برآں، متعدد ایل پی جی ذخیرہ اور بھرائی کے پلانٹس، خودکار ری فیولنگ اسٹیشنوں اور آلات تیار کرنے والوں کے خلاف بھی اوگرا کی جانب سے قابل اطلاق قواعد کے تحت جرمانے عائد کیے گئے ہیں۔ (تفصیلات منسلکہ-I پر ہیں۔)

(د) جی ہاں۔ پی پی سی کی موجودہ دفعات (دفعہ 285 اور 286) خلاف ورزیوں کی سنگینی اور ان سے وابستہ مضمرات کا مناسب طور پر احاطہ نہیں کرتیں۔ انسدادی اثر بڑھانے اور انضباط کار کی عمل داری برقرار رکھنے کے لیے اوگرا نے پی پی سی میں ترامیم تجویز کی ہیں (تفصیلات منسلکہ-II پر ہیں) اور وفاقی حکومت سے درخواست کی ہے کہ بدعنوان افراد کی جانب سے تیل اور گیس کے کاروبار کو ناقابل ضمانت جرم قرار دیا جائے۔ بعد ازاں سزاؤں میں بھی اضافہ کیا گیا ہے تاکہ غیر مجاز افراد اس کاروبار کا حصہ نہ بنیں۔ مذکورہ ترمیمی بل اس وقت وزارتِ داخلہ میں زیرِ عمل ہے، جس کی منظوری کے عمل کو تیز کرنے کی ضرورت ہے۔

(منسلکہ جات قومی اسمبلی کی لائبریری میں رکھ دیئے گئے ہیں)

93۔* محترمہ غزالہ انجم: کیا وزیر برائے مواصلات بیان فرمائیں گے:

(الف) آیا چترال۔شندور روڈ کی تعمیر کی منظوری دی جا چکی ہے؛

(ب) مذکورہ سڑک کی منظوری کا سال، منظور شدہ مجموعی رقم اب تک جاری کردہ رقم اور مکمل کیے گئے کام کی شرح فیصد کیا ہے؛ نیز

(ج) کام میں تاخیر کی وجوہات کیا ہیں اور اس کی تکمیل کی متوقع تاریخ کیا ہے؟

وزیر برائے موصلات (جناب عبدالعلیم خان)

(الف) جی ہاں، چترال-بونی-مستوج-شندور روڈ (N-140) جس کی کل لمبائی 153 کلو میٹر ہے، کی کشادگی اور بہتری کی منظوری پبلک سیکٹر ڈیولپمنٹ پروگرام (PSDP) کے تحت دی گئی ہے۔ یہ منصوبہ چار ٹھیکیداری پیکیجز میں تقسیم کیا گیا ہے اور نیشنل ہائی وے اتھارٹی (NHA) کے تحت زیرِ تعمیل ہے۔

(ب) حکومتِ خیبر پختونخوا سے نیشنل ہائی وے اتھارٹی کو سڑک منتقل کیے جانے کے بعد اس منصوبے کی منظوری 2020ء میں دی گئی تھی۔ نظرِ ثانی شدہ PC-I کی لاگت 17.783 ارب روپے ہے۔ منظور شدہ لاگت کے مقابلے میں اب تک 8.2 ارب روپے کے فنڈز جاری کیے جا چکے ہیں۔ مالی سال 26-2025ء کے لیے پی ایس ڈی پی (PSDP) کی مختص کردہ رقم 1.500 ارب روپے تھی۔ منصوبے کی مجموعی طبعی (فزیکل) پیشرفت تقریباً 37.7 فیصد ہے۔

پیکیج وار پیشرفت درج ذیل ہے:

- پیکیج-I (چترال–پریت): 45.35 فیصد
- پیکیج-II (پریت–بونی): 34.40 فیصد
- پیکیج-III (بونی–شائیداس): 38.16 فیصد
- پیکیج-IV (شائیداس–شندور): 29.78 فیصد

(ج) منصوبے میں تاخیر کا بنیادی سبب 2022ء کے غیر معمولی سیلاب، دشوار گزار پہاڑی علاقہ، فنڈز کی عدم دستیابی، اور کان کنی و معدنیات سے متعلق منظوریوں اور دیگر قانونی اجازت ناموں کے حصول میں تاخیر ہے۔ تاہم، ٹھیکیداروں کے ساتھ معاہداتی تنازعات کو باہمی رضامندی سے حل کر لیا گیا ہے، مجاز اتھارٹی کی جانب سے وقت میں توسیع (EOT) منظور کر لی گئی ہے، ٹھیکیداروں کی دوبارہ متحرک ہو گئے ہیں اور تعمیراتی کام جاری ہے۔ پی ایس ڈی پی فنڈز کی بروقت فراہمی اور اراضی کے حصول کے بقایاجات کے حل سے مشروط، منصوبے کی تکمیل کا ہدف دسمبر 2026ء مقرر کیا گیا ہے۔

94۔* جناب سہیل سلطان: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) کالا کلے (گرڈ اسٹیشن) سوات کب تک مکمل کر لیا جائے گا؛ نیز

(ب) سوات میں کالا کلے (گرڈ اسٹیشن) کی تعمیر میں تاخیر کی وجوہات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) یہ مطلع کیا جاتا ہے کہ مذکورہ گرڈ اسٹیشن کی کنٹرول ہاؤس بلڈنگ اور سوئچ یارڈ کے سول ورکس مکمل ہو چکے ہیں جبکہ برقی آلات کی تنصیب کا کام جاری ہے۔

منصوبہ ستمبر، 2026ء تک مکمل ہونے کی توقع ہے بشرطیکہ فیڈنگ سورس پر رائٹ حق راہداری (آر او ڈبلیو) کی کلیئرنس حاصل ہو جائے۔
متعلقہ ٹرانسمیشن لائن کے حوالے سے، 55 میں سے 51 ٹاورز کی بنیادوں کا کام مکمل ہو چکا ہے (93٪) جبکہ اب تک 40 ٹاورز کی تنصیب مکمل کی جا چکی ہے۔ باقی ماندہ کام جاری ہیں اور انہیں جلد از جلد مکمل کرنے کے لیے ترجیحی بنیادوں پر آگے بڑھایا جا رہا ہے۔

(ب) سوات میں کالا کلے گرڈ اسٹیشن کی تعمیر میں بنیادی طور پر ٹرانسمیشن لائن کے ٹاور مقامات 38، 39، 51 اور 52 پر حق راہداری (آر او ڈبلیو) کے مسائل کے باعث تاخیر ہوئی ہے جو مقامی زمین مالکان کے ساتھ تنازعات کی وجہ سے پیدا ہوئے ہیں۔ ان رکاوٹوں کے باعث مقام تک رسائی اور باقی ماندہ کاموں پر عمل درآمد متاثر ہوا ہے۔

تاہم، مقامی انتظامیہ کو اس معاملے میں شامل کیا گیا ہے اور مسائل کو باہمی رضامندی سے حل کرنے کے لیے کوششیں جاری ہیں تاکہ منصوبے کو جلد از جلد مکمل کیا جا سکے۔

95۔* جناب سنجے پروانی: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) گزشتہ سالوں کے دوران ہر ڈسکو کی جانب سے ریکارڈ کردہ مجموعی ترسیلی اور تقسیمی نقصانات کی تفصیلات کیا ہیں؛ نیز

(ب) مذکورہ نقصانات میں کمی لانے کے لیے حکومت کی جانب سے کیا اقدامات کیے جا رہے ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) گزشتہ تین سال کے دوران ہر تقسیم کار کمپنی (DISCO) کی طرف سے ریکارڈ کیے گئے مجموعی ترسیلی و تقسیمی نقصانات کی تفصیلات درج ذیل ہیں:

تقسیم کار کمپنی	مالی سال 2023-24		مالی سال 2024-25		مالی سال 2025-26	
	فیصد	ارب روپے	فیصد	ارب روپے	فیصد	ارب روپے
آئیسکو (IESCO)	8.9٪	6	8.6٪	5	7.9٪	2
لیسکو (LESCO)	15.9٪	48	13.7٪	35	12.2٪	26
گیپکو (GEPCO)	11.5٪	9	10.6٪	5	10.0٪	6
فیسکو (FESCO)	9.9٪	5	9.0٪	3	8.0٪	1
میپکو (MEPCO)	15.3٪	23	13.8٪	14	12.4٪	6
پیسکو (PESCO)	38.1٪	97	37.1٪	87	40.7٪	85
حیسکو (HESCO)	27.6٪	23	27.9٪	27	25.7٪	20
کیسکو (QESCO)	29.8٪	37	38.4٪	52	60.2٪	82
سیپکو (SEPCO)	34.9٪	29	39.2٪	36	38.5٪	34
ٹیسکو (TESCO)	8.6٪	-0.2	8.3٪	-0.5	8.1٪	-0.5
حازیکو (HAZECO)	—	—	لاگو نہیں	—	15.9٪	0
کل	**18.3٪**	**276**	**17.6٪**	**265**	**17.2٪**	**262**

نوٹ:

1۔ مالی سال 2025-26 میں حازیکو (HAZECO) کو پیسکو (PESCO) سے الگ کر کے ایک علیحدہ تقسیم کار کمپنی بنایا گیا۔

2۔ متعلقہ سالوں کے دوران ٹیسکو (TESCO) کے حقیقی تقسیمی نقصانات نیپرا کی جانب سے مقررہ حدود سے کم رہے۔ نتیجتاً کمپنی نے بچت حاصل کی۔

(ب) مذکورہ نقصانات میں کمی لانے کے لیے حکومت کی جانب سے درج ذیل اقدامات تقسیم کار کمپنیوں میں کیے جا رہے ہیں:

- نئے گرڈاسٹیشنوں کی تعمیر اور موجودہ گرڈاسٹیشنوں کی استعداد میں اضافہ۔
- موجودہ اوورلوڈ 11 کے وی فیڈرز کی ایریا پلاننگ/دو حصوں میں تقسیم۔
- بجلی کے ٹرانسفارمرز کی تعداد اور استعداد میں اضافہ۔
- بجلی چوری کی روک تھام کے لیے ایریل بنڈلڈ کیبلز (ABC) کی تنصیب۔
- کم گنجائش والے کنڈکٹرز کی تبدیلی۔
- خراب کیپیسٹرز کی تنصیب اور تبدیلی۔
- پرانے/خراب میٹروں کی تبدیلی۔
- خودکار میٹر ریڈنگ/(AMR) جدید میٹرنگ انفراسٹرکچر (AMI) میٹروں کی تنصیب۔
- انتظامی نقصانات میں کمی لانے کے لیے بجلی چوری کے خلاف مہم۔

96۔*ڈاکٹر مہرین رزاق بھٹو: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) گزشتہ پانچ سالوں کے دوران خود مختار بجلی پیدا کنندگان (آئی پی پیز) کو سالانہ کتنی استعدادی ادائیگی ادا کی جارہی ہے؛ نیز

(ب) از سرِ نو طے پانے والے معاہدوں کے ذریعے کی گئی بچت کی تفصیلات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) گزشتہ پانچ سال کے دوران بجلی پیدا کرنے والے خود مختار اداروں (IPPs) کو کی گئی استعدادی ادائیگیوں کی تفصیلات منسلکہ۔I کے طور پر لف ہیں۔

(ب) ٹاسک فورس کی کوششوں کے نتیجے میں، بجلی پیدا کرنے والے ۶۰ خود مختار اداروں (IPPs) سے بجلی خریدنے کے معاہدے ختم کر دیے گئے ہیں، جبکہ دیگر بجلی پیدا کرنے والے اداروں کے ساتھ ٹیرف میں کمی کے لیے معاہدوں میں ترمیم کی گئی ہے، جس کے نتیجے میں پاور پلانٹس کے کارآمد رہنے کی باقی ماندہ مدت کے دوران کل ۳ء۴ ٹریلین روپے کی بچت ہوئی ہے۔

گزشتہ پانچ سال کے دوران بجلی پیدا کرنے والے اداروں کو کی گئی استعدادی ادائیگی۔

منسلکہ۔I

مالی سال	(ملین روپے میں) کی گئی ادائیگی
مالی سال 2020-21	613,923.56
مالی سال 2021-22	775,892.58
مالی سال 2022-23	1,306,858.57
مالی سال 2023-24	1,901,944.11
مالی سال 2024-25	1,807,398.41

97۔* محترمہ ثمینہ خالد گھرکی : کیا وزیر برائے خارجہ امور بیان فرمائیں گے:

(الف) مالدیپ، نائجیریا، مصر اور ایران کے ساتھ دوطرفہ تعلقات کی موجودہ صورتحال کیا ہے؛ نیز

(ب) مذکورہ ممالک کے ساتھ سفارتی تعلقات کے فروغ کو یقینی بنانے کے لیے حکومت کی جانب سے کیا اقدامات کیے جارہے ہیں؟

وزیر برائے خارجہ امور (سینیٹر محمد اسحاق ڈار)

مالدیپ

(الف) ان اہم بین الاقوامی معاہدوں، عہد ناموں اور کنونشنز کی فہرست جن کا پاکستان فریق ہے اور جو بنیادی طور پر وزارتِ خارجہ کی ذمہ داری کے دائرے میں آتے ہیں، جن میں امن، سلامتی، تجارتی تعلقات، انسانی حقوق، پناہ گزینوں اور عالمی نظم و نسق سے متعلق دوطرفہ، علاقائی اور کثیر الجہتی معاہدے اور دستاویزات شامل ہیں۔

(ب) ہر ایسے معاہدے یا عہد نامے کے لیے دستخط کی تاریخ، توثیق کی تاریخ اور اس کے تحت عائد اہم ذمہ داریوں یا وعدوں کی تفصیلات **ضمیمہ-الف** میں درج ہیں۔

نائجیریا

پاکستان اور نائجیریا نے 22 مارچ 1961ء کو سفارتی تعلقات قائم کیے اور دونوں ممالک کے درمیان دوستانہ اور خوشگوار دوطرفہ تعلقات قائم ہیں۔ دونوں ممالک باقاعدگی سے رابطے میں رہتے ہیں اور دوطرفہ کے ساتھ ساتھ کثیر الجہتی فورمز پر بھی تعاون کرتے ہیں۔ اگرچہ دفاعی تعاون دونوں ممالک کے تعلقات کا ایک مضبوط ستون ہے تاہم سیاسی، اقتصادی اور تجارتی تعلقات کو مزید مضبوط بنانے کے لیے بھی کوششیں جاری ہیں۔ دوسری پاکستان۔افریقہ تجارتی ترقی کانفرنس 23 نومبر 2021ء کو لاگوس، نائجیریا میں منعقد ہوئی۔ کانفرنس میں تقریباً 400 وفود نے شرکت کی۔ 24 اور 25 نومبر 2021ء کو ایک ملکی نمائش بھی منعقد ہوئی جس میں 101 پاکستانی کمپنیوں کے تقریباً 210 نمائش کنندگان نے شرکت کی۔

موجودہ ادارہ جاتی فریم ورک میں پاکستان۔نائجیریا مشترکہ وزارتی کمیشن شامل ہے جس کا دوسرا اجلاس 2014ء میں ابوجا میں منعقد ہوا تھا۔ تیسرا اجلاس باہمی طور پر موزوں تاریخوں پر منعقد کرنے کی تجویز ہے۔ دوطرفہ سیاسی مشاورت کے حوالے سے ایک مفاہمتی یادداشت (ایم او یو) بھی نائجیریا کی جانب سے زیرِ غور ہے۔

پاکستان کے افریقہ سے تعلقات اقدام کے تحت دوطرفہ تجارت اور تجارتی تعاون میں تیزی آئی ہے۔ نومبر 2021ء میں لاگوس میں منعقد ہونے والی دوسری پاکستان۔افریقہ تجارتی ترقی کانفرنس اور ایک ملکی نمائش نے کاروباری سطح پر رابطوں کو نمایاں فروغ دیا۔ پاکستان نے نائجیریا کے ساتھ دوطرفہ تجارتی معاہدے کے مسودے کا تبادلہ بھی کیا ہے اور نائجیریا کی جانب سے حتمی جواب کا انتظار ہے۔

دونوں ممالک کے درمیان دفاعی تعاون مضبوط ہے اور مسلسل وسعت پا رہا ہے۔ نائجیریا نے پاکستان سے جے ایف۔17 تھنڈر لڑاکا طیارے اور سپر مشاق تربیتی طیارے حاصل کیے ہیں۔ نائجیریا کے 5,000 سے زائد دفاعی اہلکار پاکستان میں تربیت حاصل کر چکے ہیں جن میں تقریباً 400 اہلکار انسدادِ دہشت گردی کی تربیت حاصل کر چکے ہیں۔ اعلیٰ سطحی دفاعی تبادلے بھی باقاعدگی سے ہوتے رہے ہیں۔

پاکستان، پاکستان ٹیکنکل اسسٹنس پروگرام (پی ٹی اے پی) کے تحت نائجیریا کے طلبہ کو وظائف اور تکنیکی تربیت کے مواقع فراہم کر کے تعلیمی تعاون بھی جاری رکھے ہوئے ہے۔

مجموعی طور پر، پاکستان نائجیریا کے ساتھ اپنے تعلقات کو بہت اہمیت دیتا ہے اور دونوں ممالک کے باہمی مفاد کے لیے سیاسی، اقتصادی، دفاعی، تعلیمی اور عوامی سطح کے شعبوں میں دوطرفہ تعاون کو مزید مضبوط بنانے کے لیے پُرعزم ہے۔

مصر

مصر کے ساتھ دوطرفہ تعلقات کی موجودہ صورتحال

پاکستان اور مصر کے درمیان دیرینہ، خوشگوار اور برادرانہ تعلقات قائم ہیں، جو باہمی اعتماد، تاریخی روابط اور علاقائی و بین الاقوامی امور پر مشترکہ مؤقف پر استوار ہیں۔ 1948ء میں سفارتی تعلقات کے قیام کے بعد حالیہ برسوں میں اعلیٰ سطحی باقاعدہ روابط اور مختلف شعبوں میں بڑھتے ہوئے تعاون کے ذریعے ان تعلقات میں ایک بار پھر نئی تحریک پیدا ہوئی ہے۔

سیاسی تعلقات مضبوط ہیں اور دونوں ممالک کی قیادت کے درمیان باقاعدہ روابط جاری ہیں۔ وزیراعظم پاکستان نے اکتوبر 2025ء اور دسمبر 2025ء میں بالترتیب ''شرم الشیخ امن سربراہی اجلاس'' اور ڈی-8 سربراہی اجلاس میں شرکت کے لیے مصر کے دورے کیے، جبکہ مصری وزیر خارجہ نے نومبر 2025ء اور مارچ 2026ء میں دو مرتبہ پاکستان کا دورہ کیا۔ اسی طرح نائب وزیراعظم/وزیر خارجہ پاکستان نے جون 2026ء میں مصر کا دورہ کیا، جو دوطرفہ تعاون کو مزید مستحکم کرنے کے لیے دونوں جانب کے عزم کا عکاس ہے۔

دونوں ممالک کے وزرائے خارجہ باہمی دلچسپی کے امور، بشمول خطے کی صورتحال، پر تبادلۂ خیال کے لیے باقاعدہ رابطے میں رہتے ہیں۔

وزارتی سطح پر روابط بھی دونوں ممالک کے درمیان دوطرفہ تعلقات کو مزید مضبوط بنانے میں معاون ہیں۔ سردار محمد یوسف، وزیر برائے مذہبی امور، نے جنوری 2026ء میں سپریم کونسل آف اسلامک افیئرز کی 36ویں بین الاقوامی کانفرنس میں شرکت کے لیے مصر کا دورہ کیا۔ اس سے قبل چوہدری سالک حسین، وزیر برائے اوورسیز پاکستانیز و انسانی وسائل کی ترقی، نے عظیم مصری عجائب گھر کی افتتاحی تقریب میں شرکت کے لیے نومبر 2025ء میں مصر کا دورہ کیا۔

دفاعی تعاون میں بھی اعلیٰ سطحی تبادلوں اور ادارہ جاتی روابط کے ذریعے مزید اضافہ ہو رہا ہے۔ فیلڈ مارشل سید عاصم منیر نے اکتوبر 2025ء میں مصری قیادت اور اعلیٰ فوجی حکام سے ملاقاتوں کے لیے مصر کا دورہ کیا۔ پاکستان۔ مصر عسکری تعاون کمیٹی کا 15واں اجلاس بھی جنوری 2026ء میں مصر میں منعقد ہوا، جو دوطرفہ دفاعی تعاون میں بڑھتی ہوئی پیش رفت کا مظہر ہے۔

اقتصادی تعاون میں بہتری آ رہی ہے، اگرچہ یہ اب بھی اپنی حقیقی استعداد سے کم ہے۔ مالی سال 2024-25ء میں دوطرفہ تجارت 221.9 ملین امریکی ڈالر رہی، جبکہ دونوں حکومتیں تجارت، سرمایہ کاری اور کاروباری شعبے کے باہمی روابط کو فروغ دینے کے لیے کام کر رہی ہیں۔

صحت، تعلیم اور ثقافت کے شعبوں میں بھی تعاون مضبوط ہوا ہے۔ مصر نے پاکستان کے ہیپاٹائٹس سی کے خاتمے کے پروگرام کے لیے ادویات اور تکنیکی معاونت فراہم کر کے قابل قدر تعاون کیا ہے، جبکہ تعلیمی تعاون جامعہ الازہر اور دیگر علمی اقدامات کے ذریعے جاری ہے۔

دونوں ممالک علاقائی اور بین الاقوامی فورمز، بشمول اقوام متحدہ (UN)، اسلامی تعاون تنظیم (OIC)، ڈی-8، جی-77 اور حال ہی میں قائم کیے گئے آر-4 میکانزم میں قریبی تعاون اور رابطہ برقرار رکھے ہوئے ہیں۔

مجموعی طور پر پاکستان اور مصر کے تعلقات مثبت سمت میں گامزن ہیں، جن کی نمایاں خصوصیات میں بڑھتا ہوا سیاسی اعتماد، دفاعی تعاون میں توسیع، اقتصادی روابط میں اضافہ اور علاقائی و عالمی امور پر قریبی ہم آہنگی شامل ہیں۔

مصر کے ساتھ سفارتی تعلقات کے فروغ کے لیے حکومت کی جانب سے کیے گئے اقدامات

حکومتِ پاکستان نے سیاسی روابط، ادارہ جاتی تعاون اور مختلف شعبوں میں اشتراکِ عمل کو مسلسل فروغ دے کر مصر کے ساتھ سفارتی تعلقات کو مزید مستحکم کرنے کے لیے متعدد اقدامات کیے ہیں۔

باقاعدگی سے ہونے والے اعلیٰ سطحی تبادلے اور روابط دوطرفہ سفارت کاری کی ایک اہم خصوصیت رہے ہیں، جس سے دوطرفہ، علاقائی اور بین الاقوامی امور کے وسیع دائرے میں تعاون کو نئی تحریک ملی ہے۔

دونوں ممالک کے درمیان ادارہ جاتی مکالمہ سالانہ دوطرفہ مشاورت (ABC) کے ذریعے جاری ہے۔ اے بی سی کا 10واں دور 21 جولائی 2026ء کو منعقد ہوا، جس نے دوطرفہ تعاون کا جائزہ لینے اور تعاون کے لیے نئے مواقع تلاش کرنے کے لیے ایک اور اہم پلیٹ فارم فراہم کیا۔

دونوں حکومتوں نے اقتصادی تعلقات کو وسعت دینے کے لیے ایک جامع لائحۂ عمل پر بھی اتفاق کیا ہے، جس میں کاروباری ویزوں کے حصول میں سہولت فراہم کرنا، مشترکہ کاروباری کونسل کو فعال کرنا، چوتھے مشترکہ وزارتی کمیشن (JMC) کا اجلاس منعقد کرنا، اور تجارت و سرمایہ کاری کو فروغ دینا شامل ہے۔

دفاعی تعاون میں عسکری تعاون کمیٹی کے باقاعدہ اجلاسوں، دفاعی و سلامتی کے عملے کی بات چیت، مشترکہ فوجی مشقوں، دفاعی نمائشوں اور دفاعی پیداوار و تربیت کے شعبوں میں تعاون کے ذریعے اضافہ کیا گیا ہے۔

حکومت نے پاکستان کے ہیپاٹائٹس سی کے خاتمے کے پروگرام میں مصر کے ساتھ شراکت داری کے ذریعے صحت کے شعبے میں بھی تعاون کو فروغ دیا ہے، جس میں ادویات کی فراہمی، تکنیکی معاونت اور تربیتی مواقع شامل ہیں۔

جامعہ الازہر کے ساتھ تعاون، مصری جامعات میں پاکستان چیئرز دوبارہ قائم کرنے کی کوششوں اور زیادہ سے زیادہ علمی و ثقافتی تبادلوں کی تجاویز کے ذریعے تعلیمی اور ثقافتی تعاون کو مزید مضبوط کیا جا رہا ہے۔

پاکستان عظیم تر علاقائی رابطہ کاری اور سرمایہ کاری کے تعاون کے لیے بھی کوشاں ہے، جس میں گوادر پورٹ اور سویز کینال اکنامک زون کے درمیان تعاون کے امکانات پر بات چیت بھی شامل ہے۔

یہ اقدامات پاکستان اور مصر کے درمیان شراکت داری کو مزید مضبوط بنانے اور سیاسی، اقتصادی، دفاعی، تعلیمی، صحت اور کثیر الجہتی شعبوں میں تعاون کو وسعت دینے کے لیے حکومت کے عزم کی عکاسی کرتے ہیں۔

ایران

ایران کے ساتھ موجودہ دوطرفہ تعلقات

پاکستان اور ایران ہمسایہ ممالک ہیں اور گہرے تاریخی، مذہبی اور ثقافتی روابط پر مبنی دیرینہ سیاسی تعلقات کے حامل ہیں۔ دونوں ممالک کے درمیان 909 کلومیٹر طویل مشترکہ سرحد ہے۔ ایران 1947ء میں پاکستان کی آزادی کو تسلیم کرنے والا پہلا ملک تھا اور اس وقت سے دونوں ممالک کے درمیان باقاعدہ سفارتی روابط قائم ہیں۔

اگرچہ تعلقات میں بعض مشکل مراحل بھی آئے ہیں، خصوصاً جنوری 2024ء میں جب ایران نے بلوچستان میں میزائل حملے کیے اور پاکستان نے جوابی طور پر اہدافی حملے کیے، تاہم گزشتہ دو برس کے دوران دونوں ممالک کے تعلقات میں نمایاں بہتری آئی ہے۔ 12 روزہ جنگ اور امریکہ۔اسرائیل کے ساتھ ایران کے حالیہ تنازع کے دوران پاکستان کی ایران کے لیے مضبوط سفارتی اور سیاسی حمایت، جبکہ مئی 2025ء میں بھارت کے ساتھ پاکستان کے تنازع کے دوران ایران کی جانب سے پاکستان کی بھرپور حمایت، نے باہمی تعلقات کو مزید مضبوط کیا۔ موجودہ صورتحال میں پاکستان اور ایران کے دوطرفہ تعلقات تاریخی طور پر مضبوط سطح پر ہیں، جبکہ پاکستان کی جانب سے حالیہ ثالثی کی کوششوں اور دونوں ممالک کی قیادت کے درمیان بڑھتے ہوئے ذاتی روابط نے ان تعلقات کو مزید تقویت دی ہے۔

گزشتہ کئی دہائیوں کے دوران اعلیٰ سطحی دوروں، کثیر الجہتی اور علاقائی فورمز پر تعاون اور اہم بین الاقوامی امور پر باہمی حمایت کے ذریعے سیاسی روابط مزید مضبوط ہوئے ہیں۔ دونوں ممالک نے مسلسل مذاکرات، سرحدی سلامتی میں تعاون اور مشترکہ علاقائی مفادات کے شعبوں میں اشتراک کے ذریعے دوطرفہ تعلقات کو مزید گہرا کرنے کے اپنے عزم کا اعادہ کیا ہے۔

دونوں ممالک کے درمیان تعلقات کو قیادت کی سطح پر مسلسل روابط اور مضبوط ادارہ جاتی فریم ورک کے ذریعے استحکام حاصل ہے۔ بالخصوص ایرانی صدر ڈاکٹر مسعود پزشکیان کا 23 جون 2026ء کو پاکستان کی ثالثی کی کوششوں کو سراہنے کے لیے دورہ، جس کے نتیجے میں اسلام آباد مفاہمت کی یادداشت (MoU) پر دستخط ہوئے، دوطرفہ تعلقات میں ایک اہم سنگِ میل کی حیثیت رکھتا ہے۔ اس دورے سے دونوں ممالک کے درمیان تعلقات کے تمام شعبوں میں تعاون کو نئی تحریک ملی۔ یہ دورہ اگست 2025ء میں ان کے پاکستان کے سابقہ دورے کے بعد ہوا۔

اس کے جواب میں وزیر اعظم پاکستان نے ایک وفد کے ہمراہ 3 جولائی 2026ء کو ایران کا دورہ کیا تاکہ مرحوم سپریم لیڈر آیت اللہ سید علی خامنہ ای کی نمازِ جنازہ میں شرکت کی جا سکے۔ اس سے قبل 20 مئی 2025ء کو وزیر اعظم نے بھارت کے ساتھ جنگ کے دوران پاکستان کی حمایت پر ایرانی قیادت کا شکریہ ادا کرنے کے لیے ایران کا دورہ کیا تھا۔ جون 2026ء میں صدر پزشکیان کے دورے کے بعد دوطرفہ روابط میں ایک بار پھر نئی تحریک پیدا ہوئی ہے، جس کا اظہار وزارتی سطح کے متعدد دوروں سے ہوتا ہے۔ ان میں ایران کے وزیرِ سائنس، تحقیق و ٹیکنالوجی کا دورہ پاکستان شامل ہے، جبکہ ایران کے وزیر تجارت، صنعت و کان کنی بھی دسویں مشترکہ تجارتی کمیٹی کے اجلاس میں شرکت کے لیے اس وقت پاکستان کا دورہ کر رہے ہیں۔

دوطرفہ تجارت اور عوامی سطح پر مضبوط روابط اس تعلق کا ایک اہم جزو ہیں۔ اگرچہ بین الاقوامی پابندیوں کے باعث تجارت اپنی حقیقی استعداد تک نہیں پہنچ سکی، تاہم تجارت کے حجم کو سالانہ 10 ارب امریکی ڈالر کے دوطرفہ ہدف تک بڑھانے کے لیے نئی کوششیں جاری ہیں، جن میں زرعی مصنوعات پر خصوصی توجہ دی جا رہی ہے۔

مزید برآں، ایران کے ساتھ مختلف شعبوں میں تعاون بڑھانے کے لیے وزیر اعظم نے دو اعلیٰ سطحی ورکنگ گروپس (WG) قائم کیے ہیں؛ ایک تجارت، بینکاری اور مالیات کے شعبے میں، جبکہ دوسرا بندرگاہ، جہاز رانی اور متعلقہ امور کے لیے ہے۔ تمام متعلقہ محکمے ایران کے ساتھ دوطرفہ تعلقات کے تمام شعبوں میں تعاون کے فروغ کے لیے مل کر کام کر رہے ہیں۔ تجارت اور اقتصادی تعلقات کو مزید بہتر بنانے کے مقصد سے ان ورکنگ گروپس کے دوطرفہ اجلاس منعقد کرنے کے لیے مشاورت جاری ہے۔

پارلیمانی تعاون بھی دوطرفہ تعلقات کا ایک اہم ستون ہے، جس کے تحت گزشتہ کئی برسوں سے باقاعدہ روابط برقرار ہیں۔ قومی اسمبلی اور سینیٹ آف پاکستان، دونوں میں پاکستان۔ایران پارلیمانی دوستی گروپ موجود ہیں، جبکہ ایران کی مجلسِ شورائے اسلامی میں بھی اس کے ہم منصب گروپ قائم ہیں۔

سکیورٹی کے محاذ پر پاکستان اور ایران سرحدی سلامتی، انسدادِ دہشت گردی اور انٹیلی جنس کے تبادلے کے سلسلے میں قریبی تعاون کر رہے ہیں، اور سرحد پار دہشت گردی، عسکریت پسندی، اسمگلنگ اور دیگر بین الاقوامی خطرات سے نمٹنے کے لیے مربوط کارروائیاں کر رہے ہیں۔ یہ عملی شراکت داری پیشہ ورانہ فوجی تبادلوں کے ذریعے بھی مستحکم ہوئی ہے، جس میں دونوں ممالک کے افسران ایک دوسرے کے اسٹاف کالجوں میں باقاعدگی سے کورسز میں شرکت کرتے ہیں۔

نتیجتاً، پاکستان۔ایران تعلقات ایک نئے اور امید افزا مرحلے میں داخل ہو چکے ہیں، جن کی خصوصیات گہرے ہوتے سیاسی اعتماد، بڑھتے ہوئے اقتصادی روابط، مضبوط پارلیمانی روابط اور بڑھتے ہوئے سکیورٹی تعاون سے نمایاں ہیں۔ تاریخی روابط، جغرافیہ اور ثقافت کے مشترکہ رشتوں کی بنیاد پر دونوں ممالک اب اپنے مشترکہ وژن کو ٹھوس نتائج میں تبدیل کر رہے ہیں، جس سے زیادہ خوشحال اور محفوظ مشترکہ مستقبل کی راہ ہموار ہو رہی ہے۔

ایران کے ساتھ سفارتی تعلقات کے فروغ کو یقینی بنانے کے لیے حکومت کی جانب سے کیے گئے اقدامات

پاکستان اور ایران کے درمیان تاریخی، مذہبی اور ثقافتی وابستگیوں پر مبنی گہرے اور دیرینہ تعلقات ہیں۔ حالیہ برسوں میں حکومتِ پاکستان نے ایران کے ساتھ شراکت داری کو مزید مستحکم کرنے کے لیے فعال اور ٹھوس اقدامات کیے ہیں، بالخصوص مسلسل اعلیٰ سطحی سفارتی حمایت اور ایران و پاکستان کے درمیان قریبی روابط کو فروغ دے کر۔

جون 2025ء میں ایران۔اسرائیل تنازع کے دوران پاکستان نے ایران کے لیے بھرپور سفارتی اور سیاسی حمایت کا اظہار کیا۔ پاکستان نے ایران کے خلاف بلاجواز اسرائیلی جارحیت کی مذمت کی اور اقوام متحدہ کے منشور کے آرٹیکل 51 کے تحت ایران کے خود مختاری اور اپنے دفاع کے جائز حق کی توثیق کی۔ اس مؤقف کو اقوام متحدہ سمیت متعدد بین الاقوامی فورمز پر واضح طور پر پیش کیا گیا۔ پاکستان نے بین الاقوامی ایٹمی توانائی ایجنسی

(IAEA) کے بورڈ آف گورنرز کے اجلاس اور اقوام متحدہ کی سلامتی کونسل کے ہنگامی اجلاسوں میں ایران کی حمایت کی۔ مزید برآں، 51 ممالک کی جانب سے او آئی سی کی وزرائے خارجہ کونسل کے مشترکہ بیان میں پاکستان نے کلیدی کردار ادا کیا، جس میں جواب دہی اور تحمل پر زور دیا گیا۔

پاکستان نے ایران میں دسمبر 2025ء کے اواخر سے جنوری 2026ء تک پھوٹنے والے احتجاج کے دوران بھی اپنی غیر متزلزل یکجہتی کا مظاہرہ کیا۔ پاکستان نے ایرانی عوام کے حالات پر گہری تشویش کا اظہار کیا اور ایران کی قیادت سے مسلسل رابطہ برقرار رکھا۔ اقوام متحدہ کے ہیڈ کوارٹر میں ہنگامی اجلاس کے دوران پاکستان نے ایرانی عوام کے ساتھ مکمل یکجہتی کا اظہار کیا اور اس امر پر زور دیا کہ تمام تنازعات کو پرامن ذرائع سے حل کیا جانا چاہیے۔ پاکستان نے دیگر ریاستوں، بالخصوص علاقائی ممالک، کے ساتھ اپنے روابط میں بات چیت اور مشاورت کے ذریعے کشیدگی میں کمی اور مسائل کے حل پر زور دیا۔

پاکستان نے جون 2026ء میں ایران۔اسرائیل۔امریکہ تنازع کے بڑھنے کے دوران بھی ایران کے لیے مسلسل سفارتی، سیاسی اور اخلاقی حمایت کا مظاہرہ کیا۔ فروری 2026ء میں، امریکہ۔اسرائیل کے مشترکہ فوجی حملوں کے تناظر میں، پاکستان کے دفترِ خارجہ نے ایک بیان جاری کیا جس میں ایران کی جانب سے اس جارحیت کے خلاف اپنے دفاع کے حق کا اعادہ کیا گیا۔ اقوام متحدہ کی سلامتی کونسل کے ہنگامی اجلاس میں، جو 28 فروری 2026ء کو منعقد ہوا، پاکستان نے اپنے دیرینہ مؤقف کو دہرایا اور ایران کے خلاف جارحیت اور خطے میں امن و سلامتی کو متاثر کرنے والے حملوں کی مذمت کی۔

پاکستان کی سفارتی رسائی میں بھی فعال سفارت کاری اور اہم شراکت داروں، جن میں چین، سعودی عرب، ترکیہ اور قطر شامل ہیں، کے ساتھ مشاورت کے ذریعے اضافہ ہوا ہے۔ ڈی پی ایم/ایف ایم نے باقاعدگی سے خطے کے ممالک کے ساتھ رابطے برقرار رکھے ہیں۔ خطے کے وزرائے خارجہ نے بھی باقاعدہ مشاورت جاری رکھی ہے، جبکہ 29-30 مارچ 2026ء کو آر-4 فورم کے وزرائے خارجہ کے اجلاس کی میزبانی اسلام آباد نے کی، جس کا مقصد جنگ کے خاتمے کے لیے مربوط علاقائی سفارت کاری کو فروغ دینا تھا۔

ڈی پی ایم/ایف ایم کے 31 مارچ 2026ء کو چین کے دورے کے دوران پاکستان اور چین نے خلیج اور مشرق وسطیٰ کے خطے میں امن واستحکام کی بحالی کے لیے ''فائیو پوائنٹ'' اقدام کا آغاز کیا، جس میں فوری طور پر مخاصمت کے خاتمے، مذاکرات کی بحالی اور شہریوں کی زندگیوں اور بحری جہاز رانی کے راستوں کے تحفظ کا مطالبہ کیا گیا۔

پاکستان کی سفارتی کوششیں کثیر الجہتی اقدامات پر بھی مرکوز رہی ہیں۔ اپریل 2026ء میں پاکستان نے اقوام متحدہ کی سلامتی کونسل کی ایک قرارداد کو اسپانسر کیا، جس میں ایران کے خلاف غیر قانونی حملوں کی مذمت کی گئی اور مذاکرات کے ذریعے تنازع کے حل کا مطالبہ کیا گیا۔ چین اور روس کی جانب سے اس قرارداد کو ویٹو کیا گیا۔ گزشتہ برسوں کے دوران پاکستان نے اقوام متحدہ کی انسانی حقوق کونسل کے نگرانی کے مینڈیٹ کے قیام کی بھی مستقل مخالفت کی ہے، کیونکہ پاکستان کا مؤقف ہے کہ انسانی حقوق کے معاملات کو کسی ریاست کے خلاف سیاسی آلہ کار کے طور پر استعمال نہیں کیا جانا چاہیے۔ پاکستان نے یکطرفہ جبری اقدامات کے انسانی اور انسانی حقوق پر مرتب ہونے والے منفی اثرات کو بھی اجاگر کیا ہے۔

اسلام آباد مذاکرات

ایران کے لیے گہری مصروفیت اور سیاسی حمایت کے علاوہ، پاکستان نے 11-12 اپریل 2026ء کو ایران اور امریکہ کے درمیان جاری تنازع کے دوران ایک خفیہ اور غیر رسمی رابطے میں اہم کردار ادا کیا۔ پاکستان نے ایرانی وزیر خارجہ سید عباس عراقچی اور امریکی وفد کے سربراہ، اسپیکر اوپی سیٹر محمد باقر قالیباف، کے درمیان ملاقات کی میزبانی کی۔ نائب صدر جے ڈی وینس کی سربراہی میں امریکی وفد کے لیے اسلام آباد مذاکرات نے 47 برس بعد ایران اور امریکہ کے درمیان پہلے براہِ راست اعلیٰ سطحی رابطے کی راہ ہموار کی۔

یہ پیش رفت ایک مسلسل عمل کا حصہ تھی، جس کی بنیاد وزیر خارجہ سید عباس عراقچی کے 15 فروری کو اسلام آباد کے پہلے دورے سمیت ایران کے متعدد اعلیٰ سطحی دوروں نے رکھی۔ بعد ازاں ایرانی وزیر خارجہ سید عباس عراقچی نے 17 اور 18 جون 2026ء کو ایران اور اسرائیل کے درمیان

تنازع کے دوران اسلام آباد کا دوبارہ دورہ کیا۔ وزیراعظم شہباز شریف نے 21 جون 2026ء کو قطر کے ہمراہ بخارسٹ میں اعلیٰ سطحی مذاکرات کی میزبانی کی۔

پاکستان دونوں فریقوں کو پائیدار امن اور طویل المدت تصفیے کی طرف لے جانے کے لیے سفارتی کوششیں جاری رکھے ہوئے ہے۔ پاکستان کی مسلسل سفارتی کوششوں نے نہ صرف ایران کے ساتھ غیر متزلزل یکجہتی کا مظاہرہ کیا ہے بلکہ خطے میں امن واستحکام کے لیے پاکستان کے تعمیری کردار کو بھی اجاگر کیا ہے۔ پاکستان۔ایران تعلقات پرامن، مستحکم اور خوشحال خطے کے لیے مشترکہ عزم پر مبنی ہیں۔

98۔ یہ سوال دوبارہ غور کرنے پر مسترد کر دیا گیا ہے۔

99۔ *سیدہ شہلا رضا: کیا وزیر برائے مواصلات بیان فرمائیں گے:

(الف) گزشتہ دو سالوں کے دوران نیشنل ہائی وے اتھارٹی کی جانب سے وصول کیے گئے ٹول ٹیکس سے حاصل ہونے والی آمدن کی تفصیلات کیا ہیں؛ نیز

(ب) آیا مذکورہ ٹول ٹیکس کی وصولی سے حاصل ہونے والی آمدن میں شفافیت اور جوابدہی کو یقینی بنانے کے لیے کوئی طریقۂ کار موجود ہے؟

وزیر برائے موصلات (جناب عبدالعلیم خان)

(الف) مالی سال 2024-2025 اور مالی سال 2025-2026 کے دوران این ایچ اے کی جانب سے اکٹھا کیا گیا ٹول ریونیو حسبِ ذیل ہے:

نمبر شمار	مالی سال	ٹول ریونیو (ارب روپے میں)
1	مالی سال 2024-2025	64.430
2	مالی سال 2025-2026	85.550

(ب) ٹول ریونیو کی وصولی کے عمل میں شفافیت کو یقینی بنانے کے لیے درج ذیل طریقۂ کار اختیار کیا گیا ہے:

- تیسرے فریق کے توثیق کار کے طور پر این ٹی آر سی ہر ٹول پلازہ کی ریزرو قیمت کا تعین کرنے کے لیے ٹریفک کی گنتی کرتا ہے جس کی بنیاد پر ای-بولی/اوپن نیلامی کے ذریعے ٹھیکہ دیا جاتا ہے۔
- وسیع پیمانے پر شرکت اور شفافیت کو یقینی بنانے کے لیے نیلامی کی مناسب تشہیر اخبارات اور این ایچ اے کی ویب سائٹ کے ذریعے کی جاتی ہے۔
- دلچسپی رکھنے والے شرکاء اوپن نیلامی کے ذریعے بولیاں جمع کراتے ہیں، سب سے زیادہ بولی دینے والے کو کامیاب قرار دیا جاتا ہے اور متعلقہ مالی سال کے لیے اوا اینڈ ایم معاہدہ طے کیا جاتا ہے۔
- زیادہ سے زیادہ آمدنی کے حصول کے لیے قابلِ اطلاق پی پی آر اے قواعد کی دفعات کے مطابق ٹول پلازوں کی ای-بولی یا اوپن نیلامی کے ذریعے پیشکش کی جاتی ہے۔
- کل گارنٹی شدہ ریونیو کی بنیاد پر دیے گئے معاہدے کے مطابق آپریٹر کو ایک ماہ کے گارنٹی شدہ ریونیو کی قسط کے مساوی ٹول ریونیو سکیورٹی فراہم کرنا اور پہلی ماہانہ قسط پیشگی جمع کرانا لازم ہے۔
- آپریٹر کی جانب سے زائد وصولی کی صورت میں معاہدے کی دفعات کے تحت ہر واقعے پر 500,000/- روپے جرمانہ عائد کیا جاتا ہے۔

ٹول کی شرح ہر ٹول پلازہ کی جگہ پر نمایاں طور پر آویزاں کی جاتی ہے، جبکہ آپریٹر پر لازم ہے کہ گاڑیوں کی ہر مخصوص کیٹیگری کے لیے مسافروں کو ٹول ٹیکس کی رسیدیں جاری کرے۔

100۔*جناب داور خان کنڈی: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے آیا وفاقی حکومت کی جانب سے عوام کو بجلی کی قیمتوں میں ریلیف فراہم کرنے کے لیے کسی سبسڈی یا خصوصی ریلیف پیکیج زیر غور ہے؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

صنعتی اور زرعی صارفین کے لیے دسمبر، ۲۰۲۵ء سے ۳-سالہ اضافی بجلی کے استعمال پر رعایتی پیکیج پہلے ہی نافذ العمل ہے جس کے تحت اہل اضافی بجلی کے استعمال پر ۲۲٫۹۸ پاکستانی روپے فی یونٹ کی رعایتی شرح سے بل جاری کیا جائے گا۔

101۔*جناب ساجد خان: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) آیا امر واقعہ ہے کہ ضلع مہمند میں خوازئی۔بنزانی گرڈ اسٹیشن مکمل ہو چکا ہے لیکن اس کی فیڈر لائنوں کی تنصیب کے لیے درکار فنڈز تاحال جاری نہیں کیے گئے؛

(ب) اگر ایسا ہے، تو فیڈر لائن کے لیے کل کتنے فنڈز درکار ہیں؛

(ج) مذکورہ فنڈز جاری نہ کیے جانے کی وجوہات کیا ہیں؛ نیز

(د) حکومت اس گرڈ اسٹیشن کو مکمل طور پر فعال بنانے کے لیے فنڈز کب تک جاری کرے گی نیز اس کی تکمیل کی متوقع تاریخ کیا ہے؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) جی ہاں، یہ امر واقعہ ہے کہ ''ضلع مہمند میں خوازئی۔بیزئی 132 کلو وولٹ گرڈ اسٹیشن کی تعمیر ''کا منصوبہ سالانہ ترقیاتی پروگرام نمبر 646(2018-19ء) کے تحت، 845.184 ملین روپے کی لاگت سے، جو حکومتِ خیبر پختونخوا کی جانب سے فراہم کیے گئے، مکمل کر کے 02.02.2023ء کو برقی رو سے فعال کر دیا گیا ہے۔

مذکورہ فنڈز میں سے 11 کلو وولٹ فیڈر لائن کے لیے صرف 34.121 ملین روپے پی سی۔اوّل (PC-I) میں منظور کیے گئے ہیں اور اب تک صرف ایک فیڈر مکمل کیا جا سکا ہے۔فنڈز کی کمی کے باعث باقی ماندہ فیڈرز مکمل نہیں کیے جا سکے۔

(ب) باقی ماندہ کاموں کی تکمیل کے لیے تقریباً 250.00 ملین روپے درکار ہیں۔

(ج) چونکہ مذکورہ منصوبے کی مالی معاونت حکومتِ خیبر پختونخوا کی جانب سے کی جا رہی ہے، اس لیے باقی ماندہ کام مطلوبہ فنڈز کی منظوری اور اجراء کے بعد مکمل کیے جائیں گے۔

(د) مذکورہ گرڈ اسٹیشن کے تمام فیڈرز کی تکمیل مطلوبہ فنڈز کے اجراء سے مشروط ہے۔

102۔*محترمہ طاہرہ اورنگزیب: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) آیا یہ امر واقعہ ہے کہ اسلام آباد کے سیکٹر آئی-۱۲ کے الاٹیوں کو قبضہ دینے کے مراسلے جاری کیے جا چکے ہیں تاہم مذکورہ سیکٹر میں تاحال بجلی کی ترسیل کا بنیادی ڈھانچہ فراہم نہیں کیا گیا؛ اگر ایسا ہے تو اس کی وجوہات کیا ہیں؛

(ب) آیا سیکٹر آئی-۱۲ میں زیرِ زمین بجلی کی تقسیم کے نظام کی فراہمی کے لیے کوئی منظور شدہ منصوبہ موجود ہے؛ اگر ایسا ہے تو اس کی تفصیلات کیا ہیں؛

(ج) مذکورہ سیکٹر میں بجلی کے بنیادی ڈھانچے کی ترقی کی موجودہ صورتحال کیا ہے، نیز مختص کیے گئے فنڈز، عمل درآمد کرنے والے ادارے اور اب تک ہونے والی جسمانی پیش رفت کی تفصیلات کیا ہیں؛ نیز

(د) بجلی کے بنیادی ڈھانچے کی تکمیل اور سیکٹر آئی-۱۲ کے رہائشیوں کو بجلی کے کنکشن فراہم کرنے کی متوقع مدت کیا ہے؟

وزیر برائے توانائی (بجلی ڈویژن)(سردار اویس احمد خان لغاری)

(الف) آئیسکو نے سی ڈی اے سیکٹر I-12 کے لیے بیرونی برقی تنصیب کی اسکیم کی منظوری مراسلہ نمبر 89-10383 مورخہ 27.06.2025ء کے ذریعے دی۔ منظور شدہ حتمی نظامی بار 59.582 میگاواٹ ہے، جسے 132 کلوووولٹ I-11 گرڈ اسٹیشن سے نکلنے والے 11 کلوووولٹ کے 25 فیڈرز کے ذریعے فراہم کیا جائے گا۔

بعد ازاں، آئیسکو نے مراسلہ نمبر 97-10390 مورخہ 27.06.2025ء کے ذریعے ڈیمانڈ نوٹس (ضمیمہ۔الف) جاری کیا، جس کے تحت سرمایہ جاتی لاگت کی مد میں 1,857 ملین روپے، ڈیزائن کی جانچ فیس کی مد میں 25.5 ملین روپے اور ریلوے کراسنگ چارجز کی مد میں 800 ملین روپے جمع کرانا تھے۔ تاہم، کیپیٹل ڈویلپمنٹ اتھارٹی (سی ڈی اے) کی جانب سے مطلوبہ رقم تاحال جمع نہیں کرائی گئی۔

(ب) سیکٹر I-12 کی بیرونی بجلی کی فراہمی کے لیے اوور ہیڈ برقی تقسیمی نظام کی منظوری کیپیٹل ڈویلپمنٹ اتھارٹی (سی ڈی اے) کی درخواست پر اس کے کنسلٹنٹ کی جانب سے پیش کردہ بجلی کی فراہمی کے ڈیزائن کی بنیاد پر دی گئی ہے۔ اسی طرح، اندرونی بجلی کی فراہمی کے منصوبے کی منظوری آئیسکو اس وقت دے سکتا ہے جب سی ڈی اے بجلی کی فراہمی کا ڈیزائن پیش کرے اور ضابطے کے مطابق تمام دیگر رسمی کارروائیاں مکمل کرے۔

(ج) بجلی کے بنیادی ڈھانچے کی ترقی کے کام کیپیٹل ڈویلپمنٹ اتھارٹی (سی ڈی اے) کی جانب سے ڈیمانڈ نوٹس کے عوض مطلوبہ ادائیگی موصول ہونے کے بعد آئیسکو کے ذریعے انجام دیے جائیں گے۔

(د) کیپیٹل ڈویلپمنٹ اتھارٹی (سی ڈی اے) کی جانب سے ڈیمانڈ نوٹس کی رقم کی ادائیگی کے بعد، بیرونی بجلی کی فراہمی کے کام چھ (6) ماہ کے اندر مکمل کیے جا سکتے ہیں، بشرطیکہ مطلوبہ حقِ گزر (Right-of-Way) دستیاب ہو اور پاکستان ریلوے کی جانب سے مطلوبہ عدم اعتراض کا سرٹیفکیٹ (NOC) جاری کر دیا جائے۔

(منسلکہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)

103۔* محترمہ شاہدہ بیگم: کیا وزیر برائے خارجہ امور بیان فرمائیں گے:

(الف) دنیا بھر میں قائم پاکستان کے تمام سفارتخانوں، ہائی کمیشنز، مستقل مشنز، قونصلیٹ جنرل اور قونصلیٹ کے مقامات اور دائرہ اختیار سمیت تفصیلات کیا ہیں؛

(ب) ہر مشن میں اس وقت خدمات انجام دینے والے سفیروں، ہائی کمشنرز، مستقل نمائندوں اور سربراہانِ مشن کے نام، گریڈ اور تقرری کی تاریخیں کیا ہیں؛

(ج) کن سفارتی مشنز میں اس وقت سفیر، ہائی کمشنر، مستقل نمائندہ یا سربراہِ مشن کی آسامیاں خالی ہیں، نیز ان آسامیوں کے خالی رہنے کی مدت اور وجوہات کیا ہیں؛ نیز

(د) سربراہانِ مشن کی تقرری کے لیے اختیار کیے جانے والے معیار اور طریقہ کار کیا ہیں اور بیرونِ ملک پاکستان کی سفارتی نمائندگی کو مزید مؤثر بنانے اور خالی آسامیوں کو پُر کرنے کے لیے حکومت کی جانب سے کیا اقدامات کیے جا رہے ہیں؟

وزیر برائے خارجہ امور (سینیٹر محمد اسحاق ڈار)

(الف) دنیا بھر میں قائم پاکستان کے تمام سفارتخانوں، ہائی کمیشنوں، مستقل مشنز، قونصلیٹ جنرل اور قونصل خانوں کے مقامات اور دائرہ اختیار کی تفصیلات منسلکہ-الف پر ہیں۔

(ب) ہر مشن میں اس وقت خدمات انجام دینے والے سفیروں، ہائی کمشنرز، مستقل مندوبین اور سربراہان مشن کے نام، گریڈ اور تقرری کی تاریخیں منسلکہ -ب پر ہیں؟

(ج) سفارتی مشنز، جن میں اس وقت سفیروں، ہائی کمشنر، مستقل مندوبین باسربراہ مشن کی اسامیاں خالی ہیں، نیز ان اسامیوں کے خالی رہنے کی مدت اور وجوہات کی تفصیل منسلکہ -ج پر ہے۔

(د) سفیروں اور ہائی کمشنرز، بشمول بغیر کیریئر کے حامل افراد، کی مختلف مشنز میں تعیّناتی وزیرِ اعظم کی منظوری سے کی جاتی ہے۔ نامزد سفیر/ہائی کمشنر زمیزبان حکومت کی جانب سے رضامندی موصول ہونے کے بعد ہی اپنی تعیّناتی کے مقام کے لیے روانہ ہوتے ہیں۔

(منسلکہ جات قومی اسمبلی کی لائبریری میں رکھ دیئے گئے ہیں)

104۔* محترمہ نتاشہ دولتانہ: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) اسلام آباد الیکٹرک سپلائی کمپنی (آئیسکو) کے تحت گوجر خان میں، بشمول سب ڈویژن گلیانہ میں، اس وقت خدمات انجام دینے والے تمام افسران اور اہلکاروں کی تعداد کتنی ہے، نیز ان کے نام، عہدے، بی پی ایس، تعیناتی کی تاریخ اور موجودہ مقام تعیناتی پر خدمات کی مجموعی مدت کیا ہے؛

(ب) آیا آئیسکو کے افسران اور اہلکاروں کے تبادلوں اور تعیناتیوں سے متعلق کوئی پالیسی یا قواعد موجود ہیں؛

(ج) موجودہ پالیسی کے تحت کسی ایک اسٹیشن، سب ڈویژن یا دفتر میں افسران و اہلکاروں کی تعیناتی کی کم از کم اور زیادہ سے زیادہ مقررہ مدت کیا ہے؛

(د) گوجر خان اور سب ڈویژن گلیانہ میں اس وقت ایسے کتنے افسران و اہلکار تعینات ہیں جو ایک ہی مقام پر ۳ سال، ۵ سال اور ۱۰ سال سے زائد عرصہ سے خدمات انجام دے رہے ہیں؛

(ہ) آیا گوجر خان یا سب ڈویژن گلیانہ میں طویل مدت تک تعیناتی کے لیے کسی افسر یا اہلکار کو کوئی استثناء یا خصوصی اجازت دی گئی ہے؛ اگر ایسا ہے تو اس کی تفصیلات کیا ہیں؛ نیز

(و) آیا حکومت آئیسکو، بالخصوص گوجر خان اور سب ڈویژن گلیانہ میں، تبادلوں اور تعیناتیوں کی پالیسی پر شفاف اور میرٹ کی بنیاد پر عمل درآمد کو یقینی بنانے کا ارادہ رکھتی ہے؛ اگر ایسا ہے تو اس کی تفصیلات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) (i) 456 منظور شدہ اسامیوں کے مقابلے میں گوجر خان ڈویژن میں کام کرنے والے ملازمین کی تعداد حسب ذیل ہے:

افسران: 04

اہلکار: 244

کل: 248

(ii) 85 منظور شدہ اسامیوں کے مقابلے میں صرف 53 ملازمین اس وقت گلیانہ سب ڈویژن میں کام کر رہے ہیں، جس کی وجہ سے 32 اسامیاں خالی ہیں۔ گلیانہ سب ڈویژن میں اس وقت تعینات عملے کی تفصیلی معلومات جن میں ان کے نام، عہدے، بی پی ایس (BPS)، تعیناتی کی تاریخیں اور ملازمت کی مدت شامل ہیں، منسلکہ الف کے طور پر لف ہیں۔

(ب) آئیسکو (IESCO) تبادلہ پالیسی کے مطابق، تبادلے اور تعیناتیاں بنیادی طور پر کمپنی کی فیلڈ فارمیشنز اور دفاتر میں عملی ضروریات کو پورا کرنے کے لیے کی جاتی ہیں۔ ایسے تبادلے/تعیناتیاں متعلقہ ہیڈ آف فارمیشن کی رضامندی یا درخواست پر، عملی ضروریات اور انتظامی تقاضوں کو مدنظر رکھتے ہوئے کی جاتی ہیں۔

(ج) آئیسکو(IESCO)تبادلہ پالیسی کے مطابق، کسی سٹیشن پر ملازم کی کم از کم ترجیحی مدت ملازمت دو(02)سال ہے، سوائے ان کیسز کے جن میں ترقیاں یا انتظامی تقاضے شامل ہوں۔ پالیسی کسی خاص سٹیشن پر تعیناتی کے لیے زیادہ سے زیادہ مدت ملازمت مقرر نہیں کرتی۔

مزید یہ کہ اس وقت آئیسکو کو تمام کیڈرز اور فارمیشنز میں تقریباً 47 فیصد افرادی قوت کی مجموعی کمی کا سامنا ہے۔ ان حالات میں، ہر سٹیشن پر کم از کم ضروری افرادی قوت کو برقرار رکھنے کی ہر ممکن کوشش کی جاتی ہے تاکہ بلا تعطل آپریشنز کو یقینی بنایا جاسکے۔ مزید برآں، مقامی حالات، آپریشنل مسائل، اور علاقے کے تاریخی پس منظر کی معلومات رکھنے والے ملازمین کو جہاں مناسب ہو، تسلسل، عملی کارکردگی اور خدمات کی موثر فراہمی کو یقینی بنانے کے لیے برقرار رکھا جاتا ہے۔

(د) اس وقت مقررہ مدت ملازمت سے زائد عرصہ کے لیے کام کرنے والے افسران/اہلکاروں کا خلاصہ حسب ذیل ہے:

*03 سال سے زیادہ=11

*05 سال سے زیادہ=13

*10 سال سے زیادہ=12

(ہ) کسی بھی ملازم کو آئیسکو(IESCO)کی ٹرانسفر پالیسی سے مکمل استثناء نہیں دیا گیا ہے۔ تعنیاتی اور تبادلے مکمل طور پر کمپنی کی آپریشنل ضروریات، انتظامی امور اور خالی اسامیوں کی دستیابی کے مطابق، متعلقہ فارمیشن کے سربراہ کی رضامندی یا درخواست پر کیے جاتے ہیں۔

(و) آئیسکو اس بات کو یقینی بناتا ہے کہ تمام تعنیاتیاں اور تبادلے شفاف طریقے سے، مکمل طور پر میرٹ پر، اور کمپنی کی آپریشنل ضروریات، انتظامی امور اور خالی اسامیوں کی دستیابی کے مطابق کیے جائیں۔

تاہم، افرادی قوت کی شدید کمی کے پیشِ نظر، آپریشنل کارکردگی کو برقرار رکھنے کے لیے عملے کی مقامی مسائل سے آگاہی اور تکنیکی معلومات کو بھی مدِ نظر رکھا جاتا ہے۔

(منسلکہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)

105۔*جناب محمد بشیر خان: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) آیا یہ امر واقعہ ہے کہ اب تک آزاد بجلی پیدا کنندگان (آئی پی پی زز) کو ۳,۴۰۰/ارب روپے کی ادائیگی کی جاچکی ہے؛

(ب) اگر ایسا ہے تو آئی پی پی زز کی جانب سے اب تک قومی گرڈ نظام کو مجموعی طور پر کتنے میگاواٹ (ایم ڈبلیو) بجلی فراہم کی گئی ہے؛

(ج) آیا یہ بھی امر واقعہ ہے کہ آئی پی پی زز کے ساتھ کیے گئے معاہدے آئندہ دس سال تک مؤثر اور نافذ العمل رہیں گے؛ نیز

(د) آیا یہ مزید امر واقعہ ہے کہ ملک کو بجلی کی شدید قلت کا سامنا ہے اور شمسی توانائی و دیگر قابلِ تجدید توانائی کے منصوبوں کی حوصلہ شکنی کی جا رہی ہے؛ اگر ایسا ہے تو اس کی وجوہات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) جی نہیں۔ مالی سال 26-2025 (جولائی 2025 سے مئی 2026) کے دوران، بجلی پیدا کرنے والے خود مختار اداروں (IPPs) سے بجلی کی خریداری کی مد میں 2,939 ارب روپے کی رقم درج کی گئی ہے۔ جون 2026 کا بلنگ کا عمل جاری ہے اور ابھی اسے حتمی شکل نہیں دی گئی ہے۔

(ب) مالی سال 26-2025 (جولائی 2025 سے مئی 2026) کے دوران، بجلی پیدا کرنے والے اداروں (IPPs) کی طرف سے قومی گرڈ کو 115,206GWh بجلی فراہم کی گئی۔

(ج) جی نہیں۔

(د) جی نہیں۔ ملک کو نہ تو بجلی کی کمی کا سامنا ہے اور نہ ہی سولر / قابل تجدید توانائی کے اقدامات کی حوصلہ شکنی کی جارہی ہے۔ مستقبل میں بجلی کی خریداری ایک مربوط منصوبہ بندی کے تحت کی جائے گی جس کے تحت مربوط نظام کے منصوبہ (Integrated System Plan) کے مطابق قابل تجدید توانائی کے منصوبوں کی ضروریات کو پورا کیا جائے گا۔

106۔*جناب شیر افضل خان: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) آئی پی پی زکی کل تعداد، ان کی اصل پیداوار، اس کی مالیت / لاگت اور حکومت کی جانب سے ان کی اصل پیداوار یا اس سے زائد / ان کی مجموعی استعداد (کیپیسٹی) کی بنیاد پر کی جانے والی ادائیگیوں کی تفصیلات کیا ہیں؛ نیز

(ب) گزشتہ پانچ سالوں کے دوران، سالوار، اصل پیداوار سے زائد ادائیگیاں کیے جانے کی وجوہات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) بجلی پیدا کرنے والے اداروں کی تفصیلات **منسلکہ سی 2** میں منسلک ہیں۔ مالی سال 26-2025 (جولائی 25 تا مئی 26) کے لیے اصل پیداوار اور بجلی کی خرید، جس کی کل مالیت **2,935.762 ارب روپے** ہے، **منسلکہ سی 1** میں منسلک ہے۔ جون 2026 کا بلنگ کا عمل جاری ہے اور ابھی حتمی شکل نہیں دی گئی ہے۔

(ب) بجلی پیدا کرنے والے اداروں کو توانائی اور کیپیسٹی ادائیگیوں کی مد میں نیپرا کے مقرر کردہ ٹیرف اور ان کے متعلقہ پاور پرچیز ایگریمنٹس (PPAs) کی شرائط وضوابط کے مطابق ادائیگی کی جاتی ہے۔ لہٰذا، نیپرا کے مقرر کردہ ٹیرف یا ان کے متعلقہ PPAs کے تحت اجازت شدہ ادائیگیاں کے علاوہ بجلی پیدا کرنے والے اداروں کو کوئی اضافی ادائیگی نہیں کی گئی ہے۔

(منسلکہ جات قومی اسمبلی کی لائبریری میں رکھ دیئے گئے ہیں)

107۔*جناب محمد اسلم گھمن: کیا وزیر برائے مواصلات بیان فرمائیں گے:

(الف) آیا یہ امر واقعہ ہے کہ سیالکوٹ - کھاریاں موٹروے منصوبہ ۲۰۲۳ء میں مکمل ہونا تھا، اگر ایسا ہے تو:

(ب) مسلسل تاخیر کی وجوہات کیا ہیں نیز اس منصوبے کے لیے مختص کردہ فنڈز کیوں روکے یا معطل کیے گئے ہیں؛

(ج) آیا حکومت نے منصوبے کی الائنمنٹ میں مبینہ طور پر ذاتی مفادات کے تحفظ کے لیے کی جانے والی تبدیلیوں سے متعلق خدشات کا نوٹس لیا ہے جس کے نتیجے میں ایک ژگ ژیگ نما روٹ ڈیزائن بن گیا ہے جو ٹریفک حادثات کے خطرے کو بڑھا سکتا ہے؛

(د) آیا یہ بھی امر واقعہ ہے کہ اس ترمیم شدہ الائنمنٹ سے سمبڑیال سیالکوٹ ایئرپورٹ کو شدید خطرات لاحق ہو سکتے ہیں؛ نیز

(ہ) آیا یہ تبدیلیاں متعلقہ تکنیکی حکام کے ساتھ مناسب مشاورت کے بعد اور وسیع تر عوامی مفاد میں کی گئی تھیں اور اگر ایسا ہے تو اس کی تفصیلات کیا ہیں؟

وزیر برائے موصلات (جناب عبدالعلیم خان)

(الف) سیالکوٹ (سمبڑیال)۔ کھیاریاں موٹروے کی تکمیل کا ہدف 2023 مقرر نہیں کیا گیا تھا، بلکہ درحقیقت اس منصوبے کو ابتدائی طور پر دو سال کی مدت، یعنی 2024ء تک مکمل کرنے کا منصوبہ بنایا گیا تھا۔

(ب) منصوبے میں تاخیر درج ذیل عوامل کی وجہ سے ہوئی:

1) دریائے چناب پر مجوزہ موٹروے پل کے ہائیڈرولک ماڈل اسٹڈی کے نتائج کی روشنی میں الائنمنٹ (راستے) میں ردوبدل۔
2) ملک میں غیر معمولی افراطِ زر۔
3) موٹروے کو 4 لین سے بڑھا کر 6 لین کرنے کا فیصلہ۔

مذکورہ عوامل کے نتیجے میں پبلک پرائیویٹ پارٹنرشپ (PPP) معاہدے پر از سرِ نو مذاکرات کرنا پڑے، جس کے باعث منصوبے پر عمل درآمد میں تاخیر ہوئی۔ چنانچہ تعمیراتی سرگرمیاں روک دی گئیں اور منصوبے کے لیے مختص فنڈز بھی روک دیے گئے۔

(ج) کسی بھی ذاتی مفاد کی تکمیل کے لیے منصوبے میں کوئی ردوبدل نہیں کیا گیا۔ الائنمنٹ کے تمام متبادل بین الاقوامی انجینئرنگ معیارات کے عین مطابق تیار کیے گئے اور ان کا جائزہ تکنیکی اور معاشی عوامل کی بنیاد پر لیا گیا۔ مجوزہ الائنمنٹ ماحولیاتی اور سماجی معیارات پر پورا اترتی ہے اور اس سے کسی قسم کا حفاظتی خطرہ لاحق نہیں ہوتا۔ یہ تمام امور AASHTO کے متعلقہ معیارات کے مطابق مدنظر رکھے گئے ہیں۔

(د) مجوزہ الائنمنٹ کا کنسیشنائر میسرز SKIM (پرائیویٹ) لمیٹڈ اور ڈیزائن کنسلٹنٹ کی جانب سے بغور جائزہ لیا گیا ہے تاکہ اس امر کو یقینی بنایا جاسکے کہ یہ ایئرپورٹ سے محفوظ فاصلہ برقرار رکھتی ہے اور ایئرپورٹ کے آپریشنز یا حفاظتی امور پر کسی قسم کے منفی اثرات مرتب نہیں کرتی۔

(ہ) کنسیشنائر میسرز SKIM (پرائیویٹ) لمیٹڈ کی جانب سے فراہم کردہ رپورٹ کے مطابق، ڈیزائن کنسلٹنٹ میسرز Zeeruk (پرائیویٹ) لمیٹڈ نے الائنمنٹ کے متعدد متبادل تیار کیے، جن کا جائزہ منصوبے کے لیے مقرر کردہ آزاد انجینئر نے لیا۔ بعدازاں حتمی الائنمنٹ کی منظوری CDWP نے مورخہ 05-05-2023 کو منعقدہ اجلاس میں دی۔ الائنمنٹ کے انتخاب کا عمل تفصیلی انجینئرنگ مطالعات پر مبنی تھا، جن میں جیومیٹرک ڈیزائن، ہائیڈرولوجیکل و جیوٹیکنکل تحقیقات اور ماحولیاتی جائزے شامل تھے۔ اس عمل کا بنیادی مقصد وسیع تر عوامی مفاد کو مدنظر رکھتے ہوئے موزوں ترین الائنمنٹ کا انتخاب کرنا تھا۔

108۔ *ڈاکٹر شرمیلا فاروقی: کیا وزیر برائے مواصلات بیان فرمائیں گے:

(الف) لاہور-بہاولنگر موٹروے منصوبے کی لاگت گزشتہ دو سالوں کے دوران ۲۶۴/ارب روپے سے ۷۵ فیصد سے زائد بڑھ کر ۴۶۵/ارب روپے تک کیوں پہنچ گئی ہے؛

(ب) آیا وزارتِ منصوبہ بندی نے اس بات کا مشاہدہ کیا ہے کہ یہ سڑک منصوبہ سی پیک کی مین لائن-۱ (ایم ایل-۱) منصوبے کی "افادیت، ضرورت اور اپ گریڈیشن" کو خطرے میں ڈال سکتی ہے؛ نیز

(ج) آیا قومی مالیاتی معاہدہ صوبائی منصوبوں کی وفاقی فنڈنگ پر واضح طور پر پابندی عائد کرتا ہے، اس کے باوجود سینٹرل ڈویلپمنٹ ورکنگ پارٹی نے لاہور-بہاولنگر موٹروے کے ۱۸.۵ کلومیٹر طویل لاہور رنگ روڈ سیکشن کے لیے صرف اصولی منظوری دی ہے؛ آیا بقیہ ۲۷۶.۵ کلومیٹر کے لیے جامع فزیبلٹی اسٹڈیز تیار کرنے اور فنڈنگ کے متبادل ذرائع تلاش کرنے کی ہدایات جاری کی گئی ہیں؟

وزیر برائے موصلات (جناب عبدالعلیم خان)

(الف) اصل پی سی-1، جو ابتدائی ڈیزائن کی بنیاد پر تیار کیا گیا تھا، کی ایکنیک نے 19-07-2023 کو 2022 کے سی ایس آر کی بنیاد پر 263,795.86 ملین روپے کی تخمینی لاگت سے منظور کیا تھا۔

بعدازاں تفصیلی ڈیزائن کی تکمیل اور 2025 کے سی ایس آر کے مطابق لاگت کے تخمینوں پر نظرثانی کے بعد، 406,914.192 ملین روپے مالیت کا نظرثانی شدہ پی سی-1 کی منظوری کے لیے سی ڈی ڈبلیو پی/ایکنیک کو پیش کیا گیا ہے۔

(ب) یہ معاملہ وزارتِ منصوبہ بندی، ترقی و خصوصی اقدامات سے متعلق ہے۔

(ج) قومی مالیاتی معاہدے (National Fiscal Pact) کے حوالے سے جواب، جس میں صوبائی منصوبوں کے لیے وفاقی مالی اعانت کی واضح ممانعت کی گئی ہے، وزارتِ منصوبہ بندی، ترقی و خصوصی اقدامات سے متعلق ہے۔

اس منصوبے پر 05-03-2026 کو منعقدہ اجلاس میں غور کیا گیا، جس میں معزز وزیراعظم نے درج ذیل ہدایات جاری فرمائیں:

i. پیکیج-1، فیز-A1 (18.5 کلو میٹر) کو نیشنل ہائی وے اتھارٹی (NHA) کے ذریعے حکومتِ پاکستان کی مالی اعانت سے مکمل کیا جائے۔

ii. پبلک پرائیویٹ پارٹنرشپ (PPP) کے ذریعے منصوبے کے قابلِ عمل حصوں کے لیے فنانسنگ کا طریقۂ کار؛

iii. این ایچ اے، پبلک پرائیویٹ پارٹنرشپ (PPP) موڈ کے تحت قابلِ عمل قرار دیے جانے والے حصوں کے لیے قابلِ عمل گیپ فنڈنگ کی مد میں اپنا حصہ اپنے ذرائع آمدن سے فراہم کرنے کا انتظام کرے؛

iv. پبلک پرائیویٹ پارٹنرشپ (PPP) موڈ کے تحت ناقابلِ عمل قرار دیے جانے والے حصوں کے لیے این ایچ اے متبادل ذرائعِ مالی اعانت کا جائزہ لے گا، جن میں بین الاقوامی مالیاتی اداروں (IFIs) سے مالی اعانت حاصل کرنا اور فنڈز کی دستیابی سے مشروط حکومتِ پاکستان کی مالی اعانت سے منصوبے پر عمل درآمد شامل ہے۔

2. اصل منظور شدہ الائنمنٹ، جیسا کہ اصل PC-I میں درج ہے، برقرار رکھا جائے، کیونکہ اس الائنمنٹ کی تخمینی لاگت مجوزہ نئے الائنمنٹ کی لاگت کے مقابلے میں کم ہے۔

چنانچہ، اصل الائنمنٹ کی بنیاد پر نظر ثانی شدہ PC-I، جس کی تخمینی لاگت 406,914.192 ملین روپے (CSR-2025) ہے، منظوری کے لیے سی ڈی ڈبلیو پی/ایکنیک کو پیش کیا گیا۔

سی ڈی ڈبلیو پی نے مورخہ 24.06.2026 کو منعقدہ اپنے اجلاس میں نظر ثانی شدہ PC-I کی ایکنیک سے منظوری کی سفارش کی ہے۔

مزید برآں، پی پی پی موڈ کے تحت مختلف حصوں کی قابلِ عمل ہونے کا جائزہ لینے کے لیے کمرشل فیزیبلٹی اسٹڈی اس وقت زیرِ عمل ہے، جس کی تکمیل 30 اگست 2026 تک متوقع ہے۔

دریں اثنا، وزیرِ اعظم کی ہدایت اور ایکنیک کی ہدایت کی روشنی میں، این ایچ اے نے لاہور-ساہیوال-بہاولنگر موٹروے کے باقی ماندہ حصوں کی مالی اعانت کے لیے بین الاقوامی مالیاتی اداروں (IFIs) سے فنانسنگ کے حصول کے سلسلے میں ای اے ڈی سے رجوع کیا ہے۔ اس سلسلے میں جواب کا انتظار ہے۔

109۔* سردار محمد یعقوب خان ناصر: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے کہ بلوچستان میں گیس کے پریشر میں کمی اور غیر اعلانیہ/غیر متوقع لوڈشیڈنگ کے خاتمے کے لیے حکومت کی جانب سے کیا عملی اقدامات اٹھائے گئے ہیں؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

ایس ایس جی سی ایل کی رپورٹ کے مطابق بلوچستان میں گیس کے تقسیم کار نیٹ ورک میں گیس کا دباؤ عمومی طور پر مقررہ عملی معیارات کے مطابق برقرار رکھا جا رہا ہے۔ تاہم، طلب میں اضافے کے اوقات کے دوران رسد اور طلب میں عدم توازن کے باعث بعض محدود علاقوں، محلوں اور چھوٹی آبادیوں میں گیس کے دباؤ میں مقامی سطح پر اتار چڑھاؤ کا سامنا ہو سکتا ہے۔

ایس ایس جی سی ایل گیس کی لوڈشیڈنگ کی کوئی پالیسی اختیار نہیں کرتی۔ رسد اور طلب میں عدم توازن کے دوران اپنے تقسیم کار نیٹ ورک میں دستیاب گیس کی منصفانہ تقسیم کو یقینی بنانے کے لیے کمپنی، جہاں عملی طور پر ضرورت ہو، لوڈ مینجمنٹ کے اقدامات کرتی ہے۔

110۔* جناب علی محمد: کیا وزیر برائے سائنس و ٹیکنالوجی فرمائیں گے:

(الف) وزارت اور اس کے منسلک اداروں بشمول پی سی ایس آئی آر، پی این اے سی، پی ایس کیو سی اے اور دیگر اداروں کے تحت کام کرنے والی وفاقی سائنسی لیبارٹریوں، جانچ کی سہولیات اور تحقیقی مراکز کی موجودہ صورتحال کیا ہے؛

(ب) آیا سائنسی آلات، لیبارٹری کے اثاثوں اور تحقیقی بنیادی ڈھانچے کے حوالے سے کوئی انوینٹری اور آڈٹ کیا گیا ہے، خصوصاً ان اداروں میں جن کی تنظیم نو کی گئی، ضم یا بند کیا گیا ہے؛

(ج) ٹیسٹنگ لیبارٹریوں کو جدید بنانے، بین الاقوامی ایکریڈیٹیشن حاصل کرنے اور صنعتی جانچ، سرٹیفیکیشن اور عملی تحقیق میں قومی صلاحیتوں کو بڑھانے کے لیے کیا اقدامات کیے گئے ہیں؛

(د) برآمدات، جدت، صنعتی ترقی اور انضباطی نگرانی کی معاونت کے لیے پاکستان کے پاس مناسب سائنسی اور جانچ کا بنیادی ڈھانچہ موجود ہونے کو یقینی بنانے کے لیے کیا اقدامات نافذ کیے جا رہے ہیں؛ نیز

(ہ) مبینہ طور پر غائب ہونے والے لیبارٹری آلات، کم استعمال ہونے والی سہولیات اور ٹیسٹنگ سروسز کے لیے نجی لیبارٹریوں پر انحصار کے حوالے سے کیا اقدامات اٹھائے گئے ہیں؟

وزیر برائے سائنس و ٹیکنالوجی (جناب خالد حسین مگسی)

(الف) پاکستان کونسل برائے سائنسی و صنعتی تحقیق (PCSIR)

پاکستان کونسل برائے سائنسی و صنعتی تحقیق (پی سی ایس آئی آر) ایک ممتاز سرکاری شعبہ جاتی تحقیق و ترقی (R&D) کا ادارہ ہے جو وزارتِ سائنس و ٹیکنالوجی (MoST) کے انتظامی کنٹرول کے تحت کام کرتا ہے۔ اسے پاکستانی صنعتوں کے قیام اور ترقی سے متعلق سائنسی و تکنیکی تحقیق انجام دینے، اسے فروغ دینے اور اس کی رہنمائی کرنے، نیز ایسی تحقیق کے نتائج کو ملک کی سماجی و اقتصادی ترقی کے لیے عام کرنے کا قانونی مینڈیٹ حاصل ہے۔

پی سی ایس آئی آر کا ملک بھر میں 17 تجربہ گاہوں اور تحقیقی یونٹس پر مشتمل ایک وسیع نیٹ ورک ہے، جس میں چھ تربیتی ادارے بھی شامل ہیں اور یہ ملک کے مختلف حصوں میں واقع ہیں) ضمیمہ۔ اوّل (۔ اس کی تجربہ گاہیں جدید ترین سائنسی آلات سے لیس ہیں اور اعلیٰ تعلیم یافتہ اور ماہر تکنیکی افرادی قوت کی خدمات سے استفادہ کرتی ہیں۔ پی سی ایس آئی آر کی متعدد تجربہ گاہیں ISO/IEC 17025 کے معیار کے مطابق تسلیم شدہ (Accredited) ہیں، جس کی بدولت وہ قابلِ اعتماد اور بین الاقوامی سطح پر تسلیم شدہ جانچ اور پیمائش کی خدمات فراہم کرنے کے قابل ہیں۔

پی سی ایس آئی آر صنعتی شعبے کو کم لاگت پر تکنیکی حل، جانچ، پیمائش، تجزیاتی، مشاورتی اور تکنیکی خدمات فراہم کر کے صنعتی پیداواریت اور مسابقتی صلاحیت میں اضافے کے لیے فعال کردار ادا کر رہا ہے۔ اس کی وسیع البنیاد سرگرمیوں میں ٹیکنالوجی کی ترقی، انسانی وسائل کی ترقی، معیار پر قابو پانے اور معیار کی یقین دہانی کی خدمات، مشاورت اور تکنیکی مسائل کا ازالہ، صنعتی تعاون، نیز بین الاقوامی تجارتی اور معیاری نظام کے تحت پاکستان کی ذمہ داریوں کی تکمیل شامل ہیں۔ پی سی ایس آئی آر کی تجربہ گاہیں برآمد کنندگان سمیت مختلف صنعتوں کو جانچ کی خدمات فراہم کرتی ہیں، جس سے قومی اور بین الاقوامی معیارات کے مطابق معیار کی یقین دہانی اور تعمیل میں نمایاں مدد ملتی ہے۔

پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (PSQCA)

کیو سی سی/پی ایس کیو سی اے، پی ایس کیو سی اے کی اسکیم کے تحت لازمی اشیاء کی مطابقتی جانچ (Conformity Assessment Testing) کی خدمات فراہم کر رہا ہے۔ جانچ کی سہولیات کی تفصیلات درج ذیل ہیں:

کیمیائی تجربہ گاہیں:

معدنی پانی، جانوروں کی خوراک اور کھادیں، نباتاتی تیل، گھی، مکھن، اندرونی احتراق انجن کا تیل، ڈیری مصنوعات، بسکٹ، اناج، پینٹس، غسل کے صابن، کپڑے دھونے کے صابن، ڈٹرجنٹس، چینی، اسٹیشنری، کاسمیٹکس اور دیگر اشیاء وغیرہ۔

طبعی و انجینئرنگ تجربہ گاہیں:

غیر دباؤ والے/دباؤ والے یو پی وی سی پائپ، ایچ ڈی پی ای، پی پی آر سی، کنڈوئٹس اور دیگر پولیمر مواد، کاغذ، گھریلو گیس کے آلات، ساختی فولاد، ایلومینیم کی سلاخیں اور دیگر غیر فولادی دھاتیں، حفاظتی استرے کے بلیڈ، ڈسپوزیبل استرے، سلائی مشینیں وغیرہ۔

تعمیراتی مواد کی تجربہ گاہیں:

سیمنٹ، کنکریٹ بلاکس، سلنڈرز، کیوبز، مٹی کی اینٹیں، آر سی سی پائپ وغیرہ۔

ٹیکسٹائل تجربہ گاہیں:

دھاگا، کپڑے اور ٹیکسٹائل مواد، ترپال، پی پی بیگز، جیو ٹیکسٹائل جھلی وغیرہ۔

برقی تجربہ گاہیں:

برقی پنکھے (چھت، پیڈسٹل اور بریکٹ پنکھے)، برقی سوئچز، ساکٹس اور پلگ، برقی کیبلز، برقی استری، بلب، لیڈ اسٹوریج بیٹریاں، گھریلو برقی آلات وغیرہ۔

مائیکروبیالوجی:(Microbiology)

تمام غذائی اور کاسمیٹک اشیاء کی تفصیلات ضمیمہ۔دوم میں دی گئی ہیں۔

(ب) پی سی ایس آئی آر—

پی سی ایس آئی آر قابل اطلاق سرکاری مالیاتی قواعد، خریداری کے ضوابط اور اثاثہ جاتی انتظام کے طریقہ کار کے مطابق سائنسی آلات، تجربہ گاہوں کے اثاثہ جات اور تحقیقی بنیادی ڈھانچے کا جامع ریکارڈ برقرار رکھتا ہے۔

تجربہ گاہوں کے اثاثہ جات کے مناسب استعمال، دیکھ بھال، حفاظت اور جواب دہی کو یقینی بنانے کے لیے باقاعدگی سے طبعی تصدیق، سالانہ پڑتالِ اسٹاک، داخلی معائنہ اور قانونی حسابات کی جانچ کی جاتی ہے۔داخلی اور خارجی آڈٹ کے دوران، نیز دیگر نگرانی کرنے والے اداروں کی جانب سے اٹھائے جانے والے اعتراضات کو مناسب اصلاحی اور تعمیلی اقدامات کے ذریعے دور کیا جاتا ہے۔

پی سی ایس آئی آر میں ایک علیحدہ مالیاتی شعبہ موجود ہے، جس میں آڈٹ ڈویژن بھی شامل ہے، جو داخلی مالیاتی نگرانی اور قابل اطلاق مالیاتی قواعد وضوابط کی تعمیل یقینی بنانے کا ذمہ دار ہے۔وفاقی حکومت کے ایک قانونی ادارے کی حیثیت سے پی سی ایس آئی آر آڈیٹر جنرل آف پاکستان کی جانب سے کیے جانے والے باقاعدہ خارجی آڈٹ کے بھی تابع ہے۔

مالیاتی نگرانی کے نظام میں درج ذیل شامل ہیں:

- داخلی مالیاتی آڈٹ۔
- آڈیٹر جنرل آف پاکستان کی جانب سے کیے جانے والے خارجی آڈٹ۔

یہ آڈٹ بنیادی طور پر خریداری کے طریقہ کار، اثاثہ جات کے حصول اور انتظام، مالیاتی قواعد کی تعمیل، ترقیاتی اور جاری اخراجات کے لیے مختص فنڈز کے استعمال، اثاثہ جاتی ریکارڈ کی دیکھ بھال، اور قابل اطلاق مالیاتی وانتظامی ضوابط کی پابندی کا جائزہ لیتے ہیں۔

پی ایس کیو سی اے

کیو سی سی/پی ایس کیو سی اے کو نہ تو از سرِ نو تشکیل دیا گیا ہے، نہ ضم کیا گیا ہے اور نہ ہی بند کیا گیا ہے۔تاہم، ہر تجربہ گاہ میں موجود آلات کی تفصیلات دستیاب ہیں۔اس حوالے سے کوئی آڈٹ نہیں کیا گیا۔

(ج) پی سی ایس آئی آر

پاکستان کونسل برائے سائنسی وصنعتی تحقیق (پی سی ایس آئی آر) نے اپنی تجربہ گاہوں کو جدید بنانے، جانچ اور پیمائش کی خدمات کو مضبوط بنانے اور اطلاقی تحقیق واختراع کی صلاحیتوں میں اضافہ کرنے کے لیے متعدد اقدامات کیے ہیں۔اہم اقدامات درج ذیل ہیں:

- پی ایس ڈی پی اور دیگر ترقیاتی منصوبوں کے ذریعے تجربہ گاہوں کے بنیادی ڈھانچے کی جدید کاری اور استعداد میں اضافہ)ضمیمہ۔سوم(۔
- بین الاقوامی سطح پر تسلیم شدہ معیار کے انتظامی نظاموں کا نفاذ، دیکھ بھال اور توسیع، جس میں جانچ اور پیمائش کی تجربہ گاہوں کے لیے ISO/IEC 17025:2017 کی منظوری شامل ہے، تاکہ تجربہ گاہوں کی اہلیت میں اضافہ اور بین الاقوامی معیارات کی تعمیل یقینی بنائی جاسکے۔پی سی ایس آئی آر کی جانچ کی صلاحیتوں سے متعلق مختصر رپورٹ ضمیمہ۔چہارم میں منسلک ہے۔

- پی ایس ڈی پی اور دیگر ترقیاتی اقدامات کے ذریعے جدید تجزیاتی اور سائنسی آلات کا حصول اور تنصیب، جس میں حال ہی میں منظور شدہ ایکسپورٹ ڈویلپمنٹ فنڈ (EDF) سے مالی اعانت یافتہ منصوبہ بھی شامل ہے۔
- جاری پی ایس ڈی پی منصوبوں پر عمل درآمد، جن کا مقصد بین الاقوامی تقاضوں کے مطابق تجربہ گاہوں کے بنیادی ڈھانچے اور صلاحیتوں کو بہتر بنانا ہے۔
- باقاعدہ داخلی آڈٹ، مہارت جانچنے کے پروگراموں، بین اللیبارٹری موازنوں اور عملے کی مسلسل استعدادِ کار میں اضافے کے ذریعے معیار کے انتظامی نظام کو مضبوط بنانا۔
- صنعت، تعلیمی اداروں اور سرکاری شعبے کی تنظیموں کے ساتھ تعاون کو مضبوط بنانا تاکہ قومی صنعتی ضروریات سے ہم آہنگ جانچ، پیمائش، مشاورت، ٹیکنالوجی کی ترقی اور اطلاقی تحقیق کی خدمات فراہم کی جاسکیں۔
- مقامی ٹیکنالوجیز، درآمدی متبادل، قدر میں اضافے، معیار کی یقین دہانی، تجارتی استعمال اور اختراع پر توجہ مرکوز کرتے ہوئے صنعت پر مبنی تحقیق و ترقی کو فروغ دینا، تاکہ تکنیکی و صنعتی مسابقتی صلاحیت میں اضافہ اور پائیدار اقتصادی ترقی میں کردار ادا کیا جاسکے۔

پی ایس کیو سی اے

کیو سی سی کراچی کی تجربہ گاہوں کو بھی "کیو سی سی کراچی کے پی ایس کیو سی اے لیبارٹری کمپلیکس کے لیے لیبارٹری آلات کی خریداری/فرنیچر اور فکسچر کی فراہمی" کے منصوبے کی کامیاب تکمیل کے ذریعے جدید ترین آلات کی خریداری کر کے بہتر بنایا گیا ہے، جو 2018ء میں مکمل ہوا۔

کیو سی سی (شمالی)، پی ایس کیو سی اے لاہور میں جانچ کی سہولیات کو مضبوط بنانے کے لیے مجوزہ پی سی۔اوّل اور پی ایس کیو سی اے ہیڈ کوارٹرز کراچی کو وقتاً فوقتاً جمع کرائی جانے والی مختلف تجاویز تاحال زیرِ غور ہیں۔

پاکستان نیشنل ایکریڈیٹیشن کونسل (PNAC)

پاکستان نیشنل ایکریڈیٹیشن کونسل (پی این اے سی) کو علاقائی اور بین الاقوامی اعلیٰ سطح کے اداروں، مثلاً ایشیا پیسیفک ایکریڈیٹیشن فورم (IAF) اور انٹرنیشنل لیبارٹری ایکریڈیٹیشن کوآپریشن (ILAC) کے ساتھ باہمی شناختی انتظام (MRA) کے دستخط کنندہ کا درجہ حاصل ہے۔ اس کی بدولت پی این اے سی سے تسلیم شدہ مطابقتی جائزہ لینے والے اداروں (CABs) کی جانب سے جاری کردہ جانچ رپورٹس/سرٹیفکیٹس دنیا بھر میں قبول کیے جاتے ہیں۔

حال ہی میں IAF اور ILAC کا انضمام عمل میں آیا ہے اور ایک نئی تنظیم، یعنی Global ACI قائم ہوئی ہے۔

(د) پی سی ایس آئی آر

وزارتِ سائنس و ٹیکنالوجی تجربہ گاہوں کی جدید کاری، منظوری (Accreditation)، انسانی وسائل کی ترقی اور ڈیجیٹل تبدیلی میں مسلسل سرمایہ کاری کے ذریعے قومی سائنسی بنیادی ڈھانچے کو مضبوط بنا رہی ہے۔

اسی مقصد کے تحت پاکستان کونسل برائے سائنسی و صنعتی تحقیق (پی سی ایس آئی آر) برآمد کنندگان، صنعت کاروں، چھوٹے و درمیانے درجے کے کاروباری اداروں (SMEs) اور نگران اداروں کو بین الاقوامی سطح پر تسلیم شدہ جانچ، پیمائش، مصنوعات کی ترقی، مشاورت، ٹیکنالوجی کی منتقلی اور تکنیکی معاونت کی خدمات فراہم کرتی ہے۔ پاکستان سنگل ونڈو (PSW) سمیت ڈیجیٹل پلیٹ فارمز کے ساتھ تسلیم شدہ تجربہ گاہوں کے انضمام سے شفافیت، عملی کارکردگی اور برآمدات میں سہولت مزید بہتر ہوئی ہے۔

پی سی ایس آئی آر مقامی ٹیکنالوجیز کے فروغ، درآمدی متبادل، قدر میں اضافے، صنعتی مسابقتی صلاحیت اور اختراع پر مبنی اقتصادی ترقی کے لیے تحقیق و ترقی کے منصوبے بھی نافذ کر رہا ہے۔

پی سی ایس آئی آر لیبارٹریز کمپلیکس لاہور، کراچی اور پشاور میں قومی اور بین الاقوامی تقاضوں کے مطابق سائنسی اور جانچ کے بنیادی ڈھانچے کو مضبوط بنانے کے لیے مسلسل کوششیں کی جارہی ہیں، تاکہ برآمدات، صنعتی ترقی، اختراع اور ضابطہ جاتی نگرانی میں معاونت فراہم کی جاسکے۔

ان کمپلیکسز میں ملک کی وسیع ترین جانچ کی صلاحتیں موجود ہیں، جس میں صنعتی کیمیکلز، خوراک اور جانوروں کی خوراک، ادویہ، خوردنی تیل اور چکنائیاں، گھی، کاسمیٹکس، پیٹرو کیمیکلز، ٹیکسٹائل، چمڑا، پولیمرز، پینٹس، کاغذ، کھادیں، زرعی ادویات اور دیگر صنعتی مصنوعات شامل ہیں۔

(منسلکہ جات قومی اسمبلی کی لائبریری میں رکھ دیئے گئے ہیں)

111۔ ***سید رفیع اللہ:** **کیا وزیر برائے سائنس و ٹیکنالوجی بیان فرمائیں گے:**

(الف) آیا وزارت نے ایسے معاملات کی نشاندہی کی ہے جہاں وفاقی اداروں کے مابین معیارات، مطابقت کے جائزے، سرٹیفکیشن اور تکنیکی ضابطہ کاری سے متعلق انضباطی فرائض میں تداخل پایا جاتا ہے؛

(ب) آیا اس طرح کے تداخل کے نتیجے میں کوئی قانونی تنازعات، پالیسی پر عملدرآمد میں تاخیر، صنعت کے لیے تعمیل کے اخراجات میں اضافہ یا انضباطی غیر یقینی صورتحال پیدا ہوئی ہے؛

(ج) پاکستان کے قومی معیارات کے ادارے کے طور پر پی ایس کیو سی اے کے قانونی کردار کو واضح اور مضبوط بنانے اور دیگر اداروں کی جانب سے فرائض کے دہرے پن سے بچنے کے لیے حکومت کی طرف سے کیا اقدامات کیے جا رہے ہیں؛

(د) آیا حکومت بین الاقوامی بہترین طریقہ کار کے ساتھ ہم آہنگی کو یقینی بنانے اور صنعتی ترقی کو فروغ دینے کے لیے پاکستان کے تکنیکی انضباطی ڈھانچے کا جامع جائزہ لینے کا ارادہ رکھتی ہے؛ نیز

(ہ) آیا یہ امر واقعہ ہے کہ گاڑیوں کے معیارات کی ضابطہ کاری کے حوالے سے حالیہ اختلافات نے ادارہ جاتی اختیارات اور انضباطی تداخل سے متعلق سوالات کو جنم دیا ہے؟

وزیر برائے سائنس و ٹیکنالوجی (جناب خالد حسین مگسی)

(الف) **پی سی ایس آئی آر**

وزارتِ سائنس و ٹیکنالوجی اس استفسار کا جواب دینے کے لیے زیادہ موزوں پوزیشن میں ہے۔

پی ایس کیو سی اے، پی این اے سی، پی سی ایس آئی آر اور این ایم آئی پی جیسے ادارے الگ الگ قانونی و آئینی مینڈیٹ کے حامل ہیں؛ تاہم، بعض تکنیکی سرگرمیاں مثلاً لیبارٹری ٹیسٹنگ، کنفارمیٹی اسیسمنٹ (مطابقت کی جانچ)، کیلیبریشن اور سرٹیفکیشن، قومی معیار کے بنیادی ڈھانچے (نیشنل کوالٹی انفراسٹرکچر) کے استحکام کے لیے ایک دوسرے کی معاون ثابت ہو سکتی ہیں۔ دائرہ کار کے باہمی تصادم کو کم سے کم کرنے اور خدمات کی مؤثر فراہمی کو یقینی بنانے کے لیے باہمی رابطے کا طریقہ کار اور بین الادارہ جاتی مشاورت موجود ہے۔

پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی:

پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (PSQCA)، جو پی ایس کیو سی اے ایکٹ VI مجریہ 1996 کے تحت قائم کی گئی ہے، معیارات کی تشکیل کے مرحلے پر واحد قومی معیاری ادارہ (نیشنل اسٹینڈرڈ باڈی-NSB) ہے۔ یہ گزٹ شدہ پاکستان اسٹینڈرڈز رولز 2008 کے تحت بین الاقوامی معیارات وضع کرنے والے اداروں مثلاً ISO، IEC، OIML، SARSO اور SMIIC کا مکمل رکن ادارہ ہے، جو اسٹیک ہولڈرز پر مشتمل شعبہ وار تکنیکی کمیٹیوں اور قومی معیاری کمیٹی کے جامع اور مؤثر طریقہ کار پر مبنی ہے۔ پی ایس کیو سی اے وزارتِ سائنس و ٹیکنالوجی کے انتظامی کنٹرول کے تحت ایک نامزد ریگولیٹری اتھارٹی کے طور پر کام کرتی ہے، جو مصنوعات کی سرٹیفکیشن اور معائنہ کار ایجنسیوں (خصوصاً پری شپمنٹ انسپکشن ایجنسیوں) کے اندراج سے متعلق کنفارمیٹی اسیسمنٹ کے مینڈیٹ کی نگرانی کرتی ہے۔

یہ امر قابلِ ذکر ہے کہ 2010 میں 18ویں آئینی ترمیم کے بعد، جس کے تحت "خوراک" کا شعبہ صوبوں کو منتقل کر دیا گیا تھا، وفاقی ادارے پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (PSQCA) اور نو قائم شدہ صوبائی فوڈ اتھارٹیز (PFAs) کے مابین کردار کی

واضح حد بندی کے حوالے سے ابتدائی طور پر ابہام پیدا ہوا۔ خوراک کے معیار اور ریگولیٹری دائرہ اختیار سے متعلق یہ معاملہ تنازع کے حل کے لیے مشترکہ مفادات کونسل (CCI) کے سامنے پیش کیا گیا۔ اختیارات کی منتقلی اور بین الصوبائی ہم آہنگی کی پیچیدگیوں کے باعث اگرچہ اس عمل میں وقت لگا، تاہم مشترکہ مفادات کونسل نے اپریل 2021 میں اپنے 44ویں اجلاس میں ایک واضح اور حتمی فیصلہ جاری کیا۔ اس فیصلے کا مقصد ملک بھر میں غذائی معیارات کا ایک ہم آہنگ فریم ورک قائم کرنا تھا۔

مزید برآں، آٹو موٹو کے نامزد شعبہ معیار بندی میں، پی ایس کیو سی اے نے ٹو وہیلرز، تھری وہیلرز، آٹو وہیکلز، ای وی وہیکلز، بائیکس اور بسوں وغیرہ کے متعدد قومی معیارات تیار کیے ہیں۔ نیز، ٹو وہیلرز اور تھری وہیلرز کے معیارات فی الوقت تکنیکی ضوابط (Technical Regulations) ہیں یعنی پاکستان اسٹینڈرڈز پر پورا اترنا لازمی ہے۔ پی ایس کیو سی اے، یو این ای سی ای ڈبلیو پی-29 (UNECE WP-29) وہیکل ریگولیشنز کے لیے قومی فوکل پوائنٹ اور ریگولیٹری باڈی کے طور پر نامزدگی کی طرف گامزن ہے اور اس کی مکمل اہل بھی ہے۔ مزید برآں، حال ہی میں 15 اپریل 2026 کو وزارتِ سائنس و ٹیکنالوجی نے مجوزہ ایم وی آئی ڈی ایکٹ (Draft MVID Act) کے لیے اپنا سابقہ این او سی واپس لے لیا ہے، جس سے اس شعبے سے متعلق پی ایس کیو سی اے کی اہلیت اور قابلیت مزید مستحکم ہوئی ہے۔ پی ایس کیو سی اے نے 14 ڈبلیو پی-29 وہیکل اسٹینڈرڈز ریگولیشنز کو پاکستان اسٹینڈرڈز کے طور پر بھی اپنایا ہے۔

تاہم، بدقسمتی سے، وفاقی کابینہ کی اقتصادی رابطہ کمیٹی (ای سی سی) نے 24 ستمبر 2025 کو ایک غیر منصفانہ سمری کی بنیاد پر اپنے فیصلے میں گاڑیوں کی معیار بندی کا کردار انجینئرنگ ڈویلپمنٹ بورڈ (ای ڈی بی)، وزارتِ صنعت و پیداوار کو تفویض کر دیا۔ مزید یہ بتانا بھی ضروری ہے کہ ای ڈی بی، وزارتِ صنعت و پیداوار نے وفاقی کابینہ کی ای سی سی کی جانب سے 24 ستمبر 2025 کو کیس نمبر-ECC 172/22/2025 کے تحت فیصلہ نمبر (ii) میں متعین کردہ اپنی حدود سے تجاوز کیا، جس میں واضح طور پر کہا گیا تھا کہ "وزارتِ صنعت و پیداوار 30 ستمبر 2025 سے قبل معیارات کی توثیق (نوٹیفائی) کرے گی"۔ تاہم، بعد ازاں وزارتِ تجارت نے 30 ستمبر 2025 کے اپنے ایس آر او 1895 میں ای ڈی بی کے کردار کو اس طرح بیان کیا کہ "تجارتی درآمدات ماحولیاتی، حفاظتی اور کوالٹی کے معیارات، ٹیسٹنگ اور سرٹیفیکیشن کے ان تقاضوں کے تابع ہوں گی جو انجینئرنگ ڈویلپمنٹ بورڈ، وزارتِ صنعت و پیداوار کے مقرر کردہ ہیں"۔ وزارتِ تجارت کے ایس آر او کے بعد، ای ڈی بی (وزارتِ صنعت و پیداوار) نے نوٹیفکیشن نمبر EDB/AutoImport/WP-29/2025 مورخہ 30 ستمبر 2025 جاری کیا، جس کے تحت UNECE WP-29 معیارات کو اپنایا گیا؛ تاہم، اس کے بعد ای ڈی بی نے خود ساختہ دعوے کے ذریعے غیر منصفانہ طور پر اپنے کردار کو ای سی سی کے مقرر کردہ 'معیارات' کے مینڈیٹ سے آگے بڑھاتے ہوئے 'مستعمل گاڑیوں کی تجارتی درآمد پر عائد شرائط' کے پیرا 2 کے تحت غیر موزوں اہلیت، پری شپمنٹ انسپکشن کمپنیوں کے ضوابط، پوسٹ شپمنٹ معائنہ اور درآمدی ضوابط کے وسیع تر معاملات تک وسعت دے دی۔ اور اس کے بعد 16 دسمبر 2025 کو وزارتِ تجارت اور وفاقی حکومت کی درآمد

پالیسی آرڈر 2022ء میں ترمیم، ایس آر او نمبر 2443(1)/2025، جس میں پی ایس کیو سی اے کے کردار کو واضح کیا گیا، جاری کی گئی جس میں واضح طور پر بیان کیا گیا ہے کہ:

''پری شپمنٹ انسپیکشن ایجنسیاں یا کمپنیاں، جیسا کہ معاملہ ہو، جو پاکستان اسٹینڈرڈز اینڈ کوالٹی کنٹرول اتھارٹی (پی ایس کیو سی اے) کے ساتھ باقاعدہ رجسٹرڈ ہوں اور جن کے غیر ملکی پرنسپلز کو انٹرنیشنل لیبارٹری ایکریڈیٹیشن کوآپریشن (آئی ایل اے سی) یا گلوبل ایکریڈیٹیشن کوآپریشن (گلوبیک) سے بین الاقوامی منظوری حاصل ہو، درآمدی پالیسی آرڈر 2022ء کی دفعات کے مطابق پری شپمنٹ انسپیکشن کرنے کی اہل ہوں گی۔''

اس امر کی مزید تائید اس حقیقت سے ہوتی ہے کہ پی ایس کیو سی اے پاکستان میں انسپیکشن ایجنسیوں کو رجسٹر اور انسپیکشن کا کاروبار انجام دینے کی منظوری فراہم کرنے کے لیے 1982ء سے ''انسپیکشن ایجنسیز (رجسٹریشن اینڈ ریگولیشن) آرڈیننس 1981ء'' اور ''انسپیکشن ایجنسیز رجسٹریشن اینڈ ریگولیشن رولز 1981ء (ایس آر او 8210/(j))'' کے تحت، اور پی ایس کیو سی اے ایکٹ-VI مجریہ 1996ء کی دفعہ 8، ذیلی دفعہ xxii کے تحت حاصل اختیارات کو آئی ایس او/آئی ای سی کے معیارات، رہنما اصولوں اور طریقہ ہائے کار کے مطابق استعمال کر رہا ہے۔

مندرجہ بالا کے پیش نظر، یہ واضح طور پر ای سی سی کی جانب سے متعین، وضع کردہ اور محدود کردہ ای ڈی بی کے اختیارِ سماعت کی حدود کی خلاف ورزی ہے، جس کے نتیجے میں پی ایس کیو سی اے کے انسپیکشن ایجنسیوں کی رجسٹریشن کے اختیارِ کار پر تجاوز ہو رہا ہے۔ مزید برآں، اسی طرح اختیارِ کار کی حدود سے تجاوز کرتے ہوئے، 28 جنوری 2026ء کو وزارت صنعت و پیداوار نے وزارت تجارت کو اپنے خط نمبر LED-II-2025/(11)2 کے ذریعے درآمدی پالیسی آرڈر 2022ء میں ایک نئی شق شامل کرنے کی درخواست کی، جس میں بیان کیا گیا:

''درآمد کنندہ ایک پری شپمنٹ سرٹیفکیٹ فراہم کرے گا جس میں تصدیق کی گئی ہو کہ اس طرح درآمد کی جانے والی استعمال شدہ گاڑی ای ڈی بی کے مطلع کردہ قواعد و ضوابط اور معیارات پر پورا اترتی ہے۔ ایسا سرٹیفکیٹ جاری کرنے والی پی ایس آئی کمپنی کو بین الاقوامی طور پر منظور شدہ اور گاڑی کے ملکِ ماخذ کی متعلقہ ایجنسی اور پاکستان کے ای ڈی بی کے ساتھ باقاعدہ رجسٹرڈ ہونا لازم ہوگا۔''

اس پیش رفت پر وزارت تجارت نے 16 مارچ 2026ء کو پی ایس کیو سی اے، وزارت تجارت، ایف بی آر، ای ڈی بی اور وزارت صنعت و پیداوار کے ساتھ ایک مشاورتی اجلاس منعقد کیا، جس کے بعد پی ایس کیو سی اے نے آٹو موبائل کے دائرۂ کار کے ساتھ 02 پی ایس آئی اے رجسٹر کیں۔ مشاورتی اجلاس کے منٹس، وزارت تجارت کے آفس میمورنڈم نمبر IMP-III-2025/(14)1 کے فیصلے نمبر iii کے مطابق، اگر کسی انسپیکشن ایجنسی کا مقدمہ آٹو موبائل کے دائرۂ کار میں پری شپمنٹ انسپیکشن کے لیے پی ایس کیو سی اے کی جانب سے رجسٹریشن کے لیے مزید سفارش کیا جائے گا تو معاملہ وزارت صنعت و پیداوار اور ای ڈی بی کو این او سی اور کلیئرنس کے لیے وضع کردہ طریقۂ کار کے ذریعے بھیجا جائے گا، اگرچہ پری شپمنٹ یا پوسٹ شپمنٹ انسپیکشنز کے لیے ای ڈی بی کے معاون قانون یا ایس آر او کی کوئی موجودگی نہیں ہے۔ نیز، منٹس کے فیصلے نمبر i کے مطابق، وزارت صنعت و پیداوار/ای ڈی بی کو 30 ستمبر 2025ء کے اپنے نوٹیفکیشن، بالخصوص ''پیرا 2'' پر نظر ثانی کرنا تھی، تاہم ابھی تک ایسا نہیں کیا گیا۔

(ب) جی ہاں، ان باہم متداخل اور غیر موزوں کوششوں کے باعث پی ایس کیو سی اے کے پہلے سے استعمال شدہ اختیارِ کار، یعنی اسٹینڈرڈائزیشن (آٹو موٹیو سیکٹر) اور انسپیکشن ایجنسیوں (خصوصاً پی ایس آئی اے زکی رجسٹریشن، پر تجاوز ہوا ہے، جس کے نتیجے میں متعلقہ فریقوں کو رکاوٹوں اور ابہام (غیر واضح صورتِ حال) کا سامنا کرنا پڑا ہے اور وزارت تجارت (پاکستان کسٹمز) جیسے سرکاری اداروں کو پالیسی/ایس آر او کے نفاذ میں تاخیر کا سامنا کرنا پڑا ہے، کیونکہ ای ڈی بی اور وزارت صنعت و پیداوار اپنے قانونی اختیارِ کار کی حدود سے تجاوز کر رہے ہیں۔

(ج) 15 اپریل 2026ء کو وزارت سائنس و ٹیکنالوجی نے ڈرافٹ ایم وی آئی ڈی ایکٹ کے لیے اپنا سابقہ این او سی (وزارت صنعت و پیداوار کو آگے بڑھنے کی اجازت) بھی واپس لے لیا، جس سے پی ایس کیو سی اے کی شعبہ جاتی اہلیت اور اختیارِ کار کی مزید تائید ہوتی ہے۔ دوم، وزارت سائنس و ٹیکنالوجی کی موجودہ انتظامیہ نے بین الوزارتی فورمز اور سینیٹ اور متعلقہ بااختیار فیصلہ سازی کے فورمز/اجلاسوں، حتیٰ کہ ڈپٹی وزیر اعظم کے ساتھ بھی، پی ایس کیو سی اے کے اختیارِ کار سے متعلق امور اٹھائے ہیں۔

وزارت سائنس و ٹیکنالوجی اس وقت پی ایس کیو سی اے کے آٹو موبائل سیکٹر سے متعلق اختیارِ کار کے حوالے سے نوٹیفکیشنز کی اصلاح کے لیے کام کر رہی ہے اور خط و کتابت کر رہی ہے، جس کے بعد کابینہ کی ای سی سی کو پی ایس کیو سی اے کے آٹو موبائل سیکٹر کے لیے اسٹینڈرڈائزیشن کے کردار سے متعلق نظر ثانی شدہ سمری پیش کی جائے گی۔

(د) وزارت سائنس و ٹیکنالوجی قومی معیار کے بنیادی ڈھانچے کو مضبوط بنانے کے لیے پی ایس کیو سی اے، پی این اے سی، این ایم آئی پی اور پی ایس سی آئی آر سے متعلق اداروں کے حوالے سے کوششیں کر رہی ہے تاکہ افعال/اختیارِ کار میں اس نوعیت کی باہمی اوورلیپنگ سے بچا جا سکے۔ پی ایس کیو سی اے صارفین، مینوفیکچررز، برآمد کنندگان وغیرہ کے بہترین مفاد اور کاروبار کرنے میں آسانی کے لیے بین الاقوامی مطابقت کے مطابق معیارات وضع کر رہا ہے۔

(ہ) پاکستان کے معیارات کو بتدریج بین الاقوامی معیارات کے مطابق ہم آہنگ کیا جا رہا ہے۔ بین الاقوامی معیاری رہنما اصولوں کے مطابق حکومت عالمی تجارتی مسابقتی صلاحیت کو بڑھانے، بالخصوص تجارت میں تکنیکی رکاوٹوں کے خاتمے، تجارتی سہولت کاری، صارفین کے تحفظ اور کاروبار کرنے میں آسانی کے لیے ہم آہنگی کے عمل کو فعال طور پر آگے بڑھا رہی ہے۔ پی ایس کیو سی اے نے 33 سے زائد ای وی گاڑیوں کے معیارات کے علاوہ 14 ڈبلیو پی-29 وہیکل اسٹینڈرڈز ریگولیشنز بھی اختیار کیے ہیں، جنہیں آٹو موٹیو سیکٹر کی تکنیکی کمیٹیوں اور اسٹیک ہولڈرز پر مشتمل قومی معیارات کمیٹی کے جامع اور مؤثر طریقۂ کار سے گزارنے کے بعد معیارات کی تیاری کے لیے اختیار کیا گیا ہے۔ تاہم، وفاقی کابینہ کی ای سی سی کی جانب سے وزارت صنعت و پیداوار کے ذریعے آٹو موبائلز کے اسٹینڈرڈائزیشن کے کردار کا ای ڈی بی کو بلاجواز اختیار دیا جانا، جبکہ اس شعبے میں پی ایس کیو سی اے کا اسٹینڈرڈائزیشن ڈائریکٹوریٹ پہلے ہی فعال ہے، نہ صرف اسٹیک ہولڈرز کے اعتماد کو متزلزل کر چکا ہے بلکہ پی ایس کیو سی اے کے ریگولیٹری امور کے کنفرمٹی اسیسمنٹ ڈائریکٹوریٹس کو بھی متاثر کیا ہے۔...

112۔ ***جناب فتح اللہ:** کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) ڈیرہ اسماعیل خان کے شہری اور دیہی علاقوں میں بجلی کی لوڈشیڈنگ کا موجودہ شیڈول اور دورانیہ کیا ہے؛ نیز

(ب) مذکورہ ضلع میں صارفین کو درپیش بجلی کی طویل بندش کی وجوہات کیا ہیں؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) ضلع ڈیرہ اسماعیل خان میں موجودہ لوڈ مینجمنٹ کا دورانیہ، ضمیمہ ''الف'' پر موجود ہے۔

مزید برآں، لوڈ مینجمنٹ کا شیڈول طلب و رسد کی صورتحال کے مطابق پیسکو کی جانب سے مرتب اور نافذ کیا جاتا ہے۔

(ب) صوبہ بھر میں (پیسکو کے دائرۂ اختیار میں)، بشمول ضلع ڈیرہ اسماعیل خان، پیسکو کی جانب سے صرف شیڈول کے مطابق لوڈ مینجمنٹ کی جا رہی ہے، جو متعلقہ 11 کے وی فیڈرز کے مجموعی تکنیکی و تجارتی نقصانات کی بنیاد پر، مروجہ معیاری طریقۂ کار (SOP) کے مطابق عمل میں لائی جاتی ہے۔

مزید برآں، اگر کسی 11 کے وی فیڈر پر کسی قسم کی خرابی یا نظام میں رکاوٹ آجائے تو پیسکو کے مروجہ ایس او پی کے مطابق شیڈول لوڈ مینجمنٹ میں ریلیف فراہم کیا جاتا ہے۔

(مسلکہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)

اسلام آباد،
۲۰/اگست، ۲۰۲۶ء

سعید احمد میتلا
قائم مقام سیکرٹری

قومی اسمبلی سیکرٹریٹ

''غیر نشاندار سوالات اور ان کے جوابات''

برائے بروز جمعہ مورخہ ۲۱/اگست،۲۰۲۶ء

19۔ **محترمہ عالیہ کامران:** **کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے** کہ آیا مسجد عائشہ خواص کٹلہ، گاؤں لوئر شاہودر، یوسی گڑلاٹ، تحصیل بالاکوٹ اور ضلع مانسہرہ کو بجلی کا ٹرانسفارمر فراہم کر دیا گیا ہے؛ اگر ایسا ہے تو اس کی تفصیل کیا ہے؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

مسجد عائشہ، خواص کٹلہ، گاؤں لوئر شاہوتر کو بجلی کی فراہمی کے لیے اضافی ٹرانسفارمر کی ضرورت بنیادی طور پر موجودہ 200 کے وی اے ڈسٹری بیوشن ٹرانسفارمر سے کم وولٹیج کی وجہ سے پیش آئی تھی۔ مسئلے کے حل کے لیے مورخہ 27.01.2025 کو موقع پر 04 عدد ایل ٹی پولز بمعہ کنڈکٹر و دیگر متعلقہ سامان نصب کیے گئے۔ مذکورہ کام کا کیس سالانہ مرمت و بحالی کے مد میں مورخہ 12.12.2024 کو منظور کیا گیا، جس کی کل لاگت 585,300/- روپے تھی۔

یہ امر قابلِ ذکر ہے کہ مسجد عائشہ، خواص کٹلہ، گاؤں لوئر شاہوتر، تحصیل بالاکوٹ، ضلع مانسہرہ کے مقام پر 04 عدد ایل ٹی پولز کی تنصیب کے بعد کم وولٹیج کا مسئلہ حل ہو گیا، جس کے نتیجے میں وولٹیج پروفائل میں نمایاں بہتری آئی ہے۔

لہٰذا، اضافی ٹرانسفارمر کی تنصیب قابلِ عمل نہیں ہے، کیونکہ موجودہ ٹرانسفارمر پہلے ہی مطلوبہ لوڈ سے کم پر کام کر رہا ہے، جبکہ علاقے میں وولٹیج کا مسئلہ بھی مذکورہ اقدامات کے نتیجے میں حل ہو چکا ہے۔

20۔ **جناب آصف خان:** **کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے::**

(الف) آیا یہ امر واقعہ ہے کہ حکومت نے حال ہی میں پیٹرولیم لیوی میں اضافہ کیا ہے، اگر ایسا ہے تو اس کی وجوہات کیا ہیں؛

(ب) آیا حکومت نے بڑھتی ہوئی مہنگائی کے پیشِ نظر عام شہریوں بالخصوص تنخواہ دار طبقے، مزدوروں، کسانوں اور کم آمدنی والے گھرانوں پر پیٹرولیم کی قیمتوں میں اضافے کے اثرات کا جائزہ لیا ہے؛ اگر ہاں، تو اس کی تفصیلات کیا ہیں، نیز

(ج) عام شہریوں کو مزید مالی مشکلات سے بچانے کے لیے پیٹرولیم لیوی کو کم کرنے کے لیے حکومت کی جانب سے کیا اقدامات کیے جا رہے ہیں؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) جی ہاں۔ پٹرولیم لیوی کی شرح، جس میں غیر معمولی بین الاقوامی منڈی کے اتار چڑھاؤ کے دوران صارفین کو تحفظ فراہم کرنے کے لیے کمی کی گئی تھی، منظور شدہ بجٹ کے ہدف کے مطابق درج ذیل تفصیل کے ساتھ مرحلہ وار بحال کر دی گئی ہے:

مؤثر تاریخ	ایم ایس/پٹرول پی ایل (روپے فی لیٹر)	ایچ ایس ڈی پی ایل (روپے فی لیٹر)
1 جولائی 2026	66.64	79.54
2 جولائی 2026	64.14	77.04
4 جولائی 2026	70.36	70.82
11 جولائی 2026	80.00	70.82
6 اگست 2026	80.00	72.26

7اگست2026	80.00	73.47
8اگست2026	80.00	74.28
12اگست2026	80.00	76.28
13اگست2026	80.00	77.28
14اگست2026	80.00	78.28
20اگست2026	80.00	80.00

وفاقی بجٹ 27-2026 میں پٹرولیم لیوی کی وصولیوں کے ضمن میں 1,676 ارب روپے کا ہدف مقرر کیا گیا ہے، جس کی بنیاد ایم ایس اور ایچ ایس ڈی دونوں پر اوسطاً 80 روپے فی لیٹر لیوی کی شرح پر ہے۔

(ب) پٹرولیم ڈویژن کی جانب سے صارفین کے مخصوص گروہوں پر اثرات کا کوئی علیحدہ جائزہ نہیں لیا گیا، کیونکہ پٹرولیم لیوی کے اہداف منظور شدہ وفاقی بجٹ کا حصہ ہیں اور بین الاقوامی مالیاتی اداروں کے ساتھ متعلقہ مالیاتی وعدوں کے تحت ان کی سختی سے پابندی کی جاتی ہے۔

(ج) پٹرولیم لیوی ایک مالیاتی آمدنی کا ذریعہ ہے جو منظور شدہ بجٹ کے ڈھانچے اور موجودہ مالیاتی وعدوں کے اندر متعین کیا جاتا ہے۔ اس میں کسی بھی کمی پر حکومت کی جانب سے دستیاب مالیاتی گنجائش، بین الاقوامی مالیاتی اداروں سے کیے گئے وعدوں، محصولات کی ضروریات اور بین الاقوامی پٹرولیم مارکیٹ کے حالات کو مدنظر رکھتے ہوئے غور کیا جاتا ہے۔ تاہم، بین الاقوامی قیمتوں میں کمی سے حاصل ہونے والا ریلیف، جہاں اور جب ممکن ہو، صارفین کو منتقل کیا جاتا ہے۔

21۔ جناب انجم عقیل خان: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے:

(الف) سال ۲۰۲۵ اور ۲۰۲۶ء کے دوران سیکٹر آئی ۱۱۔ ۱/۲، اسلام آباد میں گیس کنکشن کی تنصیب کے لیے موصول ہونے والی درخواستوں کی کل تعداد بمعہ درخواست گزاروں کے نام و پتہ اور فراہم کردہ کنکشنوں کی تفصیلات کیا ہیں؛

(ب) ان درخواست گزاروں کی کل تعداد کتنی ہے جن کے کیسز کا تاحال سروے نہیں کیا گیا ہے اور نہ ہی ڈیمانڈ نوٹس جاری کیے گئے ہیں اور نہ ہی کنکشن فراہم کیے گئے ہیں نیز اس کی وجوہات کیا ہیں؛ نیز

(ج) ان درخواست گزاروں کی کل تعداد کتنی ہے جن کے کیسز کا سروے تو کر لیا گیا ہے لیکن ڈیمانڈ نوٹس جاری نہیں کیے گئے ہیں؛ اگر ایسا ہے تو اس کی وجوہات کیا ہیں؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) سیکٹر 11/1، ذیلی سیکٹر 1 اور 2 کے رہائشیوں کی جانب سے سال 2025 اور 2026 کے دوران آر ایل این جی پر مبنی گھریلو گیس کنکشن کی فراہمی کے لیے موصول ہونے والی درخواستوں کی کل تعداد 445 ہے، جن میں 217 درخواستیں فاسٹ ٹریک بنیادوں پر اور 228 درخواستیں معمول کے زمرے میں شامل ہیں۔ مذکورہ سیکٹر میں تاحال 14 آر ایل این جی پر مبنی گھریلو گیس کنکشن فراہم کیے جا چکے ہیں۔ تفصیلات منسلکہ-الف پر ہیں

(ب) ایس این جی پی ایل نے 10.01.2026 تک موصول ہونے والی درخواستوں کے خلاف فوری فیس کے بل جاری کیے ہیں۔ صرف 43 درخواستیں فوری فیس کے بل جاری کیے جانے کے لیے اہل قرار پائیں، جن کے بل اسی مناسبت سے جاری کر دیے گئے۔ ان میں سے صرف 37 درخواست گزاروں نے فوری فیس جمع کرائی۔ بعد ازاں ان درخواستوں کے سلسلے میں سروے کیا گیا اور 26

درخواست گزاروں کو سکیورٹی اور سروس لائن چارجز کی ادائیگی کے لیے ڈیمانڈ نوٹس جاری کیے گئے، جبکہ 4 درخواست گزاروں نے کنکشن فیس جمع نہیں کرائی۔

14 صارفین کو ان کی باری/میرٹ کے مطابق RLNG پر مبنی گھریلو گیس کنکشن فراہم کیے جا چکے ہیں۔ یہ امر قابل ذکر ہے کہ سیکٹر 1-1/11 اور 1-2/11 میں ترقیاتی کاموں کے دوران CDA کی جانب سے گیس لائنوں کو نقصان پہنچا، جس کے نتیجے میں گیس کنکشنز کی فراہمی روک دی گئی۔

نقصان کے ازالے اور ہرجانے کی وصولی کے لیے یہ معاملہ CDA کے ساتھ اٹھایا گیا ہے۔ اس وقت کل 419 درخواستیں زیرِالتوا ہیں۔ مزید برآں، قطر سے RLNG کی فراہمی میں تعطل کے باعث فی الوقت گیس کنکشنز کی فراہمی کا عمل روک دیا گیا ہے۔ چنانچہ مذکورہ سیکٹر میں زیرِالتوا تمام درخواستوں پر کام متاثرہ نیٹ ورک کی مرمت اور LNG کی فراہمی معمول پر آنے کے بعد کیا جائے گا۔

(ج) 37 درخواست گزاروں کے احاطوں کا سروے کیا گیا، تاہم 26 درخواست گزاروں کو ڈیمانڈ نوٹس جاری کیے جا سکے، جبکہ باقی 11 ڈیمانڈ نوٹس متاثرہ نیٹ ورک کے باعث جاری نہیں کیے جا سکے۔ یہ ڈیمانڈ نوٹس متاثرہ گیس نیٹ ورک کی مرمت/فعال کیے جانے اور آر ایل این جی کی فراہمی معمول پر آنے کے بعد جاری کیے جائیں گے۔

(منسلکہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)

22۔ سید رفیع اللہ: کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:

(الف) گورنمنٹ گرلز اسکول شنگھائی بستی خیل جد بابٹو بانڈہ نزد، ضلع تورغر میں بجلی کے میٹر نصب نہیں کیے جا رہے ہیں؛ اگر ایسا ہے تو اس کی تفصیل کیا ہے؛ نیز

(ب) بجلی کے میٹر کب تک نصب کر دیئے جائیں گے؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) مذکورہ علاقہ تاحال بجلی کی سہولت سے محروم ہے، اور مذکورہ علاقہ مکینوں نے ڈیمانڈ نوٹس کے اجراء کی درخواست کی ہے۔ چنانچہ ایس ڈی او بٹگرام کی جانب سے مورخہ 4 جون، 2026 کو مبلغ 405,200/- روپے کا ڈیمانڈ نوٹس (ضمیمہ-الف) جاری کیا گیا ہے، تاہم مذکورہ رقم تاحال اسپانسر کی جانب سے ادا نہیں کی گئی۔

(ب) درخواست گزار کی جانب سے ڈیمانڈ نوٹس کے مطابق مطلوبہ رقم کی ادائیگی کے بعد بجلی کے میٹرز نصب کر دیے جائیں گے۔

(منسلکہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)

23۔ جناب محمد معین عامر پیرزادہ: کیا وزیر برائے سائنس و ٹیکنالوجی بیان فرمائیں گے:

(الف) گزشتہ تین سالوں کے دوران مذکورہ ملازمین کی جانب سے طبّی اخراجات کی بازادائیگی کی محکمہ۔وار تفصیلات کیا ہیں؛ نیز

(ب) مذکورہ مدت کے دوران رقم جمع کرانے/وصول کرنے والے افسران/اہلکاروں کے گریڈ وار نام اور عہدے کیا ہیں؟

وزیر برائے سائنس و ٹیکنالوجی (جناب خالد حسین مگسی)

(الف،ب) گزشتہ تین سالوں کے دوران کل طبّی بازادائی کی محکمہ۔وار تفصیلات حسب ذیل ہیں:

محکمے کا نام	ضمیمہ
پی سی ایس آئی آر (PCSIR)	ضمیمہ-I
پی ایس ایف (PSF)	ضمیمہ-II

محکمے کا نام	ضمیمہ
پی سی ایس ٹی(PCST)	ضمیمہ۔III
پی ای سی(PEC)	ضمیمہ۔IV
سی ڈبلیو ایچ آر(CW-HR)	ضمیمہ۔V
نسٹ(NUST)	ضمیمہ۔VI
نیوٹیک(NUTECH)	ضمیمہ۔VII
کامسیٹس(COMSATS)	ضمیمہ۔VIII
پی این اے سی(PNAC)	ضمیمہ۔IX
این آئی او(NIO)	ضمیمہ۔X
این آئی ای(NIE)	ضمیمہ۔XI
پی کریٹ(PCRET)	ضمیمہ۔XII
پی ایچ اے(PHA)	ضمیمہ۔XIII
این ایم آئی پی(NMIP)	ضمیمہ۔XIV
آئی راڈا(IRADA)	ضمیمہ۔XV
پی ایس کیو سی اے(PSQCA)	ضمیمہ۔XVI

گزشتہ تین سال کے دوران حاضر سروس اور ریٹائرڈ ملازمین کے طبّی اخراجات کی بازادائیگیوں کی مد میں 37.782 ملین روپے خرچ کیے گئے۔مالی سال وار تفصیل حسبِ ذیل ہے:

نمبر شمار	مالی سال	رقم (ملین روپے میں)
1۔	2023-24ء	16.388
2۔	2024-25ء	16.382
3۔	2025-26ء	5.012
کل		**37.782**

(ب) مطلوبہ معلومات **منسلکہ I**-پر ہیں۔

(منسلکہ قومی اسمبلی میں رکھ دیا گیا ہے)

24۔ محترمہ ہما اختر چغتائی: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے:

(الف) آیا یہ امر واقعہ ہے کہ راولپنڈی کے مختلف علاقوں کے رہائشیوں کی جانب سے ڈیمانڈ نوٹس کی رقم جمع کرانے کے باوجود متعلقہ حکام درخواستوں، بالخصوص ریفرنس نمبر ۷۹۸۵۸۰۰۰۲۰۲۵۱۲۱۸۱۲۱۶ اور ٹریکنگ آئی ڈی ز: ۱۴۲۵۵۰۰۸۰۴۸/اور ۹۲۳۸۸۴۶۷۴۹۸۸ پر گیس میٹر نصب کرنے میں ناکام رہے ہیں؛

(ب) اگر مندرجہ بالا جزو (الف) کا جواب اثبات میں ہے تو اس تاخیر کی وجوہات کیا ہیں؛ نیز

(ج) مذکورہ بالا (الف) میں درج ٹریکنگ بل آئی ڈی زپر میٹر نصب کرنے کیلئے ایس این جی پی ایل راولپنڈی کی جانب سے کیا اقدامات کیے جا رہے ہیں؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) جناب اعجاز خان، مکان نمبر 192، گلی نمبر 24، حسین بلاک، کوٹھہ کلاں، راولپنڈی کی جانب سے 20.04.2026 کو اکاؤنٹ آئی ڈی 9065125431 کے تحت مبلغ 21,500/- روپے جمع کرایا گیا ہے۔ ایس این جی پی ایل کے کسٹمر کیئر اینڈ بلنگ (سی سی اینڈ بی) سسٹم نے حوالہ نمبر 798500020251218121 6 کے تحت اکاؤنٹ آئی ڈی الاٹ کی ہے، جبکہ رپورٹ کردہ ٹریکنگ آئی ڈیز 14255008048 اور 923884674988 درست نہیں ہیں اور ایس این جی پی ایل کے سی سی اینڈ بی سسٹم میں ان کا کوئی ریکارڈ موجود نہیں ہے۔

(ب) مشرقِ وسطیٰ میں جاری تنازع کے باعث ملک میں ایل این جی کی معمول کی فراہمی متاثر ہوئی ہے۔ چونکہ گھریلو کنکشن آر ایل این جی کی فراہمی سے منسلک ہیں، لہٰذا آر ایل این جی کی عدم دستیابی کے باعث درخواستوں پر کارروائی عارضی طور پر روک دی گئی ہے۔ آر ایل این جی کی فراہمی معمول پر آنے کے بعد درخواستوں پر باری/میرٹ کی پالیسی کے تحت کارروائی دوبارہ شروع کر دی جائے گی۔

(ج) جیسا کہ بالا میں بیان کیا گیا ہے۔

25۔ محترمہ شاہدہ رحمانی: کیا وزیر برائے توانائی (پیٹرولیم ڈویژن) بیان فرمائیں گے:

الف) آیا یہ امر واقعہ ہے کہ راولپنڈی کینٹ کے مختلف علاقوں، بالخصوص اسٹریٹ نمبر ۲/اور ۲۔اے، ٹاہلی موہڑی، غوثیہ چوک میں گیس کے پریشر کو بہتر بنانے کے لیے گیس کی نئی پائپ لائنیں بچھائی گئی ہیں؛ نیز

(ب) آیا یہ بھی امر واقعہ ہے کہ گیس کی نئی پائپ لائنیں بچھانے کے بعد گیس کا پریشر مزید خراب ہو گیا ہے کیونکہ گیس کا یہ کم پریشر تقریباً ۷۰ سے ۱۰۰ گھروں اور خاندانوں کو متاثر کر رہا ہے؛ نیز

(ج) اگر مندرجہ بالا جزو (الف) اور (ب) کا جواب اثبات میں ہے تو مذکورہ گلیوں میں گیس کا پریشر کم ہونے کی وجہ کیا ہے؟

وزیر برائے توانائی (پیٹرولیم ڈویژن) (جناب علی پرویز)

(الف) جی ہاں، یہ امر واقع ہے کہ ایس این جی پی ایل نے راولپنڈی کینٹ کے مختلف علاقوں میں نئی گیس پائپ لائنیں بچھائی ہیں۔ پرانی، زنگ آلود اور رساؤ کا شکار پائپ لائنوں کے باعث محکمہ تحفظِ خوردگی (Corrosion Protection Department) کی سفارشات پر مجموعی طور پر 2.6 کلو میٹر طویل گیس نیٹ ورک بچھایا گیا ہے۔

(ب) جی نہیں، یہ امر واقع نہیں ہے کہ گیس پائپ لائنوں کی تنصیب کے نتیجے میں متاثرہ علاقوں میں گیس کے دباؤ میں کمی واقع ہوئی ہے۔ نیٹ ورک بچھائے جانے کے بعد کمپنی کو کم گیس پریشر سے متعلق کوئی شکایت موصول نہیں ہوئی۔ ایس این جی پی ایل کی ہنگامی ٹیم نے 7 جولائی 2026 کو 20:10 بجے گلی نمبر 2 اور A-2، تحلی موہری، غوثیہ چوک کا دورہ کیا اور وہاں کے مکینوں کے لیے گیس کا دباؤ مناسب پایا۔ ٹیم نے گیس کے زیادہ استعمال کے اوقات کے دوران گیس کی دستیابی کی بھی تصدیق کی۔

(ج) جیسا کہ بالا میں بیان کیا گیا ہے۔

26۔ محترمہ شاہدہ بیگم: **کیا وزیر برائے توانائی (بجلی ڈویژن) بیان فرمائیں گے:**

(الف) آیا یہ امر واقعہ ہے کہ آئیسکو کے مراسلہ نمبر سی سی آر/ڈی آر جی/۶۴۔۸۳۶۱ مورخہ ۲۳/اپریل، ۲۰۲۶ء کے تحت، جو کہ چیف انجینئر (پی اینڈ ای) آئیسکو اسلام آباد کے نام ہے، "گاؤں بگا سنگرال نزد خضر ہاؤس" سے متعلق ایل وی تجویز سیریل نمبر ۱۴ کے تحت ٹرانسفارمر بمع ایچ ٹی/ایل ٹی لائنوں کی تنصیب کی منظوری ۲۰.۶۸ ملین روپے کی تخمینہ لاگت سے دی گئی تھی؛

(ب) آیا مذکورہ اسکیم علاقہ کے رہائشیوں کو وولٹیج کی شدید کمی اور بجلی سے متعلقہ دیگر مسائل کے سامنا ہونے کے باوجود ابھی تک عملدرآمد کی منتظر ہے؛ نیز

(ج) مذکورہ بالا اسکیم پر مذکورہ ایل وی تجویز نمبر ۱۴ کے تحت عملی کام کب تک شروع اور مکمل کر لیا جائے گا؟

وزیر برائے توانائی (بجلی ڈویژن) (سردار اویس احمد خان لغاری)

(الف) موضع بگّا سنگرال، نزد کزار ہاؤس، راولپنڈی کے حوالے سے کم وولٹیج کی ایک تجویز آئیسکو کے پلاننگ اینڈ انجینئرنگ (P&E) دفتر میں موصول ہوئی تھی۔

مذکورہ کم وولٹیج کی تجویز کو ورک آرڈر نمبر K27-464-02-012 مورخہ 09.07.2026 (ضمیمہ-الف) کے تحت منظور کیا گیا اور کام کے اجراء و تکمیل کے لیے پروجیکٹ ڈائریکٹر (کنسٹرکشن)، آئیسکو کو ارسال کر دیا گیا۔

(ب) مطلع کیا جاتا ہے کہ مذکورہ اسکیم پر کام کا آغاز 12.07.2026 کو کر دیا گیا تھا، تاہم حق گزرگاہ (ROW) کے مسئلے کے باعث کام روک دیا گیا تھا۔ اب مذکورہ آر او ڈبلیو کا مسئلہ حل کر دیا گیا ہے اور 15.07.2026 کو دربارہ کام شروع ہونے کی توقع ہے۔

(ج) مذکورہ کام حق گزرگاہ اور دیگر تنازعات کے حل/کلیئرنس سے مشروط ہے اور توقع ہے کہ کام ایک ماہ کے اندر، یعنی 10 اگست 2026 تک مکمل کر لیا جائے گا۔

(مسئلہ قومی اسمبلی کی لائبریری میں رکھ دیا گیا ہے)

اسلام آباد،
۲۰/اگست، ۲۰۲۶ء

سعید احمد میتلا
قائم مقام سیکرٹری

NATIONAL ASSEMBLY QUESTION NO. 84 (Starred)

MOVED BY MR. SHER AFZAL KHAN, MNA

Will the Minister for Energy (Petroleum Division) be pleased to state:

Question	Reply
Q # 84 Will the Minister for Energy (Power Division) be pleased to state, with reference to un-starred Question No 1 replied on 11/5/26 a) The details of the bidding of Oil & Gas Development Company Limited(OGDCL) works/contracts awarded, the names and rates quoted by the firms participated in the bids; and b) The rates of the contract awarded for firms of serials numbers 1-5,9, 18-21, 56, 64-65, 68,70,72,77,84,87 and 95	The details of the bidding of Oil & Gas Development Company Limited (OGDC) works/contracts awarded, the names and rates quoted by the firms participated in the bids and rates of the contract awarded for firms of desired serial numbers is attached at Annex-A.

National Assembly Question

STARRED NATIONAL ASSEMBLY QUESTION NO. 89, 4TH GROUP, 29TH SESSION MOVED BY MR. ALI MUHAMMAD, MNA

Reply by Mr. Khalid Hussain Magsi
Federal Minister for Science & Technology

Question No. 89		Reply
MR. ALI MUHAMMAD, MNA		
Will the Minister for Science and Technology be pleased to state:		
a) the number of Pakistani standards currently notified by the Pakistan Standards and Quality Control Authority (PSQCA), indicating how many are harmonized with international standards issued by International Organization for Standardization (ISO), International Electrotechnical Commission (IEC), Codex Alimentarius and other recognized bodies;		Pakistan Standards and Quality Control Authority (PSQCA) has established 6,094 Pakistan Standards alongwith adopted/harmonized international standards comprising below; The total adopted standards from these listed international categories are 16,059. PSQCA undertakes standards development and adoption through 11 technical divisions and 177 Technical Committees, using consultation and consensus with stakeholders including consumers, manufacturers, government / regulatory bodies, technologists, scientists, testing laboratories and academia. For Food and Agriculture. (**Annexure-A**)
b) whether the Government has assessed the impact of non-harmonized standards, inadequate testing facilities and weak conformity assessment systems on Pakistan's exports, industrial competitiveness and consumer protection;		The Government is cognizant that non-harmonized standards, inadequate testing capacity and weak conformity assessment systems can adversely affect exports, industrial competitiveness and consumer protection. Such gaps may lead to technical barriers to trade, re-testing abroad, delays in consignment clearance, additional compliance cost, reduced buyer confidence and increased risk of substandard / non-conforming products in the domestic market. PSQCA addresses these risks through development/adoption of standards, compulsory certification of notified products, conformity assessment schemes, QCC testing services, import/export inspections and participation in WTO-TBT related standardization matters.
c) year-wise details the number of inspections conducted, factories penalized, products recalled and enforcement actions taken by PSQCA during the last five years;		PSQCA regularly conducts market surveillance, factory inspections and enforcement activities under the PSQCA Act, 1996 and relevant Rules. Enforcement actions include inspections, seizure of nonconforming products, and suspension/cancellation of licences and initiation of legal proceedings where violations are established. Year-wise details of inspections, penalties, recalls and enforcement actions for the last five years are attached as **Annexure – B**.
d) whether the products tested domestically often require re-testing at overseas level and that regulatory enforcement remains weak; and		i. As a general principle, products tested by laboratories accredited to ISO/IEC 17025 are generally accepted worldwide, subject to the regulatory enforcement [illegible] and applicable regulatory and conformity assessment requirements of the importing country.

		ii. Every country has its own regulatory requirements and conformity assessment procedures governing the acceptance of imported products, and compliance with these requirements is mandatory for market access. iii. With regard to regulatory enforcement, it is submitted that the regulations framed under Section 14 of the PSQCA Act, 1996 are equally applicable to both locally manufactured and imported products, and compliance with these regulations is strictly enforced through the PSQCA Conformity Assessment (CA) Rules.
e) what reforms are being implemented to strengthen Pakistan's national quality infrastructure to achieve the international recognition of testing and certification services and reduce the need for re-testing of Pakistani products abroad?		i. Pakistan's National Quality Infrastructure (NQI) operates under the Ministry of Science and Technology (MoST) and comprises the following four organizations: ➢ Pakistan Standards and Quality Control Authority (PSQCA) - Responsible for standardization and conformity assessment of locally manufactured and imported products. ➢ **Pakistan National Accreditation Council (PNAC) -** Responsible for the accreditation of testing and calibration laboratories in accordance with ISO/IEC 17025. ➢ **Pakistan Council of Scientific and Industrial Research (PCSIR)** - Responsible for research, development, testing, and analytical services for products and materials. ➢ **National Metrology Institute of Pakistan (NMIP)** - Responsible for calibration services and serving as the national custodian of national measurement standards and metrology in Pakistan. ii. To enhance international recognition of Pakistan's quality infrastructure, strengthen testing and certification services, and minimize the need for re-testing, MoST has strengthened these organizations. In this regard, Pakistan National Accreditation Council (PNAC) has accredited both public and private testing laboratories, including the Pakistan Council of Scientific and Industrial Research (PCSIR), against ISO/IEC 17025, thereby facilitating international recognition and wider acceptance of their test reports. iii. PSQCA is continuously developing and harmonizing Pakistan Standards with internationally recognized standards issued by organizations such as ISO, IEC, and OIMN, with the objective of promoting international acceptance and facilitating trade.

Dispatch
Mineral Dev. Deptt:

Reply to the Question No. 136 moved by Ms. Samina Khalid Ghurki (MNA)

Question	Reply
Will the Minister for Energy (Petroleum Division) be pleased to state: a) How many labours are expired and injured due to land sliding and other mishaps during mining of exploring different oil, gases, coals and other precious stones during last three years in the country; b) Province-wise details of above, with the name of each company in which they were working; c) The details of financial package/help being granted to each affectee by the Government or company?	In this regard, it is respectfully submitted that during the last three years, a total of **160** workers have died due to land sliding and other various causes in mines, while **64** laborers sustained injuries in different mining accidents. Furthermore, it is submitted that the grant/compensation provided by the Department (Commissionerate of Mines Labour Welfare) to the families of deceased workers ranges from PKR 1,200,000 to PKR 1,500,000. In case of injured workers, financial assistance ranging from PKR 240,000 to PKR 800,000 has been provided, depending upon the nature and severity of the injuries. The detailed list of deceased workers is attached as (**Annex-A**), while the list of injured workers is attached as (**Annex-B**) for further reference.

STARRED NATIONAL ASSEMBLY QUESTION NO. 92

QUESTION	ANSWER
DR. SHAZIA SOBIA ASLAM, SOOOMRO, MEMBER NATIONAL ASSEMBLY	**MR. ALI PERVAIZ MALIK MINISTER FOR ENERGY (PETROLEUM DIVISION)**
Will the Minister of Energy (Petroleum Division) be pleased to state:	
a) Whether the Government has taken notice of the recurring LPG-related accidents across the country, including recent fatal incidents in Islamabad, Multan, Lahore, and Mardan.	Yes. Oil and Gas Regulatory Authority (OGRA), takes serious notice of LPG-related accidents and adopts both preventive and enforcement measures to enhance public safety. OGRA regularly issues directives to LPG marketing companies and other licensees to ensure strict compliance with the prescribed safety standards, licence conditions, and applicable regulatory requirements that is also counter verified through 3rd party inspections as well as through inspections conducted by OGRA officers from time to time. Despite the same, if any LPG-related incident is reported, OGRA initiates strict action under the applicable Rules against the licensees. For instance, in Multan LPG bowzer related accident, the involved licensees were penalized by OGRA and compensation was also granted to all the victims of the accident. the matter is thoroughly investigated. Notwithstanding the same, Islamabad, Lahore and Mardan accidents were not associated to LPG.
b) What is the role of the Oil and Gas Regulatory Authority (OGRA) in regulating LPG Safety Standards.	OGRA regulates and enforces LPG safety standards through a comprehensive licensing, inspection, and compliance framework in accordance with the applicable laws, rules, and licence conditions. Regular inspections are carried out at licensed LPG facilities, including LPG terminals, storage and filling plants, auto refueling stations, and authorized distributors, to ensure compliance with prescribed safety requirements.
c) The actions taken against violators during the last three years; and	During last three years, number of illegal LPG equipment manufacturers have been sealed by OGRA with the help of provincial governments. Similarly, registration of one LPG equipment manufacturer has also been cancelled on account of misconduct and non-compliance with prescribed standards. In addition, multiple LPG storage and filling plants, auto refueling stations and equipment manufacturers have also been penalized by OGRA under the applicable Rules. ***(Details are annexed as Annex-I)***
d) Whether the Government intends to introduce stricter regulations or amendments in the existing relevant laws to prevent LPG-related accidents and protect public safety?	Yes. Existing provisions in PPC (section 285 & 286) do not adequately address the gravity of violations and its associated repercussions. To enhance deterrence and to maintain writ of the regulator, OGRA has proposed amendments in PPC ***(Details are annexed as Annex-II)*** and requested the Federal Government to make oil and gas business by unscrupulous persons a non bailable offence. Subsequently, punishments have also been enhanced so that illegitimate persons do not indulge in this business. The said amendment bill is presently under process at Ministry of Interior that needs expedition for approval.

Annex-I

NATIONAL ASSEMBLY QUESTION (4th GROUP, 29th SESSION)

C. THE ACTIONS TAKEN DURING THE LAST THREE YEARS IN LPG SECTOR

BRIEF

A) OGRA's Actions

1) **Direct Public Interface and Public Awareness Campaigns**: OGRA is regularly issuing public notices and advertisements through the print & electronic media on safety compliance of LPG cylinders. The same are enclosed at **(F/A).**

2) **OGRA's Field Enforcement Actions in Lahore, Sheikhupura, Gujranwala, Multan and Karachi:** OGRA's regional offices are conducting enforcement inspections at illegal LPG Manufacturing Factories and OGRA registered manufacturers, to curb and control the substandard/ off-spec cylinder manufacturers. Pictures and details of OGRA's field actions are enclosed at **(F/B).**

3) **Constitution of Joint Enforcement Teams in Lahore Division:** OGRA has collaborated with Punjab Home Department, to constitute the Joint Inspection Team, comprising OGRA Officers, concerned Assistant Commissioner and Civil Defence Officer, Department of Explosives, and OGRA's TPI, for taking effective actions against illegal cylinder manufacturers in Lahore and adjoining areas.

4) **Sealing of Illegal Factories and registration of FIRs:** The following three (03) illegal Manufacturers, located in Sheikhupura were sealed on 18th May, 2025 and FIR registered against their operators:

   a) **Hafiz Engineering**: Unregistered/ illegal Manufacturer located adjacent to Hameed & Sons at Kot Abdul Malik, Tehsil Ferozewala, District Sheikhupura.

   b) **Imran Engineering:** Unregistered/ illegal Manufacturer located adjacent to Mughal Steel Mill at Kot Pindi Das, Mughal Steel Road, Tehsil Ferozewala, Sheikhupura).

   c) **Un-named Factory:** No title board displayed. An Unregistered/ illegal Manufacturer located parallel to Imran Engineering and Mughal Steel Mill at Kot Pindi Das, Mughal Steel Road, Tehsil Ferozewala, Sheikhupura.

5) **Imposition of Penalties on Non-compliant Registered Manufacturers:** A penalty of Rs. 01 Lacs each has been imposed on M/s Unique Engineering Ltd. and M/s Elite Metal Works Ltd. on account of off-spec and substandard manufacturing, besides issuance of strict warnings for future compliance.

6) **Sealing and Delistment of Non-compliant Manufacturers** – M/s Hi-Tech Engineering Ltd and M/s Unique Engineering Ltd. were sealed on 28-03-2025 on account of safety violations. Besides, OGRA has delisted M/s Hi-Tech Engineering with the direction to ensure future compliance, prior to restoration.

7) **OGRA's directions to Marketing Companies to sell LPG in standard cylinders only to authorized Distributors:** OGRA is taking strict compliance on LPG Companies to develop standardized quality LPG cylinder inventory. Also, LPG Bottling Plants to provide LPG filled cylinders only to their authorized distributors.

8) **Eradication of Illegal LPG Decanters:** OGRA in collaboration with district authorities and Civil Defense Department is sealing the illegal LPG decanters, besides registration of FIRs and confiscation of their illegal equipment/ filling pumps/ substandard cylinders.

In addition to above, during the last three years, an LPG accident has been reported in Multan. Following the occurrence, necessary enforcement action was initiated against the responsible violators, details of which have been placed at **(F/C)** for reference.

Oil & Gas Regulatory Authority

FINAL NOTICE FOR ALL LPG MARKETING COMPANIES

OGRA is committed to ensuring a safe and reliable LPG supply chain across Pakistan. In line with the LPG Rules, 2001 and LPG Policy, 2018, all LPG Marketing Companies are hereby directed to register their active LPG Distributors with OGRA, maintain safety compliance, and curb the supply of LPG to unauthorized decanters and outlets.

Due to the alarming rise in unsafe practices involving substandard cylinders and illegal decanting, all LPG Marketing companies must:-

1. Appoint and register all Distributors with OGRA.
2. Conduct inventory audit of all Distributors and replace any substandard LPG cylinder.
3. Supply LPG only to authorized Distributors supported by valid sales invoices and gate passes.
4. Publish updated Distributor lists on your official websites.
5. Prohibit LPG supply to unauthorized decanters and retail shops.

Get your appointed Distributors duly registered with OGRA, by 01st July, 2025. Non-compliance will result in strict legal action, including penalties, suspension, or revocation of licences.

آئل اینڈ گیس ریگولیٹری اتھارٹی

Oil & Gas Regulatory Authority

PUBLIC NOTICE FOR SAFE USE OF LPG

It is for information of the General Public that the LPG is highly inflammable and being heavier than air tends to spread along the ground upon leakage. Therefore, proper care must be taken while using LPG as a fuel to ensure the safety.

Only purchase branded LPG Cylinders from the authorized distributors of OGRA's licensed LPG Marketing Companies and manufactured by OGRA's authorized LPG manufacturers. The current lists of licensed LPG Marketing Companies and OGRA's authorized LPG Equipment Manufacturers are available at OGRA's website www.ogra.org.pk

LPG Cylinder must be manufactured as per the manufacturing standards i.e. DOT specifications 4B, 4BA and 4BW relating to welded steel cylinders. The brand name of the LPG Marketing Company, Serial No., Date of manufacturing, Manufacturing Standard and Tare Weight must be engraved on the collar of the cylinder.

Always make sure that the LPG Cylinder is in good condition, well painted and LPG Cylinder Valve is not damaged. Never Use dented, rusty or old cylinders. If any LPG cylinder is found rusty or damaged, it must be replaced immediately.

انتباہ

عوام الناس کو متنبہ کیا جاتا ہے کہ حفاظتی اقدامات اور آگہی کردہ اخلاقیات کے پیش نظر ایل پی جی سے بھرے ہوئے باؤزر کا وزن بغیر ہائی وے اتھارٹی (این ایچ اے) کے متعین کردہ باؤزر کی "Axle wise" کیٹگری کے مقررہ وزن سے زیادہ نہ ہو۔ جس میں 6 ایکسل (Tandem - Tridem) ایل پی جی باؤزر کے لیے متعین کردہ وزن 58.5 میٹرک ٹن ہے چونکہ پاکستان میں ایل پی جی باؤزر امریکن سوسائٹی آف مکینیکل انجینئرز (ASME) کے پریشر ویسل کوڈ کے سیکشن۔8، ڈویژن۔1 کے تحت تیار کیے جاتے ہیں۔ لہٰذا ایل پی جی باؤزر بنانے والی کمپنیوں کو تاکید کی جاتی ہے کہ باؤزر بناتے وقت ASME کوڈ کے متعین کردہ اصولوں پر کاربند رہیں اور خیال رہے کہ ایل پی جی باؤزر میں استعمال ہونے والی کاربن شیٹ کی موٹائی، ساخت، باؤزر کا ڈیزائن اور حفاظتی والوز ASME کوڈ کے متعین کردہ اصولوں کے مطابق ہوں۔

عوام الناس کی آگاہی کے لیے یہ بھی مشتہر کیا جاتا ہے کہ پاکستان میں بننے والے ایل پی جی سٹینڈرڈ بیارمنٹ آف ٹرانسپورٹیشن (DOT) کے سٹینڈرڈز 4B، 4BA اور 4BW کے تحت بنائے جاتے ہیں۔ گھریلو ایل پی جی سلنڈرز کی تیاری میں عموماً 2.5mm سے 2.8mm (12 گیج) کی لوہے کی شیٹ کا استعمال کیا جاتا ہے۔ علاوہ ازیں ایل پی جی صارفین ایل پی جی سلنڈر خریدتے وقت درج ذیل امور کو بھی ملحوظ خاطر رکھیں:۔

1- سلنڈر کی ظاہری حالت اچھی ہو، رنگ اکھڑا ہوا نہ ہو اور سلنڈر زنگ آلود نہ ہو۔

2- سلنڈر اوگرا کے مجاز سلنڈر بنانے والی کمپنی سے بنا ہوا ہو اور ایل پی جی مارکیٹنگ کمپنی کے مجاز ڈسٹری بیوٹر سے خریدا جائے۔

اوگرا کی مجاز سلنڈر بنانے والی کمپنیوں کو بھی ہدایت کی جاتی ہے کہ تمام سلنڈرز کی تیاری میں سٹینڈرڈ کے مطابق مسرل معیاری لوہے کی شیٹ کا استعمال یقینی بنائیں۔ وگرنہ ان کے خلاف تادیبی کارروائی عمل میں لائی جائے گی۔

11.	MoU on Health Cooperation	**Signed on 07 May 2015 for 10 years** 1. Government of Maldives shall share the job placement requirement of medical doctors and specialists as and when required. A batch of 11 doctors / health professionals was recruited through OEC in 2021. Since then, there has not been any substantial recruitment from Pakistan, despite having the above stated MoU in place. 2. HR development of health work force from recognized institutions in Pakistan. 3. Main reasons assessed to be non-availability of clear terms and conditions for hiring to the applicant doctors in Pakistan. In this regard, Maldivian side has already forwarded terms and reference / draft MoU, which is under consideration for concurrence on Pakistan side.;	**Expired on 6th May 2025.** Reminder issued to the Pakistan side for renewal vide letter No. Pol-1/28/2024, dated 14th January 2025 and again vide letter No. Pol-1/04/2025, dated 17th April 2025. The response is still awaited.		Measures being taken to renew the agreement ASAP. Availing opportunity during the visit by Maldives health ministry's delegation to Pakistan in Jun 25, Mission suggested to both sides to discuss the terms & conditions with Maldivian side for early finalization of the draft MoU. Presumably, some head way has been made by both sides in this regard. Notwithstanding above, the Maldives health ministry has been constantly pursued to share job requirements of health professionals. Consequently, around 50 vacancies for doctors and health professionals have been formally shared by the Maldives side. The details were deliberated with Maldives' health ministry during a recent meeting. Consequently, OEC was engaged and a tripartite zoom meeting was

					coordinated by the mission on 6 April 26 involving all stake holders to iron out all issues. Now, the hiring process is ongoing at a fast pace. Mission's letter Pol-1/80/2026, dated 1st April, 2026 refers (copy enclosed)
12. Nigeria

Pakistan and Nigeria established diplomatic relations on 22 March, 1961 and enjoy cordial and friendly bilateral relations. The two countries maintain regular engagement and cooperate in bilateral as well as multilateral forums. While defence cooperation remains a strong pillar of the relationship, efforts are underway to further strengthen political, economic and trade relations. The Second Pakistan Africa Trade Development Conference was held on 23rd November 2021 in Lagos, Nigeria. Approximately 400 delegates attended the Conference. Single Country Exhibition was also held on 24th and 25th November 2021 in which around 210 Pakistani exhibitors from 101 companies participated.

The existing institutional framework includes the Pakistan-Nigeria Joint Ministerial Commission, whose second session was held in Abuja in 2014. The third session is proposed to be held on mutually convenient dates. An MoU on bilateral Political Consultations is also under consideration with the Nigerian side.

Under Pakistan's **Engage Africa** initiative, bilateral trade and commercial cooperation have gained momentum. The Second Pakistan-Africa Trade Development Conference and Single Country Exhibition held in Lagos in November 2021 provided a significant boost to business-to-business engagement. Pakistan has also shared the draft Bilateral Trade Agreement with Nigeria, and the final response from the Nigerian side is awaited.

Defence cooperation between the two countries is robust and continues to expand. Nigeria has procured JF-17 Thunder fighter aircraft and Super Mushak trainer aircraft from Pakistan. More than 5,000 Nigerian defence personnel have received training in Pakistan, including approximately 400 personnel in counter-terrorism training. High-level defence exchanges have also taken place regularly.

Pakistan also extends educational cooperation by offering scholarships and technical training opportunities to Nigerian students under the Pakistan Technical Assistance Programme (PTAP).

Overall, Pakistan attaches great importance to its relations with Nigeria and remains committed to further strengthening bilateral cooperation in the political, economic, defence, educational and people-to-people spheres for the mutual benefit of both countries.

Egypt

Present Status of Bilateral Relations with Egypt

Pakistan and Egypt enjoy longstanding, cordial, and brotherly relations founded on shared faith, historical ties, and common positions on regional and international issues. Diplomatic relations, established in 1948, have gained renewed momentum in recent years through regular high-level engagements and enhanced cooperation across multiple sectors.

Political relations remain strong, with frequent interactions between the leadership. The Prime Minister of Pakistan visited Egypt in October 2025 and December 2024 to participate in 'Sharm-El Sheikh Peace Summit' and D-8 Summit, respectively, while the Egyptian Foreign Minister visited Pakistan twice in November 2025 and March 2026. Similarly, the Deputy Prime Minister/Foreign Minister of Pakistan visited Egypt in June 2026, reflecting the commitment of both sides to deepen bilateral cooperation.

Foreign Ministers of two countries remain in regular contact to discuss matters of mutual interest including situation in the region.

Ministerial-level exchanges also continue to reinforce bilateral engagement between the two countries. Sardar Muhammad Yousaf, Minister for Religious Affairs, visited Egypt in January 2026 for the 36th International Conference of the Supreme Council of Islamic Affairs. Earlier, Chaudhry Salik Hussain, Minister for Overseas Pakistanis and Human Resource Development, visited Egypt in November 2025 to attend the opening ceremony of the Grand Egyptian Museum.

Defence cooperation continue to deepen through sustained high-level exchanges and institutional engagements. Field Marshal Syed Asim Munir visited Egypt in October 2025 for meetings with the Egyptian leadership and senior military officials. The 15th session of the Pakistan-Egypt Military Cooperation Committee was also held in Egypt in January 2026, underscoring the growing momentum in bilateral defence collaboration.

Economic cooperation is improving, although it remains below its potential. Bilateral trade stood at US$211.9 million in FY 2024–25, with both governments working to enhance trade, investment, and business-to-business linkages.

Cooperation has also strengthened in the fields of health, education, and culture. Egypt has extended valuable assistance to Pakistan's Hepatitis C elimination programme by providing medicines and technical support, while educational cooperation continues through Al-Azhar University and other academic initiatives.

Both countries maintain close coordination at regional and international forums, including the United Nations (UN), Organization of Islamic Cooperation (OIC), D-8, G-77 and the recently established R-4 Mechanism.

Overall, Pakistan-Egypt relations are on a positive trajectory, characterized by growing political trust, expanding defence collaboration, increasing economic engagement, and close coordination on regional and global issues.

Steps Taken by the Government to Enhance Diplomatic Relations with Egypt

The Government of Pakistan has undertaken several measures to further strengthen diplomatic relations with Egypt through sustained political engagement, institutional cooperation, and sectoral collaboration.

Regular high-level exchanges and interactions have remained a key feature of bilateral diplomacy and this has provided renewed impetus to cooperation across a wide range of bilateral, regional, and international issues.

The institutional dialogue between the two countries continues through the Annual Bilateral Consultations (ABC), with the 10th Round of ABC held on 21 July 2026, providing another important platform to review bilateral cooperation and identify new avenues for collaboration.

The two governments have also agreed on a comprehensive roadmap to expand economic relations, focusing on facilitating business visas, activating the Joint Business Council, convening the 4th Joint Ministerial Commission (JMC), and promoting trade and investment.

Defence cooperation has been enhanced through regular meetings of the Military Cooperation Committee, defence and security staff talks, joint military exercises, defence exhibitions, and collaboration in defence production and training.

The Government has also promoted cooperation in health by partnering with Egypt on Pakistan's Hepatitis C elimination programme, including the receipt of medicines, technical assistance, and training opportunities.

Educational and cultural cooperation is being strengthened through collaboration with Al-Azhar University, efforts to re-establish Pakistan Chairs in Egyptian universities, and proposals for greater academic and cultural exchanges.

Pakistan is also pursuing greater connectivity and investment cooperation, including discussions on collaboration between Gwadar Port and the Suez Canal Economic Zone.

These initiatives demonstrate the Government's commitment to further strengthening the Pakistan-Egypt partnership and expanding cooperation across political, economic, defence, educational, health, and multilateral domains.

Iran

The present bilateral relations with Iran.

Answer: Pakistan and Iran are neighboring countries bound by longstanding political relations rooted in deep historical, religious, and cultural affinities, sharing a 909-kilometer common border. Iran was the first country to recognize Pakistan after its independence in 1947, and since then, both nations have maintained regular diplomatic engagement.

While there have been difficult phases in the relationship, particularly in January 2024 when Iran conducted missile strikes in Balochistan and Pakistan responded through precision strikes, the relationship has remarkably improved in the last two years, with Pakistan's strong diplomatic and political support for Iran both in the 12-day war in June 2025 and Iran's recent conflict with the U.S.-Israel. Iran also gave strong support to Pakistan during its May 2025 conflict with India. As of today, Pakistan-Iran bilateral relations are at a historic strength with recent mediation efforts of Pakistan and a strong personal rapport between the leaders on both sides.

Over the decades, political ties have been strengthened through high-level visits, cooperation at multilateral and regional forums, and mutual support on key international issues. Both countries have consistently reaffirmed their commitment to deepening bilateral relations through sustained dialogue, border security coordination, and collaboration on shared regional interests.

The relationship is sustained by frequent leadership-level interactions and robust institutional frameworks. Most notably, the visit of Iranian President Dr. Masoud Pezeshkian on 23 June 2026 to express appreciation for Pakistan's mediation efforts, which culminated in the signing of the Islamabad MoU, marks a watershed moment in bilateral relations. The visit has injected fresh impetus into cooperation across the entire spectrum of ties. This followed his earlier visit to Pakistan in August 2025.

In turn, the Prime Minister of Pakistan, accompanied by a delegation, visited Iran on 3 July 2026 to attend the funeral ceremony of the late Supreme Leader, Ayatollah Seyyed Ali Khamenei. Earlier, on 26 May 2025, the Prime Minister, visited Iran to thank its leadership for their support during the war against India. Building on President Pezeshkian's June 2026 visit, there is renewed momentum in bilateral exchanges, evidenced by a series of ministerial visits—including visit of Interior Minister of Iran, Minister of Science, Research and Technology, and currently, the Minister of Trade, Industries and Mining is also visiting Pakistan for the 10th Joint Trade Committee meeting.

Bilateral trade and strong people-to-people contacts form a vital component of this relationship. While international sanctions have prevented trade from reaching its true potential, renewed efforts are underway to enhance trade volume towards the bilateral target of USD 10 billion per annum, with a particular focus on agricultural products.

Furthermore, in order to increase cooperation with Iran across various domains, the Prime Minister has constituted two high-level working groups (WG); one in Trade, Banking and Finance and the other in Port, Shipping and Allied Issues. All the departments are on board in resolving cooperation with Iran across the entire spectrum of bilateral relations. Consultations are underway to hold bilateral meetings of these working groups with the aim of enhancing trade and economic relations.

Parliamentary cooperation serves as another key pillar, with regular engagement maintained over the years. A Pakistan-Iran Parliamentary Friendship Group exists in both the National Assembly and the Senate of Pakistan, with a corresponding group in Iran's Islamic Consultative Assembly.

On the security front, Pakistan and Iran cooperate closely on border security, counter-terrorism, and intelligence sharing, conducting coordinated operations to combat cross-border terrorism, militancy, smuggling, and other transnational threats along their shared frontier. This operational partnership is complemented by professional military exchanges, with officers from both countries regularly attending courses at each other's staff colleges.

In conclusion, the Pakistan-Iran relationship has entered a new and promising phase, characterized by deepening political trust, expanding economic engagement, robust parliamentary linkages, and strong security cooperation. Building on the historic bonds of geography and culture, both nations are now translating their shared vision into concrete outcomes, paving the way for a more prosperous and secure common future.

The steps being taken by the Government to ensure the enhancement of diplomatic relations with Iran.

Pakistan and Iran share a deep-rooted relationship anchored in historical, religious, and cultural affinities. In recent years, the Government of Pakistan has taken a series of proactive and concrete steps to elevate this partnership, particularly by extending steadfast diplomatic support to Iran and offering its good offices for high-stake mediation between Iran and Pakistan.

During the **Iran-Israel conflict in June 2025**, Pakistan extended strong diplomatic and political support to Iran. Pakistan strongly condemned the unjustified Israeli aggression and reaffirmed full support for Iran's sovereignty and right to self-defense under Article 51 of UN Charter. This stance was articulated across multiple international forums: Pakistan condemned the attacks on facilities under IAEA safeguards at three UNSC emergency meetings and a UN resolution, backed Iran at the IAEA, and at the 51st OIC Council of Foreign Ministers. Furthermore, Pakistan played a key role in the issuance of a joint statement by 21 Arab and African countries, amplifying the call for accountability and restraint.

Pakistan maintained this trajectory of unwavering solidarity when **protests erupted in Iran from late December 2025 to mid-January 2026;** Pakistan followed the evolving situation with deep concern and assured the Iranian leadership of its complete solidarity with the Government and people of Iran. At the emergency meeting of the UNSC, Pakistan's PR conveyed our serious concerns over the evolving situation and underscored that all disputes must be resolved through peaceful means and in accordance with international law. Pakistan in its engagements with other states particularly the regional countries, emphasized de-escalation and resolution of issues through dialogue and diplomacy.

Pakistan also demonstrated consistent diplomatic, political, and moral support to Iran during the escalating **Iran–Israel–U.S. conflict in 2026**. Following the joint U.S.–Israel military strikes on 28th February 2026, Pakistan's Foreign Office issued a statement the same day expressing deep concern over the breakdown of Iran–U.S. negotiations. At the UN Security Council emergency meeting held on 28th February 2026 under the agenda "The Situation in the Middle East," Pakistan's Permanent Representative reiterated this position and condemned the aggression against Iran as well as attacks impacting Gulf countries.

Pakistan's diplomatic outreach intensified through active phone diplomacy and consultative meetings with key partners including China, Saudi Arabia, Türkiye, and Qatar. The DPM/FM maintained regular engagement through the Regional Four (R-4) format with the Foreign Ministers of Saudi Arabia, Türkiye, and Egypt. In line with these efforts, Islamabad hosted a meeting of Foreign Ministers of the R-4 on 29-30 March 2026, promoting coordinated regional diplomacy to halt the conflict.

During the DPM/FM's visit to China, on 31st March 2026, Pakistan and China jointly launched the "Five-Point Initiative for Restoring Peace and Stability in the Gulf and Middle East Region," calling for an immediate cessation of hostilities, resumption of dialogue, and protection of civilian lives and shipping lanes.

Pakistan's diplomatic efforts have been underpinned by a principled approach at multilateral bodies. On 7th April 2026, Pakistan abstained on a UNSC resolution demanding that Iran cease attacks on commercial ships and restore full freedom of navigation. The Resolution was vetoed by permanent members China and Russia. Over the years, Pakistan has consistently opposed the imposition of UN Human Rights Council monitoring mandates without Iran's consent, maintaining that human rights must not be used as a pretext to intervene in Iran's internal affairs. Pakistan has also repeatedly highlighted the adverse humanitarian and human rights impacts of unilateral coercive measures on Iran.

Islamabad Talks

On top of the deep Pakistan-Iran engagement and political support for Iran, Pakistan played the pivotal role of a sincere and honest mediator between Iran and the U.S during the ongoing conflict. On 11-12 April 2026, Pakistan hosted the Iranian and U.S. delegations led by Speaker Dr. Mohammad Bagher Ghalibaf, and Vice President J.D. Vance, respectively, for the Islamabad Talks, enabling the first direct high-level contact between Iran and the U.S. in 47 years.

This breakthrough initiated a sustained process, marked by back to back visits including that of Foreign Minister Seyed Abbas Araghchi to Islamabad and those of Interior Minister Mohsin Naqvi and COAS and CDF Field Marshal Syed Asim Munir to Iran. These intensive efforts culminated in the "Islamabad Memorandum of Understanding" between Iran and the U.S. on 18 June 2026. Prime Minister Shehbaz Sharif, signed the MoU as a mediator. Pakistan then hosed the High-Level Talks in Burgenstock, Switzerland, on 21st June 2026, alongside Qatar.

Pakistan continues to engage both parties for a durable peace and long-term settlement of all outstanding issues through dialogue and diplomacy. Through Pakistan's ongoing diplomatic efforts, it has not only reaffirmed its unwavering solidarity with Iran but has also established itself as a critical architect of peace and stability in the region. This renewed chapter in Pakistan-Iran relations now rests on a foundation of trust, elevated political engagement, and a shared commitment to for a peaceful, stable and prosperous region.

***

Supplementary Questions:

Q:1 What measures is Pakistan taking to resolve border security related issues?

Answer: Pakistan and Iran held 3rd Session of Higher Border Commission (HBC) on 28th December, 2025 in Tehran to discuss the matters related to border security and management in detail. It is a mechanism for consultations between the two countries to discuss all border related issues for enhanced coordination at different levels. The 1st session of the HBC was held in Tehran on 17th – 18th July 2017 and the 2nd Session of HBC was held in Islamabad on 18th July 2019.

Q:2 What measures is Pakistan taking to prisoner related issues?

Answer: MoFA held a meeting with Consular from Iranian Embassy to expedite the process of transfer of prisoners. Both countries have exchanged the lists of prisoners and negotiations are ongoing for the transfer of prisoners under the Agreement. Pakistan is working towards holding the 7th session of the Joint Counselor Commission (JCC) meeting in Islamabad for better coordination between both sides. The 6th session of JCC was held on 17th July 2023.

Q:3 What measures is Pakistan taking to solve trade related issues?

Answer: Pakistan and Iran will be holding 10th Session of Pakistan-Iran Joint Trade Committee (JTC) Meeting on 3rd – 5th August, 2026 at Islamabad. Ministry of Commerce is the lead Ministry from Pakistan side. Iranian Minister of Industry, Trade and Mines along with his delegation will be coming to Pakistan to hold the said meeting from Iranian side. Discussion areas will include Joint Free Trade Zone/ SEZ, cooperation in the fields of transit and customs affairs as well as discussion on trade mechanisms among others.

Government of Pakistan
Ministry of Energy
Power Division
*****

STARRED NATIONAL ASSEMBLY QUESTION NO#102 (GROUP - 4, 29th SESSION), MOVED BY MS. TAHIRA AURANGZEB

QUESTION	REPLY
Will the Minister for Energy (Power Division) be pleased to state:	
a) Whether it is a fact that possession letters have already been issued to allottees of Sector I-12, Islamabad, whereas no electricity distribution infrastructure has yet been provided in the afore said sector; if so, the reasons thereof;	IESCO approved the external electrification scheme for CDA Sector I-12 vide Letter No. 10383-89 dated 27.06.2025. The approved ultimate system load is 59.582 MW, to be supplied through 25 No. 11 kV feeders emanating from the 132 kV I-11 Grid Station. Subsequently, IESCO issued Demand Notice No. 10390-97 dated 27.06.2025 (**Annex-A**) for the deposit of capital cost amounting to Rs. 1,857 million, design vetting fee of Rs. 25.5 million, and railway crossing charges of Rs. 800 million. However, the required amount has not been deposited by the Capital Development Authority (CDA).
b) Whether there is any approved plan for provision of an underground electricity distribution network in Sector I-12; if so, the details thereof;	The external electrification of Sector I-12 has been approved through an overhead electrical distribution system, as requested by the Capital Development Authority (CDA), based on the electrification design submitted by its consultant. Likewise, internal electrification can be approved by IESCO once CDA submits electrification design and fulfills all other codal formalities.
c) The current status of electricity infrastructure development in the sector, including allocation of funds, executing agency, and physical progress made so far;	The electricity infrastructure development works will be undertaken by IESCO upon receipt of payment against the demand notice from the Capital Development Authority (CDA).
d) The expected timeline for completion of the electricity infrastructure and provision of electricity connections to residents of Sector I-12?	Upon payment of the demand notice by the Capital Development Authority (CDA), the external electrification works can be completed within six (06) months, subject to the availability of the required right-of-way and the issuance of the requisite No Objection Certificate (NOC) by Pakistan Railways.

Annex-A

ISLAMABAD
Electric Supply Company Limited
www.iesco.com.pk Head Office, Street No.40, Sector G-7/4, Islamabad

No. 10390-97 /CEO/IESCO/CE(P&E)/HS-553 Date: 27/06/2025

Director (E&M)
Sector Development
CDA Islamabad

Subject: TENTATIVE DEMAND NOTICE FOR CAPITAL COST, VETTING FEE AND RAILWAY CROSSING CHARGES IN RESPECT OF CDA SECTOR I-12 ISLAMABAD.

Reference: Your office letter No.CDA/Dir(E&M)/IESCO/I-12/2024/115 dated 25.09.2025.

The Chief Executive Officer IESCO Islamabad has been pleased to accord the approval / vetting of design for electricity infrastructure / external electrification work in respect of CDA Sector I-12 Islamabad having ultimate system load 59.852 MW as requested vide your letter referred above.

10.	Minsk (Belarus)	Vacant (FSP)		Vacated by Mr. Muhemmed Aejaz on 07 July 2026 upon reaching the age of superannuation. Process for appointment of a new Ambassador is underway.

The Criteria and procedure adopted for appointment of Heads of Mission.

The Ambassadors/High Commissioners, including non-career, are posted to different Missions with the approval of the Prime Minister. The Ambassadors/High Commissioners-designate proceed to their station of posting only after Agrément from the host government is received.

Supplementary Question with Answers

Q. 1. **What is the normal tenure of posting of Officers at Missions abroad?**

Ans: As per Posting Policy, the normal tenure of posting of an officer is three years.

Q. 2: **Who appoints the Ambassadors/Consuls General at Missions abroad?**

Ans: The Prime Minister is the competent authority to appoint Ambassadors/Consuls General at Missions abroad.

Q. 3: **Is there any consideration of quota system while selecting the Ambassadors?**

Ans: There is no quota system involved while selecting career or non-career Ambassadors. Selection is based on professional expertise.

STARRED NATIONAL ASSEMBLY QUESTION NO#104 (GROUP-4, 29TH SESSION), MOVED BY MS. NATASHA DAULTANA, MNA

QUESTION	REPLY
Will the Minister for Energy (Power Division) be pleased to state:	
a) The total number of officers and officials presently serving in Gujar Khan under Islamabad Electric Supply Company (IESCO), including the staff posted in Sub-Division Gulyana, along with their names, designations, BPS, dates of posting, and total duration of their services' at the present place of posting:	Following No. of employees are working in Gujar Khan Division against 456 Sanctioned Strength: - · Officers : 04 · Officials : 244 · Total : 248 (ii). Against 85 sanctioned positions, only 53 employees are currently working in Gulyana Sub Division, resulting in 32 vacant posts. The detailed particulars of the staff presently posted in Gulyana Sub Division, including their names, designations, BPS, dates of posting, and length of service, are attached at Annex-A .
b) Whether any policy / rules exist regarding transfer and posting tenure of IESCO Officers and Officials;	As per the IESCO Transfer Policy, transfers and postings are affected primarily to meet the operational requirements of the Company in its field formations and offices. Such transfers/postings are made with the consent of, or upon the request of, the concerned Head of Formation, keeping in view the functional needs and administrative exigencies.
c) The prescribed minimum and maximum tenure for officers / officials to remain posted at the same station, subdivision, or office under the existing policy;	As per the IESCO Transfer Policy, the preferable minimum tenure of an employee at a station is two (02) years, except in cases involving promotion or administrative exigencies. The policy does not prescribe any maximum tenure for posting at a particular station. It is further submitted that IESCO is currently facing an overall manpower shortage of approximately 47% across almost all cadres and formations. Under these circumstances, every effort is made to maintain the minimum required manpower at each station to ensure uninterrupted operations. Furthermore, employees having knowledge of local conditions, operational issues, and the historical background of the area are, where appropriate, retained to ensure continuity, operational efficiency, and effective service delivery
d) The number of officers /officials presently serving in Gujar Khan and Subdivision Gulyana who have remained posted at the same place for more than 03 years, 05 years and 10 years	Abstract of Officers /officials presently serving beyond prescribed tenure is as under: · More than 03 Years = 11 · More than 05 Years = 13 · More than 10 Years = 12

e) Whether any exemptions or special permissions have been granted to officers / officials for extended postings in Gujar Khan or Subdivision Gulyana; if so, the details thereof; and	No blanket exemptions from the IESCO Transfer Policy have been granted to any employee. Postings and transfers are made strictly in accordance with the operational requirements of the Company, administrative considerations, and the availability of vacancies, with the consent of, or upon the request of, the concerned Head of Formation
f) Whether the Government intends to ensure transparent and merit-based implementation of transfer / posting policies in IESCO, particularly in Gujar Khan and Subdivision Gulyana; if so, the details thereof?	IESCO ensures that all postings and transfers are carried out in a transparent manner, strictly on merit, and in accordance with the operational requirements of the Company, administrative considerations, and the availability of vacancies. However, in view of the acute manpower shortage, staff awareness of local issues and technical knowledge is also considered to maintain operational efficiency.

Annex-A

STARRED NATIONAL ASSEMBLY QUESTION # 106 MOVED BY DR. MAHREEN RAZZAQ BHUTTO

Question	Reply
Will the Minister for Energy (Power Division) be pleased to state?	
a) the details of the number of IPPs, their actual productions, it's value/ cost payments by the Government of it's actual productions or more/ on their capacity; and	The details of power producers are attached at Annex-C2. Actual production and power procurement for FY 2025-26 (Jul-25 to May-26) amounting to **Rs 2,935.762 billion** is attached at Annex-C1 . The billing for June 2026 is in process and yet has not been finalized.
b) the reasons for more payments than the actual productions during the last five (05) years' year-wise?	Power Producers are paid for Energy and Capacity payments as per tariff determined by NEPRA and in compliance to terms and conditions of their respective Power Purchase Agreements (PPAs). Therefore, there is no excess payment to the power generator in addition to tariff determined by NEPRA or payments allowed under their respective PPAs.

Annex-C1

Draft Reply

National Assembly Question

STARRED NATIONAL ASSEMBLY QUESTION NO. 110, 4TH GROUP, 29TH SESSION MOVED BY MR. ALI MUHAMMAD, MNA

Reply by Mr. Khalid Hussain Magsi
Federal Minister for Science & Technology

Question No. 110	Reply
Mr. Ali Muhammad, MNA	
Will the Minister for Science and Technology be pleased to state:	
a) the current status of federal scientific laboratories, testing facilities and research centres operating under the Ministry and its attached organizations, including PCSIR, PNAC, PSQCA and other institutions;	**PCSIR** Pakistan Council of Scientific and Industrial Research (PCSIR) is the premier public sector research and development (R&D) organization functioning under the administrative control of the Ministry of Science and Technology (MoST). It is mandated to undertake, promote and guide scientific and technological research related to the establishment and development of Pakistani industries, and to disseminate the outcomes of such research for the socio-economic development of the country. PCSIR has a nationwide network of 17 laboratories and research units, including six training institutes, located across the country **(Annexure-I)**. Its laboratories are equipped with state-of-the-art scientific instrumentation and supported by highly qualified and skilled technical manpower. A number of PCSIR laboratories are accredited to ISO/IEC 17025, enabling them to provide reliable and internationally recognized testing and calibration services. PCSIR is actively supporting the industrial sector by providing cost-effective technological solutions, testing, calibration, analytical, consultancy and technical services to enhance industrial productivity and competitiveness. Its broad-based activities encompass technology development, human resource development, quality control and quality assurance services, consultancy and troubleshooting, industrial collaboration, and fulfillment of Pakistan's obligations under international trade and quality frameworks. PCSIR laboratories provide testing services to a wide range of industries, including exporters, thereby contributing significantly to quality assurance and compliance with national and international standards. **PSQCA** QCC/PSQCA is providing conformity assessment testing services of mandatory items under the scheme of PSQCA. The detail of testing facilities is given

	below. **Chemical Labs.:** Mineral Water, Feed & Fertilizers, Vegetable Oils, Ghee, Butter, Combustion Engine oil, Dairy Products, Biscuits, Grains & Cereals, Paints, Toilet Soaps, Washing Soaps, Detergents, Sugar, Stationery, Cosmetic products Items etc. **Physical & Engineering Labs.:** Non-Pressure/ Pressure UPVC Pipe, HDPE, PPRC, Conduits and other Polymer Materials, Paper, Home Gas appliances, Structural Steel, Aluminum Rods and other Non-Ferrous Materials, Safety Razor Blades, Disposable Razors, Sewing Machine etc. **Building Material Labs.:** Cement, Concrete Blocks, Cylinders, Cubes and Clay Bricks, R.C.C. Pipes etc. **Textile Labs.:** Yarn, Fabrics Materials, Tarpaulin, PP Bags, Geo Textile membrane etc. **Electrical Labs.:** Electric Fans (Ceiling, Pedestal and Bracket), Electric Switches, Sockets and Plugs, Electric Cables, Electric Iron, Bulbs Lead Storage Batteries, Electric Iron, Electric Home Appliances etc. **Microbiology** All food and cosmetic items is at **Annexure-II**
b) whether any inventory and audit have been conducted regarding scientific equipment, laboratory assets and research infrastructure, particularly in institutions that have been restructured, merged or closed;	**PCSIR** PCSIR maintains a comprehensive inventory of scientific equipment, laboratory assets, and research infrastructure in accordance with the applicable Government financial rules, procurement regulations, and inventory management procedures. Periodic physical verification, annual stock-taking, internal inspections, and statutory audits are conducted to ensure the proper utilization, maintenance, safeguarding, and accountability of laboratory assets. Observations raised during internal and external audits, as well as by other oversight authorities, are addressed through appropriate corrective and compliance measures. PCSIR has a dedicated Finance Wing, including an Audit Division, responsible for internal financial oversight and ensuring compliance with applicable financial rules and regulations. As a statutory organization under the Federal Government, PCSIR is also subject to regular external audits conducted by the Auditor General of Pakistan. The financial oversight framework includes: • Internal financial audits. • External audits conducted by the Auditor General of Pakistan. These audits primarily examine procurement

	processes, asset acquisition and management, financial compliance, utilization of development and recurring funds, maintenance of inventory records, and adherence to applicable financial and governance frameworks. **PSQCA** QCC/PSQCA neither restructured nor merged/closed. However, detail of equipment is available in each lab. No audit in this regard was conducted.
c) **the steps taken to modernize testing laboratories, obtain international accreditation and enhance national capabilities in industrial testing, certification and applied research;**	**PCSIR** The Pakistan Council of Scientific and Industrial Research (PCSIR) has undertaken a number of initiatives to modernize its laboratories, strengthen testing and calibration services, and enhance its applied research and innovation capabilities. The major initiatives include: • Modernization and upgradation of laboratory infrastructure through PSDP and other development projects **(Annexure-III)**. • Implementation, maintenance, and expansion of internationally recognized quality management systems, including ISO/IEC 17025:2017 accreditation for testing and calibration laboratories, to enhance laboratory competence and ensure compliance with international standards. Brief regarding testing capabilities of PCSIR is attached at **Annexure-IV**. • Acquisition and installation of modern analytical and scientific instruments through PSDP and other development initiatives, including a recently approved Export Development Fund (EDF)-funded project. • Execution of ongoing PSDP projects aimed at upgrading laboratory infrastructure and capabilities in accordance with international requirements. • Strengthening quality management systems through regular internal audits, participation in proficiency testing programmes, inter-laboratory comparisons, and continuous staff competency development. • Strengthening collaboration with industry, academia, and public sector organizations to provide testing, calibration, consultancy, technology development, and applied research services aligned with national industrial requirements. • Promotion of industry-oriented R&D focusing on indigenous technologies, import substitution, value addition, quality assurance, technology commercialization, and innovation to enhance industrial competitiveness and contribute to sustainable economic growth.

Annex I

	PSQCA QCC Karachi laboratories have also been upgraded via purchasing of high tech equipment through the successful completion of project **(Purchase of Lab Equipment/Provision of furniture and Fixture for PSQCA Laboratory Complex, Karachi/2018)** Proposed PC-1 for Strengthening of Testing Facilities at QCC (North) PSQCA Lahore and different proposals submitted time to time to PSQCA (Head Quarter) Karachi, still under consideration. **PNAC** PNAC has Mutual Recognition Arrangement (MRA) signatory status with regional and international apex bodies such as Asia Pacific Accreditation Forum (IAF) & International Laboratory Accreditation Cooperation (ILAC) by virtue of that the test reports / certificates issued by the Conformity Assessment Bodies (CABs) accredited by PNAC are accepted worldwide. Recently IAF & ILAC merger take place and newly organization namely Global ACI.
d) what measures are being implemented to ensure that Pakistan possesses adequate scientific and testing infrastructure to support exports, innovation, industrial development and regulatory oversight;	**PCSIR** The Ministry of Science and Technology is strengthening the national scientific infrastructure through continuous investment in laboratory modernization, accreditation, human resource development, and digital transformation. In line with this objective, the Pakistan Council of Scientific and Industrial Research (PCSIR) provides internationally recognized testing, calibration, product development, consultancy, technology transfer, and technical support services to exporters, manufacturers, SMEs, and regulatory organizations. The integration of accredited laboratories with digital platforms, including the Pakistan Single Window (PSW), has further enhanced transparency, operational efficiency, and export facilitation. PCSIR is also implementing research and development projects aimed at promoting indigenous technologies, import substitution, value addition, industrial competitiveness, and innovation-driven economic growth. At the PCSIR Laboratories Complex, Lahore, Karachi and Peshawar continuous efforts are being made to strengthen scientific and testing infrastructure in accordance with national and international requirements to support exports, industrial development, innovation, and regulatory oversight. These complexes possess one of the country's broadest testing capabilities, covering industrial chemicals, food and feed, pharmaceuticals, edible oils and fats, ghee, cosmetics, petrochemicals, textiles, leather, polymers, paints, paper, fertilizers, pesticides, and other industrial products. Testing,

List of PSDP Projects

S. No.	Name of Project
1	Cultivation and Processing of Medicinal and Industrial Cannabis on Experimental Fields and Establishment of testing and product development facilities at PCSIR Laboratories Complex, Lahore, Peshawar and Karachi.
2	Data Repository of Scientific Instrumentation
3	Development of Computer Controlled Fermentors and Production of Biochemicals & Bioproducts
4	Digital transformation, strengthening and automation of PCSIR
5	Establishment of Material Resource Centre and development of additive manufacturing and Reverse Engineering Centre at PCSIR
6	Gene Editing of Biological Agents for Nutritional Biochemical and Therapeutical purpose
7	Medical Equipment & Devices Innovation Center (MEDICen). (Task Force)
8	Research, Development and Innovation Program in PCSIR
9	Up gradation of Machinery, Equipment and Renovation of Buildings of IIEE & PSTC Karachi.
10	Up gradation of Medicinal Botanic Centre as National Centre for Herbal Medicine, PCSIR Labs. Complex, Peshawar
11	Research, Development and Technology Transfer of Selected Active Pharmaceutical Ingredients (APIs) for Import Substitution (PCSIR)
12	Establishment of Medical Cannabis Greenhouses for Biotechnology Derived Bio-Products, National Hemp & Cannabis Analytical Laboratory and National Industrial Hemp & Medicinal Cannabis Authority

Annex-IV

BRIEF ABOUT TESTING CAPABILITIES OF PCSIR

PCSIR has total testing capacity of around 4732 parameters out of which 1318 parameters are accredited. The details of which is given at *Flag-A*. The three largest units account for over 88% of all tests. KLC leads with 1,820 tests (688 accredited), covering environmental testing, pharmaceuticals, food safety, microbiology, and calibration. LLC follows with 1,649 tests (507 accredited) across the broadest sector range — textiles, leather, agro-chemicals, petrochemicals, metrology, electrical, glass/ceramics, and more. PLC contributes 744 tests (106 accredited) in calibration, microbiology, food, and herbs. Smaller units include LRC (125), IL (266), HL (45), QL (40), SL (31), and FRC (12) — the latter four operate without any accredited tests.

The details of the accredited tests (1318) sector wise is given in *Flag-B.* Food-related testing dominates (54%); together with Metrology and Electrical, the top three sectors account for ~79% of all accredited tests.

To enhance its accredited testing capabilities PCSIR has taken many initiatives by submitting projects at different forums like Planning Commission, Export Development Fund (EDF) Ministry of Commerce, to strengthen and upgrade its laboratories all over Pakistan. Details of these projects are given at *Flag-C*.

STARRED NATIONAL ASSEMBLY QUESTION NO#112 (GROUP-4, 29th SESSION), MOVED BY MR. FATEH ULLAH KHAN

QUESTION	REPLY
Will the Minister for Energy (Power Division) be pleased to state:	
a) The current schedule and duration of electricity load shedding in urban and rural areas of Dera Ismail Khan.	Current load management duration of District Dera Ismail Khan is attached as **Annex-A.** Furthermore, the load management schedule is managed by PESCO as per demand supply situation.
b) The reasons for prolonged outages faced by consumers in the said district?	Only schedule load management is being carried out by PESCO according to Aggregate Technical and Commercial (AT&C) loss of the 11kV Feeders as per SOP through the Province (PESCO jurisdiction), including D.I. Khan District. In case of any fault or system constraints on 11kV feeder, relief is being granted in schedule load management as per PESCOs SOP.

UN-STARRED NATIONAL ASSEMBLY QUESTION NO.21

QUESTION	ANSWER
MR. ANJUM AQEEL KHAN **MEMBER NATIONAL ASSEMBLY**	**MINISTER FOR ENERGY** **(PETROLEUM DIVISION)**
Will the Minister for Energy (Petroleum Division) be pleased to state **a)** the details total number of applications received along-with their names and addresses for installation of gas connections in Sector I-11/1/2, Islamabad during the years, 2025 and 2026 and connections provided;	The total number of applications for provision of RLNG domestic gas connection during the years 2025 and 2026 received from the residents of Sector I/11 sub sector 1 and 2 are 445 including both 217 on fast-track basis and 228 in normal category. 14 RLNG based domestic connections have been provided in the said sector till date. Details attached as **Annex-A**.
b) total number of applicants, the details of cases against which survey is not so far been conducted, nor the demand notices have been issued nor the connections are provided, the reasons thereof; and	SNGPL has issued urgent fee bills against applications received before/upto 10.01.2026. Only 43 applications qualified for issuance of urgent fee bills which were issued accordingly. Out of which only 37 applicants deposited the urgent fee. Survey of these cases was subsequently carried out and demand notices to 26 applicants for payment of security and service-line charges were issued, 4 applicants did not deposit the connection fee. RLNG domestic connections have been provided to 14 consumers on their turn / merit. It is to highlight that the lines in Sector I-11/1 & I-11/2 were damaged during development work by CDA. The provision of gas connections was consequently stopped. The issue has been taken up with CDA for recovery of damages. A total of 419 applications are pending. Furthermore, consequent upon disruption of RLNG form Qatar, provision of gas connections are currently under pause. As such, work on all pending applications in the said sector will be carried out after repair of damage network and normalization of LNG supplies.
c) the total number of applicants in relation to their cases surveys have been conducted, however, demand notices are not issued; if so, the reasons thereof?	Survey of 37 applicants' premises was carried out but demand notices were issued to 26 applicants whereas remaining 11 Demand Notices could not be issued due to damaged network. These will be issued after repair / commission of the damaged gas network and normalization of RLNG supplies.

UN-STARRED NATIONAL ASSEMBLY QUESTION NO#26 (GROUP-4, 29th SESSION), MOVED BY MS. SHAHIDA BEGUM

QUESTION	REPLY
Will the Minister for Energy (Power Division) be pleased to state:	
a) Whether it is a fact that under IESCO Letter No. 8361-64/CCR/DRG dated 23-04-2026, addressed to the Chief Engineer (P&E), IESCO Islamabad, LV Proposal Serial No.14 regarding "Village Bagga Sangral near Khizar House" was approved for installation of transformer along with HT/LT lines at an estimated cost of Rs. 20.68 million;	Yes, a low voltage (LV) proposal in respect of Village Bagga Sangral, near Kizar House, Rawalpindi, was received in the IESCO Planning & Engineering (P&E) Office. The said LV proposal was approved vide Work Order No. 2K27-464-02-01 dated 09.07.2026 (**Annex-A**) and forwarded to the Project Director (Construction), IESCO, for execution of the work
b) Whether the said scheme is still awaiting for execution despite severe low- voltage and electricity-related issues being faced by the residents of the areal and	It is submitted that the execution of said scheme was started on 12.07.2026 but held due to Right of Way (ROW), now the RoW has been resolved and the work is expected to start from 15.07.2026.
c) The time by which practical work on the said LV Proposal No. 14 will be started and completed on aforesaid scheme?	The work is expected to be completed within one month (10th August 2026) subject to the clearance of the Right of Way (ROW) and other dispute.

No. 11058-65/CEO/IESCO/CE(P&E)/LT Gen. Date: 09/07/2026

The Project Director (CO)
IESCO, Islamabad

Subject: REHABILITAION PROPOSAL IN R/O CANTT CIRCLE UNDER ELR PROGRAMME FOR THE YEAR 2026-27

The Chief Engineer IESCO Islamabad has accorded the approval of Rs: 1370043/- for the subject rehabilitation proposals with the scope as under:

Sr. No.	Dtr.	W/Order No	Location	Amount (Rs)	D.C. Ratio	HT STR	LT STR	T/F
1	Mandra	2827-464-02-01	Village Bagga Sangral Near Khizar Hasan NAQ-04/2026	1370043	1.64	-	7.5Nr	1 x 50
Total				1370043				

The work should be carried out according to the following conditions:

1. The amount should be restricted to the sanctioned amount/budget allocation.
2. Variation in estimate /cost due to right of way problem/escalation in cost of material during construction work or any other reason will have to be intimated for updating the booking on revision / approval of the competent authority.
3. All Standard Design Instructions/Standing Policies should be strictly followed according to the latest instructions of WAPDA / IESCO.
4. The work should be taken in hand / executed duly approved administratively by the competent authority subject to the technical sanction as per competency ensuring that there is no any individual's benefit involved in re-locality / shifting of some proposed LT line or part of any housing society/plotting area before execution of work.
5. The execution of work is subject to the vetting by Consultant Barqaab & EnMasse (JV) ensuring that no individual benefited is covering under Deposit Heas /NGSC policy. Original estimate of Rs: 1370043/- is sent herewith for further necessary action at your end.
6. The clearance of right of way will be the sole responsibility of operation formation i.e., LS/SDO/XEN/SE with the coordination of executing agencies. If the right of way is not resolved and execution of the proposals within the financial year is not possible then proposal will stand cancel on the report of PD (CO) with the coordination of S.E Concerned.
7. The LV proposal should be completed within 60 days of the issuance of work order. In case of non-completion within 60 days/financial year, the LV proposals will be liable for cancellation on the \report of PD(CO) with the coordination of SE concerned.
8. The transformer if augmented should be returned to IESCO store in healthy condition after completing all the departmental formalities within 07 Days positively.
9. The GIS Mapping shall be carried out after completion of LT works by all concerned formations.
10. A-90 / Capitalization of the subject LT Work shall be finalized upon updation of GIS Mapping.

DA/As above.

Annex-XV72

Government of Pakistan
Ministry of Science and Technology
INDIGENOUS RESEARCH & DEVELOPMENT AGENCY
(IRADA)

ADMIN/IRADA/MoST/26/**8304**
15th July 2026.

Mr. Qaiser Baig
Section Officer (Council)

Ministry of Science & Technology,
Constitution Avenue, Sector G-5/2,
Islamabad.

Subject: **NATIONAL ASSEMBLY UN-STARRED QUESTION NO. 23, 4TH GROUP, 29TH SESSION MOVED BY MR. MUHMMAD MOIN AAMER PIRZADA, MNA**

Respected Sir,

Please refer to letter No: 2(17)2026-NA dated: 13th July 2026 on the subject cited above. It is submitted that IRADA does not have a medical reimbursement policy for it's employees, hence our reply may be treated as nil.

With best regards,

Hafiz Sohail Zafar
Admin Officer

ANNEXURE - A

Pakistan Standards & Quality Control Authority(PSQCA)
Details of Amount received by the OfficerS/OfficalS on medical reimbursment
